Full-Orbed Christianity Dec 07 2021 Christie and Gauvreau look at the ways in which reformers expanded the churches' popular base through mass revivalism, established social work and sociology in Canadian universities and church colleges, and aggressively sought to take a leadership role in social reform by incorporating independent reform organizations into the church-sponsored Social Service Council of Canada. They also explore the instrumental role of Protestant clergymen in formulating social legislation and transforming the scope and responsibilities of the modern state. The enormous influence of the Protestant churches before World War II can no longer be ignored, nor can the view that the churches were accomplices in their own secularization be justified. A Full-Orbed Christianity calls on historians to rethink the role of Protestantism in Canadian life and to see it not as the garrison of anti-modernity but as the chief harbinger of cultural change before 1940.

Great Christian Classics Volume 1 Feb 15 2020 There is a wealth of great literature to study in the history of man, some written by Christians and some by non-Christians. However, the Christian student should direct special attention to literature produced by Christians. The empires of man will always crumble and fall, but the kingdom of Jesus Christ will continue forever. This collection covers five of the greatest life narratives of all time. A thorough study of these great books will help students understand the life, theology, and worldview of some of the greatest Christian men in church history. Sit at the feet of some of the best teachers God has given to His church. Augustine Confessions: (354-430) Augustine is perhaps the most influential thinker of the first thousand years of Christian history. This fifth-century Christian wrote Confessions as a biography in the form of a prayer to God. Patrick Confessions: (387-493) Amid the chaos following the collapse of the Roman Empire, Patrick, a man of legendary faith, led the way to the evangelization of the wild and pagan tribes of Ireland. John Knox History of the Reformation In Scotland (c.1510-1572) Few men have lived in more dangerous times than John Knox of Scotland. Yet he led a reformation movement in a very dangerous land, leaving a testimony for generations to come. John

Bunyan *Grace Abounding* (1628-1688) Great men tell great stories because they live them. This is the case with John Bunyan, whose personal testimony, *Grace Abounding*, records one of the most tumultuous and agonizing spiritual journeys. John Paton *Autobiography* (1824-1907) The kingdom of God is only taken by force by courageous men of faith like John Paton, whose missionary work among the cannibals in the New Hebrides is nothing short of legendary.

Mere Christianity Dec 19 2022 In the classic *Mere Christianity*, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis' legendary broadcast talks during World War Two from his three previous books *The Case for Christianity*, *Christian Behavior*, and *Beyond Personality*, *Mere Christianity* provides an unequalled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith.

Eusebius' Ecclesiastical History: The Ten Books of Christian Church History, Complete and Unabridged (Hardcover) Feb 09 2022 All ten books of Eusebius' famous church history are presented here complete in a superb and authoritative translation. Eusebius' *Ecclesiastical History* is one of the first comprehensive, chronologically arranged histories ever written about the Christian church, and it is consulted by scholars and historians to this day. Eusebius authored his history as the Roman Empire's influence upon the European continent waned amid insurgencies and surrender of Roman lands to other peoples. This also a time in which Christianity's influence upon Europe's peoples burgeoned and grew. As one of a very few learned and scholarly Christians of his era Eusebius enjoyed a rare privilege: access to the document archives of the early Christian church. Much of these archives have since been lost; Eusebius' use of these long lost texts is the only window which readers of today have to such records. Thus, a sense of mystery is present as events for which scant evidence still exists are told.

A Peculiar Glory Jan 08 2022 God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

Cinema Alchemist Apr 11 2022 For the first time, Oscar-winning production designer and director Roger Christian reveals his life story, from his earliest work in the British film industry to his breakthrough contributions on such iconic science fiction masterpieces as *Star Wars*, *Alien* and his own rediscovered *Black Angel*. This candid biography delves into his relationships with legendary figures, as well as the secrets of his greatest work. The man who built the lightsaber finally speaks!

Total Truth Oct 05 2021 Pearcey passionately argues that Christianity is truth about all reality, not just religious truth, and that to keep it privatized is stripping it of the power to challenge and redeem the whole of culture.

The Darkening Age Jan 16 2020 A New York Times Notable Book, winner of the Jerwood Award from the Royal Society of Literature, a New York Times Book Review Editors' Choice, and named a Book of the Year by the Telegraph, Spectator, Observer, and BBC History Magazine, this bold new history of the rise of Christianity shows how its radical followers helped to annihilate Greek and Roman civilizations. The Darkening Age is the largely unknown story of how a militant religion deliberately attacked and suppressed the teachings of the Classical world, ushering in centuries of unquestioning adherence to "one true faith." Despite the long-held notion that the early Christians were meek and mild, going to their martyrs' deaths singing hymns of love and praise, the truth, as Catherine Nixey reveals, is very different. Far from being meek and mild, they were violent, ruthless, and fundamentally intolerant. Unlike the polytheistic world, in which the addition of one new religion made no fundamental difference to the old ones, this new ideology stated not only that it was the way, the truth, and the light but that, by extension, every single other way was wrong and had to be destroyed. From the first century to the sixth, those who didn't fall into step with its beliefs were pursued in every possible way: social, legal, financial, and physical. Their altars were upturned and their temples demolished, their statues hacked to pieces, and their priests killed. It was an annihilation. Authoritative, vividly written, and utterly compelling, this is a remarkable debut from a brilliant young historian.

The Complete Illustrated Guide to Catholicism May 20 2020

Catholic Christianity Feb 21 2023 For the first time in 400 years the Catholic Church has authorized an official universal catechism which instantly became an international best-seller, the Catechism of the Catholic Church. Using this official Catechism, the highly-regarded author and professor Peter Kreeft presents a complete compendium of all the major beliefs of Catholicism written in his readable and concise style. Since the Catechism of the Catholic Church was written for the express purpose of grounding and fostering catechisms based on it for local needs and ordinary readers, Kreeft does just that, offering a thorough summary of Catholic doctrine, morality, and worship in a popular format with less technical language. He presents a systematic, organic synthesis of the essential and fundamental Catholic teachings in the light of the Second Vatican Council and the whole of the Church's Tradition. This book is the most thorough, complete and popular catechetical summary of Catholic belief in print that is based on the universal Catechism.

The Complete Christian Self Love Book Nov 25 2020 How To start to love yourself unconditionally I am absolutely sure that this book will help everyone to get to know yourself better and on a deeper level, improve your relationships, accept yourself and others, love your life and be happy while enjoying "peace of mind," get rid of fear and stress, find the meaning of your life, solve different problems, and, finally, find God within you. While reading this book you can find the answers to many of your questions because this book is based on the Bible, a universal book of life created by God and proven by billions of people of different nations for thousands of years. All the relationships including all the problems in the relationships were given to you by God to show you that you need to learn how to love yourself. That is the main purpose of life. The only thing that we learn in this life is to love. What is loving yourself? There is always a misconception about it, but loving yourself is a most important thing in your life and this book will prove it. I am sure many of us have read the Bible; but so, fewer people actually understood very famous quote Mark 12:31 "Love your neighbor as yourself." If you really spend some time thinking about this phrase, maybe sleep on it, what do you think this phrase is about? You should love yourself first. Always. You need to learn how to love yourself first, and only afterwards you could love your neighbor. Therefore, if you don't love yourself, it's not possible to love others. There is simply no such way. There is a common misconception nowadays

that relationships are supposed to bring love to our life. When it doesn't happen, we become miserable. The truth is that, according to the Bible, romantic relationships are never the source of love. Remember: Love your neighbor as yourself. First, you love yourself and only then you could love your boyfriend or girlfriend. So, true source of love is within us! Nowadays people are looking for love in the relationships without having love in their soul and, of course, they fail to find it. Relationships are not a source of love, but a reflection of our soul and mind. Therefore, if we don't have a love in ourself, we are never going to find love in our relationships. And that is the word of Christ. You will see that money is creation of God Money always existed and will exist forever. Because money was created by God. During our life, we always interact with each other. Two things in this are always true: nothing is free, and nothing goes unnoticed. If you go to the grocery store to buy some milk, you must pay some money. If money didn't exist, this simple transaction of buying milk would be very hard to solve. In that case you, would interact with many others like farmers who produced this milk, sellers who sell the milk, etc. You would need to do chores and help them in order to get some milk from them. How could you get a milk in this situation? That's why God created money as a universal solution where you can get what you need and keep going. You will learn how to accept yourself, forgive yourself, and be kind to yourself What are the concrete actions of loving yourself? The first and foremost is self- forgiveness. You need to forgive yourself for not matching that image of a perfect you. Because just having that image of a perfect you is a sign of self-hate. If you accept who you are, you are totally happy with who you are. Learn how to start to love yourself unconditionally. Scroll up and click the buy button now

The Christian in Complete Armour May 12 2022 At a time in England when loyalty to Scripture placed Christians in the center of the nation's wars, Gurnall was more concerned with the souls of his people than the issues of conflicting political parties. Compiled from his many sermons on "the saints' war against the devil," his exhaustive exposition of Ephesians 6:10-20 treats the spiritual battles of believers and their God-given protection. Originally written in three volumes (1655-1662), the book first covers the Christian's call to arms and describes the nature of the battle and the character of our enemy. The various pieces of godly armor and weapons, and their use on offense and defense, are then described at length, item by item and verse by verse. More pastoral and practical than theological, Gurnall's work is filled with spiritual insight, encouraging exhortation, and inspiring word pictures concerning the importance of doctrinal truth as "a girdle for the mind," the power of holiness, the "pre-eminence of faith against other graces," and much more. Profoundly biblical and as relevant today as it was almost 350 years ago, Gurnall's work is a resource that will add grace to the library of Calvinist and Arminian alike. This edition includes an introduction and biography of Gurnall by J.C. Ryle.

Principles of War Nov 13 2019 In the study of warfare, great men have concluded that there are some overriding principles which, if followed, will always tend toward success in battle, and if neglected or ignored, will tend toward defeat or even destruction. These principles have been entitled the "principles of war." But not all warfare is waged on a battlefield: every Christian is called to be a soldier. Our fight is against Satan, our objective is the acknowledgment and fulfillment of God's commands, and our ammunition is the power of the Holy Spirit. In

Before that, he served in the Navy as an officer for nine years and then with Officer's Christian Fellowship for another twelve years. Jim has authored a number of books (including How to Be Free from Bitterness) and is well-known for his practical Bible teaching on relationships and evangelism. He and his wife Bessie have four children, fifteen grandchildren (one of whom is in heaven), and fifteen great-grandchildren.
