Assessment in Learning Oct 18 2019 This book puts lights on the detailed knowledge of assessment from a constructivist perspective. It should be understood by teachers that it is not 'assessment of learning' but 'assessment for learning'. Assessment needs to be seen as a part of our education system, rather than a separate

part. All the units of this book have been written keeping the centre idea of assessment and learning in every aspect of teacher and students. The book presented highlights 'Assessment for Learning', constructivism and assessment in the first unit, levels and dimensions of learning in the learning in the second unit, different types of assessment techniques in the third unit, assessment tools, portfolios, feedback in the fourth unit and includes feedback, progress record in fifth unit.
