The French Revolutionary Epoch : Being a History of France from the Beginning of the First French Revolution to the End of the Second Empire Aug 03 2021

**A Literary Tour de France** Jun 01 2021 The publishing industry in France in the years before the Revolution was a lively and sometimes rough-and-tumble affair, as publishers and printers scrambled to deal with (and if possible evade) shifting censorship laws and tax regulations, in order to cater to a reading public's appetite for books of all kinds, from the famous Encyclopédie, repository of reason and knowledge, to scandal-mongering libel and pornography. Historian and librarian Robert Darnton uses his exclusive access to a trove of documents-letters and documents from authors, publishers, printers, paper millers, type foundries, ink manufacturers, smugglers, wagon drivers, warehousemen, and accountants-involving a publishing house in the Swiss town of Neuchâtel to bring this world to life. Like other places on the periphery of France, Switzerland was a hotbed of piracy, carefully monitoring the demand for certain kinds of books and finding ways of fulfilling it. Focusing in particular on the diary of Jean-François Favarger, a traveling sales rep for a Swiss firm whose 1778 voyage, on horseback and on foot, around France to visit bookstores and renew accounts forms the spine of this story, Darnton reveals not only how the industry worked and which titles were in greatest demand, but the human scale of its operations. A Literary Tour de France is literally that. Darnton captures the hustle, picaresque comedy, and occasional risk of Favarger's travels in the service of books, and in the process offers an engaging, immersive, and unforgettable narrative of book culture at a critical moment in France's history.

History of Europe Feb 09 2022

History of Europe from the Commencement of the French Revolution in 1789, to the Restoration of the Bourbons in 1815 Jun 13 2022

Domestic Enemies Sep 23 2020 Originally published in 1983. This book cuts across the class boundaries of traditionally separate fields of social history. It investigates the social origins of servants, their incomes, their marriage and family patterns, their career patterns, their possibilities for social mobility, their political activities, and their criminality. But it also investigates the history of the family and domestic life in France in the sixteenth, seventeenth, and eighteenth centuries, for servants were, at least until the rise of the affectionate nuclear family in the middle of the eighteenth century, considered part of the families of those they served. Finally, this book is also an essay on the history of social relationships in the ancien régime, not only those between masters and servants but also the broader relationships between the ruling elite and the lower classes. The introduction gives basic facts about the composition of households during the Old Regime and explores the attitudes and assumptions that underlay the employment of servants. It also shows how both these attitudes and the households themselves changed dramatically in the last decades before the French Revolution. Part 1 is devoted to the servants themselves. One chapter deals with their lives within their employers' households: their work, their living conditions, their socializing and leisure-time activities. A second examines their private lives: their social origins, marriage and family patterns, their moneymaking and their criminality. And a third explores their relationships with and attitudes toward their masters. In part 2, the focus shifts to an examination of master-servant relationships from the masters' point of view. The first chapter deals with master-servant

relationships in general by discussing the factors that determined how employers treated their domestics. The second and third chapters explore two special relationships: masters' sexual relationships with their servants and their relationships with the servants who cared for them in childhood. The epilogue traces the impact of the French Revolution on domestic service and sketches some of the changes in the household that were to come in the nineteenth century.

**History of Europe from the Commencement of the French Revolution in M.DCC.LXXXIX. to the Restoration of the Bourbons in M.DCCC.XV.** Apr 11 2022

**The Jews in Nineteenth-Century France** Mar 30 2021 This work on the history of French Jewry, follows the reshaping of Franco-Jewish identity from legal emancipation after the French Revolution, through to the creation in 1860 of the Alliance Israelite Universelle, the first international Jewish organization devoted to the struggle for Jewish rights throughout the world.

The French Artillery Before and Since the War ... Translated from the French by H. H. Apr 18 2020

*The French Girl* Apr 30 2021 I Know What You Did Last Summer meets the French countryside in this exhilarating psychological suspense novel about a woman trapped by the bonds of friendship—perfect for fans of *The Widow* and *The Woman in Cabin 10*. One of RealSimple's and Cosmopolitan's Best Books of the Month Everyone has a secret... They were six university students from Oxford—friends and sometimes more than friends—spending an idyllic week together in a French farmhouse. It was supposed to be the perfect summer getaway...until they met Severine, the girl next door. But after a huge altercation on the last night of the holiday, Kate Channing knew nothing would ever be the same. There are some things you can't forgive. And there are some people you can't forget...like Severine, who was never seen again. A decade later, the case is reopened when Severine's body is found behind the farmhouse. Questioned along with her friends, Kate stands to lose everything she's worked so hard to achieve as suspicion mounts all around her. Desperate to resolve her unreliable memories and fearful she will be forever bound to the memory of the woman who still haunts her, Kate finds herself entangled within layers of deception with no one to set her free....

**Ending the French Revolution** Nov 18 2022 "Filled with critical insights, Brown's revisionist study utilizes an impressive array of archival sources, some only recently cataloged, to support his thesis that the French Revolution survived until 1802 and the Consulate regime.... This volume should be a priority for all historians and serious students interested in modern French history.

Summing Up: Essential."--Choice "What Brown has done is to put all historians of the French Revolution in his debt by the thoroughness with which he explores an important aspect of the complex and interrelated problems posed by any attempt to create a new social and moral order based on principles that could prove to be self-contradictory and were neither understood nor welcomed by a substantial proportion of the population."--English Historical Review "This is one of the most important pieces of scholarship on the French Revolution since the 1989

bicentennial."--David Bell, Johns Hopkins University For two centuries, the early years of the French Revolution have inspired countless democratic movements around the world. Yet little attention has been paid to the problems of violence, justice, and repression between the Reign of Terror and the dictatorship of Napoleon Bonaparte. In *Ending the French Revolution*, Howard Brown analyzes these years to reveal the true difficulty of founding a liberal democracy in the midst of continual warfare, repeated coups d'état, and endemic civil strife. By highlighting the role played by violence and fear in generating illiberal politics, Brown speaks to the struggles facing democracy in our own age. The result is a fundamentally new understanding of the French Revolution's disappointing outcome. Howard G. Brown, Professor of History at Binghamton University, State University of New York, is the author of *War, Revolution, and the Bureaucratic State: Politics and Army Administration in France, 1791-1799* and coeditor of *Taking Liberties: Problems of a New Order from the French Revolution to Napoleon*. Winner of the American Historical Association's 2006 Leo Gershey Award and the University of Virginia's 2004 Walker Cowen Memorial Prize for an outstanding work of scholarship in eighteenth-century studies

**The French War Bride** Jan 28 2021 \*USA TODAY BESTSELLER\* World War II Paris serves as the backdrop for a story of compassion, betrayal, and forgiveness from the national bestselling author of *The Wedding Tree*... At her assisted living center in Wedding Tree, Louisiana, ninety-three-year-old Amélie O'Connor is in the habit of leaving her door open for friends. One day she receives an unexpected visitor—Kat Thompson, the ex-fiancée of her late husband, Jack. Kat and Jack were high school sweethearts who planned to marry when Jack returned from France after World War II. But in a cruel twist of fate, their plans were irrevocably derailed when a desperate French girl overheard an American officer's confession in a Parisian church... Now, Kat wants to know the truth behind a story that's haunted her whole life. She thinks finding out how Amélie stole Jack's heart will finally bring her peace. As Amélie recalls the dark days of the Nazi occupation of Paris, *The French War Bride* reveals how history shapes the course of our lives...for better or for worse. READERS GUIDE INSIDE

**That Sweet Enemy** Nov 13 2019 From Blenheim and Waterloo to 'Up Yours, Delors' and 'Hop Off You Frogs', the cross-Channel relationship has been one of rivalry, misapprehension and suspicion. But it has also been a relationship of envy, admiration and affection. In the nearly two centuries since the final defeat of Napoleon, France and Britain have spent much of that time as allies - an alliance that has been almost as uneasy, as competitive and as ambivalent as the generations of warfare. Their rivalry both on peace and war, for good and ill, has shaped the modern world, from North America to India in the eighteenth century, in Africa, the Middle East and South East Asia during the nineteenth and twentieth centuries, and it is still shaping Europe today. This magisterial book, by turns provocative and delightful, always fascinating, tells the rich and complex story of the relationship over three centuries, from the beginning of the great struggle for mastery during the reign of Louis XIV to the second Iraq War and the latest enlargement of the EU. It tells of wars and battles, ententes and alliances, but also of food, fashion, sport, literature, sex and music. Its cast ranges from William and Mary to Tony Blair, from Voltaire to Eric Cantona; its sources from ambassadorial dispatches to police reports, from works of philosophy to tabloid newspapers, from guidebooks to cartoons and films. It's a book which brings both British humour and Gallic panache to the story of these two countries, in sickness and in health, for richer for poorer, in victory and in defeat, in dominance and in decline.

The Family and the Nation Dec 27 2020 The French Revolution transformed the nation's--and eventually the world's--thinking about citizenship, nationality, and gender roles. At the same time, it created fundamental contradictions between citizenship and family as women acquired new rights and duties but remained dependents within the household. In *The Family and the Nation*, Jennifer Ngairé Heuer examines the meaning of citizenship during and after the revolution and the relationship between citizenship and gender as these ideas and practices were reworked in the late 1790s and early nineteenth century. Heuer argues that tensions between family and nation shaped men's and women's legal and social identities from the Revolution and Terror through the Restoration. She shows the critical importance of relating nationality to political citizenship and of examining the application, not just the creation, of new categories of membership in the nation. Heuer draws on diverse historical sources--from political treatises to police records, immigration reports to court cases--to demonstrate the extent of revolutionary concern over national citizenship. This book casts into relief France's evolving attitudes toward patriotism, immigration, and emigration, and the frequently opposing demands of family ties and citizenship.

**The French Revolution and the Creation of Modern Political Culture: The political culture of the French Revolution** May 20 2020 The second of four volumes of papers from a set of major international international symposia commemorating the Bicentenary of the French Revolution. A discussion of the political culture of the Revolution itself, from the declaration of the principle of national sovereignty by the National Assembly until the creation of the Consulate.

**WTF?!: What the French** Dec 19 2022 With *Stuff Parisians Like*, Olivier Magny shared his hilarious insights into the fervently held opinions of his fellow Parisians. Now he moves beyond the City of Light to skewer the many idiosyncrasies that make modern France so very unique. In France, the simple act of eating bread is an exercise in creative problem solving and attempting to spell requires a degree of masochism. But that's just how the French like it—and in *WTF*, Olivier Magny reveals the France only the French know. From the latest trends in baby names, to the religiously observed division of church and state, prepare yourself for an insider's look at French culture that is surprising, insightful, and chock full of bons mots. INCLUDES PHOTOGRAPHS

**Memoirs, Illustrating the History of Jacobinism. A Translation from the French of the Abbé Barruel. ...** Jan 16 2020

**Human Nature and the French Revolution** Aug 23 2020 What view of man did the French Revolutionaries hold? Anyone who purports to be interested in the "Rights of Man" could be expected to see this question as crucial and yet, surprisingly, it is rarely raised. Through his work as a legal historian, Xavier Martin came to realize that there is no unified view of man and that, alongside the "official" revolutionary discourse, very divergent views can be traced in a variety of sources from the Enlightenment to the Napoleonic Code. Michelet's phrases, "Know men in order to act upon them" sums up the problem that Martin's study constantly seeks to elucidate and illustrate: it reveals the prevailing tendency to see men as passive, giving legislators and medical people alike free rein to manipulate them at will. His analysis impels the reader to reevaluate the Enlightenment concept of humanism. By drawing on a variety of sources, the author shows how the anthropology of Enlightenment and revolutionary France often conflicts with concurrent discourses.

**History of Europe from the Commencement of the French Revolution in 1789 to the Restoration of the Bourbons in 1815** Oct 05 2021

**Stuff and Money in the Time of the French Revolution** Jul 02 2021 Rebecca L. Spang, who revolutionized our understanding of the restaurant, has written a new history of money. It is also a new history of the French Revolution, with economics at its heart. In her telling, radicalization was driven by an ever-widening gap between political ideals—including “freedom of money”—and the harsh realities of daily life.

**History of Europe from the Commencement of the French Revolution in M.DCC.LXXXIX. to the Restoration of the Bourbons in M.DCCC.XV.** Mar 10 2022

The Life Of Voltaire Dec 15 2019

**The French in North America, 1500-1783** Jan 20 2023 This vivid account of the crucial role played by the French in the Western Hemisphere chronicles the rise and fall of the French empire on the mainland of North America and the West Indies, from the arrival of the Breton, Norman and Basque fishermen on the Grand Banks around 1500 to the sale of Louisiana to the United States in 1803. Professor Eccles depicts the establishment of Baroque civilization and the attempt of the establishment of industries and commerce from the slave plantations of the south to the fur trade posts of the far northwest, and discusses the colonists of other European powers.

**A Review of the French Revolution of 1848** Jan 08 2022

Grub Street Abroad Sep 16 2022 Eighteenth-century French readers who wanted to keep up with political and literary trends had to rely on books and journals imported from abroad. French writers, such as Voltaire and Rousseau, also depended on foreign firms to get their works in print. *Grub Street Abroad* demonstrates the importance of extraterritorial publishing for the Enlightenment and the French Revolution. By placing the periphery at the centre of the stage, it highlights neglected cosmopolitan aspects of the French Enlightenment and points to forces which undercut Bourbon claims of cultural hegemony. Firms serving French markets from abroad are viewed as part of a far-flung communications network which, although sensitive to diplomatic pressures from diverse courts, still comprised a relatively autonomous, independent field of operations. Topics covered include the publishing and editing of francophone journals and clandestine manuscripts; the emergence of the book review and the editorial board; the reliance of the philosophes upon foreign firms; the cosmopolitan outlook of so-called 'Grub Street hacks'. Overall, a revised picture of the nature and importance of publishing in the period emerges - a presentation that will provoke and interest a wide range of historical, literary, and bibliographical specialists.

*How the French Live* Jul 14 2022 At home with modern French families . . . Si Mazouz, curator of the popular blog FRENCHBYDESIGN, introduces a dozen sophisticated French families in her debut book, *How the French Live* to engage and inspire. Si shares each family's personality and values through the lens of their uniquely styled homes. The aesthetic is clean and unpretentious; décor elements are eclectic—reflecting each family's Frenchness regardless of where they live. Each chapter closes with a family recipe to prolong the warmth of the hospitality they've shared. This is the new paragon of a generation living the French lifestyle in France, Morocco, and the U.S. Si Mazouz is a French girl expatriated in San Francisco. She is the curator of the FRENCHBYDESIGN blog, where she compiles daily a selection of interiors, house tours, or DIY projects. She is also a strategic marketing and social media consultant.

**The French Revolutionary Epoch** Sep 04 2021 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Science and Polity in France** Oct 13 2019 By the end of the eighteenth century, the French dominated the world of science. And although science and politics had little to do with each other directly, there were increasingly frequent intersections. This is a study of those transactions between science and state, knowledge and power--on the eve of the French Revolution. Charles Gillispie explores how the links between science and polity in France were related to governmental reform, modernization of the economy, and professionalization of science and engineering.

**An American Heroine in the French Resistance** Jun 20 2020 "After the war, Virginia stayed in France with Philippe, receiving awards from the governments of France, Belgium, Great Britain, and the United States, including the Croix de Guerre, Legion d'Honneur, and Medal of Honor. She died at the age of 87 in 1997." "Judy Barrett Litoff brings together two rare documents in this unique book - Virginia's diary of wartime France until her capture in 1944 and her prison memoir, written immediately after the war."--Jacket.

*Social Life in England and France* Oct 25 2020 Excerpt from Social Life in England and France: From the French Revolution in 1789, to That of July 1830 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**1000 Years of Annoying the French** Oct 17 2022 The author of *A Year in the Merde* and *Talk to the Snail* offers a highly biased and hilarious view of French history in this international bestseller. Things have been just a little awkward between Britain and France ever since the Norman invasion in 1066. Fortunately—after years of humorously chronicling the vast cultural gap between the two countries—author Stephen Clarke is perfectly positioned to investigate the historical origins of their occasionally hostile and perpetually entertaining pas de deux. Clarke sets the record straight, documenting how French braggarts and cheats have stolen credit rightfully due their neighbors across the Channel while blaming their own numerous gaffes and failures on those same innocent Brits for the past thousand years. Deeply researched and written with the same sly wit that made *A Year in the Merde* a comic hit, this lighthearted trip through the past millennium debunks the notion that the Battle of Hastings was a French victory (William the Conqueror was really a Norman who hated the French) and pooh-poohs French outrage over Britain's murder of Joan of Arc (it was the French who executed her for wearing trousers). He also takes the air out of overblown Gallic claims, challenging the provenance of everything from champagne to the guillotine to prove that the French would be nowhere without British ingenuity. Brits and Anglophiles of every national origin will devour Clarke's decidedly biased accounts of British triumph and French ignominy. But *1000 Years of Annoying the French* will also draw chuckles from good-humored Francophiles as well as "anyone who's ever encountered a snooty Parisian waiter or found themselves driving on the Boulevard Périphérique during August" (*The Daily Mail*). A bestseller in Britain, this is an entertaining look at history that fans of Sarah Vowell are sure to enjoy, from the author the *San Francisco Chronicle* has called "the anti-Mayle . . . acerbic, insulting, un-PC, and mostly hilarious."

*Twenty-nine Tales from the French* Feb 26 2021

*Charles and Eugenia. From the French of Madam de Renneville.* By M. G-. Mar 18 2020

**Pamphlets & Public Opinion** Dec 07 2021 This work examines how, in the months leading up to the French Revolution, both the royal government and its opposition relied heavily upon pamphlets to sway public opinion, and how the number of published pamphlets reached truly astounding proportions in late 1788 and early 1789.

**The French** Feb 21 2023 This is a guide to France intended for the traveller who wants to get to know French people as individuals, for the negotiating businessman and for students who wishes to discover in-depth aspects of their lives. It looks at what makes up the national character of France.

*Ghost Empire* Feb 15 2020 The French empire in America relied on Native peoples for its existence--this history of the La Salle expedition shows how deeply France and Indians affected American culture even today.
