When Hector's granny has her magic wand stolen by The Big Bad Knight, Hector, the tiniest boy in the village, decides to go after him. And when The Big Bad Knight sends a dragon after Hector, our hero knows just what to do - with a little help from a bag of crisps! Brave Hector manages to return the magic wand back to Granny, and then it's time for The Big Bad Knight to learn a little lesson about knightly manners. A fun-filled new picture book about the power of good with quirky illustrations from award-winning Alex T. Smith. The 1934 journal of seventeen-year-old Cassandra Mortmain reveals her perspective on six stormy months in the eccentric and poverty-stricken life of her family in a ruined Suffolk castle, ending with the revelation that Cassandra is deeply in love Lizzie refuses to speak. She doesn't want to talk to Rory or Jake, her new

stepbrothers. Or to Sam, their dad. Or even to her mum. She's completely fed up with having to join a new family, and nothing can convince her to speak to them. Not football, not pizza, not a new bedroom. That is, until she meets Great-Gran - a member of the new family who is even more stubborn than she is . . . When they awake to find that every living creature in England, except the dogs, is asleep, Dalmatians Pongo and Missis discover unusual abilities that lead them to London where their daughter is assembling all breeds of dogs to await contact from Sirius,t Lots of puppies get lost. How will they get home? A charming London neighbourhood is home to Roger and Anita, whose beloved Dalmatians, Pongo and Perdita have become the proud parents of 15 puppies. But when the ghastly Cruella De Vil and her bumbling henchmen, Horace and Jasper unexpectedly appear, the pups swiftly disappear, along with every other Dalmatian puppy in town Now Pongo and Perdita must rally their animal friends to find Cruella's secret hideaway and free all the puppies. One of the brilliant titles in Jean Ure's acclaimed series of humorous, delightful and poignant stories written in the form of diaries and letters which make them immediately accessible to children. This autographed edition ... is limited to two hundred and fifty copies, of which this is numbered 66. 'After I finished this book I alarmed my family by going into the garden and climbing the apple tree.' - Damian Whitworth, The Times Pignatius was passing the palace one day, when he saw ten fresh buns left to cool on a tray . . . When Pignatius sees fresh pastries cooling on the windowsill of the palace kitchen, he's tempted to try them. Surely, the cook won't miss just one. But Pignatius's greed gets the better of him, and he eats all the buns before sneaking into the palace in search of more treats. Before long, he finds himself in

the prince's room trying on a wig and some clothes, and the servants mistake him for the real prince! When the actual prince returns, Pignatius fears the worst, but the prince saves Pignatius's bacon instead. It turns out that the prince has always wanted a double to deal with a particularly frightening problem—his aunt Alice! This hilarious reimagining of Mark Twain's classic *The Prince and the Pauper* is sure to make kids laugh with its clever rhyming text and delicious, dessert-filled illustrations by New York Times bestselling illustrator David Roberts. An electric new story of teenage Cruella de Vil in an original novel inspired by the upcoming Walt Disney Studios Live Action Film, *Cruella*. *Swinging London, Summer 1967*. Sixteen-year-old Estella, gifted with talent, ingenuity, and ambition, dreams of becoming a renowned fashion designer. But life seems intent on making sure her dreams never come true. Having arrived in London as a young girl, Estella now runs wild through the city streets with Jasper and Horace, amateur thieves who double as Estella's makeshift family and partners-in-(petty)-crime. How can Estella dedicate herself to joining the ranks of the London design elite when she's sewing endless costumes and disguises for the trio's heists? When a chance encounter with Magda and Richard Moresby-Plum, two young scions of high society, vaults Estella into the world of the rich and famous, she begins to wonder whether she might be destined for more after all. Suddenly, Estella's days are filled with glamorous parties, exclusive eateries, flirtations with an up-and-coming rock star, and, of course, the most cutting-edge fashions money can buy. But what is the true cost of keeping up with the fast crowd—and is it a price Estella is willing to pay? Olivia (Vee), is now captain of her own spaceship, an Explorer Vessel which set out seven years earlier on a deep space mission. She and her twin brother Aidan are heading alone back to Earth following the virus that wiped out the rest of the ship in its entirety three years earlier—including their parents. Nathan is part of a community heading in the opposite direction. A violent war is spreading through space so they're heading for a peaceful patch from where they will plan an uprising. But on their journey, Nathan's ship is attacked and most of the community killed. Only a

few survive, thanks to Vee and Aidan, who rescue them, bringing them on board their ship. Nathan and Vee are instantly attracted to each other, and in the midst of all the dramas and hostilities of this newly occupied ship, they fall head-over-heels in love. But not everyone is happy with their relationship. Someone is sowing rumours of Nathan's infidelity, Vee's flaws, and putting the lives of everybody on board at risk . . . A novel is a story, a collection of experiences transmitted from the mind of one to the mind of another. It offers a way to unwind, a way to focus, a way to learn about life—distraction, entertainment, and diversion. But it can also be something much more powerful. When read at the right time in your life, a novel can—quite literally—change it. *The Novel Cure* is a reminder of that power. To create this apothecary, the authors have trawled through two thousand years of literature for the most brilliant minds and engrossing reads. Structured like a reference book, it allows readers to simply look up their ailment, whether it be agoraphobia, boredom, or midlife crisis, then they are given the name of a novel to read as the antidote. David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long, and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage to decide for themselves what normal really means. *Dodie Smith's classic tale adapted into a playful and stylish new picture book Dalmatians Pongo and Missis* live in London with their beloved owners. When Missis finds out she's going to have puppies, they're all thrilled! But, Missis doesn't just have one puppy . . .

or two . . . or three . . . she has fifteen! When the puppies go missing, Pongo and Missis know that there's only one woman who can be behind the dognapping: the notorious Cruella de Vil. They strike out across the city and—with a little help from the street dogs of London—rescue their pups and many, many more from a terrible fate. Wizzer, a precocious Dalmatian puppy, is simply having a bad day as he gets stung by a bee, falls into a puddle of mud, and gets soaked by the sprinklers, but fortunately things turn around for him in the end. The adventures of the puppies from Disney's dalmatians. "All over the country Dalmation puppies disappeared in the clutches of the unbelievably vicious Cruella deVil." back cover. One winter evening, Anita and Roger haul a huge tree into their London home and begin hanging strings of small lights and tinsel garlands. The Dalmatian puppies look at one another, confused. The puppies soon learn that it is Christmas Eve! Pongo and Perdita explain that Christmas is a time when people show their friends and families how much they care. But when the puppies wake up on Christmas morning and begin opening all the presents, including Anita's and Roger's, have they gone too far? Don't miss this charming story as the Dalmatian puppies learn the true meaning of Christmas! When Wizzer finds and helps a lost puppy, he learns what Christmas is really about. Pongo and Perdita must rescue their Dalmation puppies from the wicked Cruella De Vil, who has kidnapped their puppies and eighty-four others. She wants them not for pets, but to make a fur coat for herself! Cassandra Mortmain lives with her impoverished family in a crumbling castle. Her journal records her life with her bored sister Rose, her stepmother Topaz, her little brother Thomas and her novelist father who suffers from a financially crippling writer's block. However, all their lives are turned upside down when American heirs to castle arrive. Pongo, Perdita, and their puppies embark on the adventure of a lifetime! Follow along as the Dalmatians escape the clutches of the evil Cruella De Vil and her henchmen. Real character voices and spectacular sound effects add to the fun in this adorable storybook. When they awake to find that every living creature in England, except the dogs, is asleep, Dalmatians Pongo and Missis discover unusual abilities that lead them to London

where their daughter is assembling all breeds of dogs to await contact from Sirius,t Patch has a sore throat and the only sound he can make is a squeak. Everyone tells him to be quiet so he can get well, so he comes up with a way to squeak and save his voice at the same time. Go behind the scenes and relive the magic of Disney's 101 Dalmatians through this retelling of the classic animated film accompanied by paintings, story sketches and concept art from the original Disney studio artists. Also featured is a foreword by Jeff Gipson, a director at the Walt Disney Animation Studios, and at the back of the book is additional information about the artists who worked on this iconic animated film. Maybe the Moon, Armistead Maupin's first novel since ending his bestselling Tales of the City series, is the audaciously original chronicle of Cadence Roth -- Hollywood actress, singer, iconoclast and former Guinness Book record holder as the world's shortest woman. All of 31 inches tall, Cady is a true survivor in a town where -- as she says -- "you can die of encouragement." Her early starring role as a lovable elf in an immensely popular American film proved a major disappointment, since moviegoers never saw the face behind the stifling rubber suit she was required to wear. Now, after a decade of hollow promises from the Industry, she is reduced to performing at birthday parties and bat mitzvahs as she waits for the miracle that will finally make her a star. In a series of mordantly funny journal entries, Maupin tracks his spunky heroine across the saffron-hazed wasteland of Los Angeles -- from her all-too-infrequent meetings with agents and studio moguls to her regular harrowing encounters with small children, large dogs and human ignorance. Then one day a lanky piano player saunters into Cady's life, unleashing heady new emotions, and she finds herself going for broke, shooting the moon with a scheme so harebrained and daring that it just might succeed. Her accomplice in the venture is her best friend, Jeff, a gay waiter who sees Cady's struggle for visibility as a natural extension of his own war against the Hollywood Closet. As clear-eyed as it is charming, Maybe the Moon is a modern parable about the mythology of the movies and the toll it exacts from it participants on both sides of the screen. It is a work that speaks to the resilience of the human spirit from a perspective rarely

found in literature. Honest, funny, unorthodox, liberated and quintessentially English, Dodie Smith, playwright and novelist, was the author of the immortal classics, *The Hundred and One Dalmatians* and *I Capture the Castle*. One of the most successful playwrights of her generation, she spent the war years in the U.S. where she befriended Christopher Isherwood, and through Walt Disney's film, became a household name. The Bold family seems fairly normal: they live in a nice house, the parents have good jobs, and they all love to have fun. One slight difference: they're hyenas. That's right—they're covered in fur, have tails tucked into their clothes, and really, really like to laugh. For years, the Bolds have kept their true identities under wraps. But now the neighbors are getting suspicious, and the Bolds are getting homesick. During a trip to the local wildlife park, they meet an old hyena who is going to be put down, and the Bolds have to act fast to save him—without revealing their secret! *Adaptations* considers the theoretical and practical difficulties surrounding the translation of a text into film, and the reverse process; the novelisation of films. Through three sets of case studies, the contributors examine the key debates surrounding adaptations: whether screen versions of literary classics can be faithful to the text; if something as capsulated as Jane Austen's irony can even be captured on film; whether costume dramas always of their own time and do adaptations remake their parent text to reflect contemporary ideas and concerns. Tracing the complex alterations which texts experience between different media, *Adaptations* is a unique exploration of the relationship between text and film. The book that inspired the animated movie classic! When Dearly's Dalmatians have their first litter of pups—fifteen in all—everyone is delighted. But their joy is shortlived, for the pups are kidnapped! Scotland Yard is baffled, but the keenest canine minds are on the case—and on the trail of Cruella de Vil, the most fiendish person to ever covet a fur coat. Pongo and Missis would give everything they have to bring their puppies safely home... but will they succeed in rescuing them from the clutches of the evil Cruella de Vil? "A tale full to overflowing with those prime requisites of a good story—warmth and humor, imagination and suspense."—Chicago Sunday

Tribune "Superb reading. The puzzle of the hundred and one is delightful.... Highly recommended."—SLJ This is the story of two brave Dalmatians, ninety-nine puppies, and one of the greatest rescues of all time. Get inside the creative mind of one of Disney's most iconic villains, Cruella de Vil Inside this personal diary with fashion sketches throughout, readers will get a first-person account of the events of the film *Cruella* from Cruella's unique point of view. This in world book contains full color illustrations of high fashion sketches, images from the film, and written accounts that will take readers inside the mind of the cruelest designer of them all. There are more than 101 things to love about Disney's 101 Dalmatians! The animated classic from 1961 is being released in a Platinum Edition DVD, so a whole new generation of children will come to love Perdita and Pongo, Cruella DeVil, and all those adorable puppies. This Little Golden Book retells all the tail-wagging excitement of the film.
