They protect vampire secrets—and human lives. In *The Fiery Heart*, Sydney risked everything to follow her gut, walking a dangerous line to keep her feelings hidden from the Alchemists. Now in the aftermath of an event that ripped their world apart, Sydney and Adrian struggle to pick up the pieces and find their way back to each other. But first, they have to survive. For Sydney, trapped and surrounded by adversaries, life becomes a daily struggle to hold on to her identity and the memories of those she loves. Meanwhile, Adrian clings to hope in the face of those who tell him Sydney is a lost cause, but the battle proves daunting as old demons and new temptations begin to seize hold of him. . . . Their worst fears now a chilling reality, Sydney and Adrian face their darkest hour in this heart-pounding fifth installment in the *New York Times* bestselling *Bloodlines* series, where all bets are off. In Hollywood's underworld of demigods, druids, and ancient bonds, one girl has a dangerous future. Sage is eighteen, down on her luck, and struggling to survive on the streets of Los Angeles. Everything changes the night she's invited to a party—one that turns out to be a trap. Thrust into a magical world hidden within the City of Angels, Sage discovers that she's the daughter of a Celtic goddess, with powers that are only in their infancy. Now that she is of age, she's asked to pledge her service to one of the five deities, all keen on winning her favor by any means possible. She has to admit that she's tempted—especially when this new life comes with spells, Hollywood glam, and a bodyguard with secrets of his own. Not to mention a prince whose proposal could boost her rank in the Otherworld. As loyalties shift, and as the two men vie for her attention, Sage tries to figure out whom to trust in a realm she doesn't understand. One thing is for sure: the trap she's in has bigger claws than she thought. And it's going to take a lot more than magic for this Celtic demigoddess to make it out alive. In *Blood Witch*, Morgan continues to unravel her past and the story of her birth-mother as her relationship with Cal develops. But she can't seem to settle with him and the mysterious Hunter begins to feature more heavily into her life. Vivi Neves had rejected everything her parents hold dear - their heritage, culture, traditions - and their dark family secret: they're haguari - cat people, shapeshifters who turn into jaguars, as their ancestors have done for thousands of years. Now, following the tragic death of her parents, Vivi has finally accepted her birthright and is learning to live life as a shapeshifter. Every ending is a new beginning. In the first two *Immortal Beloved* novels, 450-year-old ex-party girl Nastasya Crowe spends five months at River's Edge, a rehab for immortals with troubled pasts. In between uncovering her family's epic magickal history and flirting with Reyn, a heartbreakingly hot Viking wonder boy, Nastasya finally learns that being good is a choice within her power. Just as she's starting to truly change, she discovers that someone is killing immortals around the world and that River's Edge and her new friends may be the next targets. Armed with her own brand of kick-butt magick, Nastasya joins forces with her immortal friends and teachers as they battle an evil that has plagued the world for much too long. By claiming her heritage, Nastasya fights back against darkness...but can she also fight against true love? Probably not if Reyn has anything to say about it. With vivid historical flashbacks, stark emotional reckoning, and laugh-out-loud dialogue, the *Immortal Beloved* trilogy is a fascinating and unique take on what it would mean to live forever.
