Ruby, Sapphire & Emerald Buying Guide Dec 13 2019 To help you to be a smart buyer, this book discusses in detail how colour, shape, cut, clarity, transparency, treatments and geographic origin affect the value of rubies, sapphires and emeralds. The guide also explains how to distinguish imitation and synthetic stones from those that are real and natural. Each concept is illustrated with either photographs or line drawings. Many tips are given on buying, selecting, documenting and caring for these rubies, sapphires and emeralds.

Retro Camera Buying Guide: Getting Serious About Photography On the Cheap! Expanded and Revised Jun 18 2020 A lot has changed since I wrote and published this first volume of what became this guide series. One thing hasn't. I still have the same enthusiasm and joy in photography I had way back at the beginning of the series. I have a lot more knowledge and experience now and, occasionally even get close to taking good photographs. That's the thing, see. I didn't know a lot when I originally wrote this guide. I had been working in photography since 1982 professionally. Everything I knew, pretty much, was self-taught. In general, that's still true. There's no need for you to do it all by yourself, too, though. This book and this series are meant to help you get going with the basics fast. Yes, OK, I tend to relate my own experiences, but that, too, is meant to help you avoid some basic mistakes I made. And, perhaps, I write in a tad too friendly manner, but think of it as sitting down with me to have a friendly talk about a passion we share: Photography!

Used Motorhome Buying Guide Sep 14 2022 Are you in the market for buying a used RV? Do you want to purchase a motorhome but aren't sure what to look for? Do you need a helpful guide for how to buy a camper for your next family vacation? Do you want to save money on your RV purchase? You need this used RV buyer's guide! My book, *Used Motorhome Buying Guide*, will teach you everything you need to know about how to purchase a used RV, motorhome, travel trailer, or camper of your dreams. Your new motorhome should fit your needs as best as it can. You deserve to travel in comfort and style. Armed with the knowledge of how to get the best deal when buying a used RV, you can save precious money and time. This book will give you vital advice and guidance on how to buy a used motorhome. I am a travel writer by trade but a nomad by choice. Traveling the country by RV is one of the best ways to truly experience nature and adventure. I have lived in my share of different types of recreational vehicles, all with their own pros and cons. With this nomadic lifestyle comes the challenges of repairs and maintenance of a home on wheels. This book is the culmination of what I have learned about the best practices of how to buy a used RV. The first section of this book is all about the basic factors of RVs. It is important for you to understand all the basics surrounding motorhomes. I help you understand the different types of motorhomes, the features of each type, and the benefits. We also look at the features to expect in an RV and factors to consider before deciding to buy a used RV. I help you compare the benefits of buying a used RV versus buying a new one. This way, you have a clear perspective on your options. In the second section of the book, you are introduced to RV inspections. When purchasing a used RV, the value you get depends on your inspection process. We help you prepare a detailed checklist of everything you desire in an RV. For you to find an RV that matches your needs, you must start by preparing a detailed list of all your needs and expectations. From this list, I help you figure out the features that are the most important and the ones that are not necessary. In the third section, we focus on testing the features of the RV and authenticating the legality of the ride. For anyone looking to buy a used RV, this is one of the most important sections. You can't get a good deal unless you know how to inspect the used RV and test the features. The book outlines the tricks and tips used to detect faults in the plumbing and electrical systems of the RV. We look at the best way to test drive a used RV and the features to focus on during test drives. We detail the secrets used by RV dealers to hide problems and how to uncover any hidden issues. In the fourth section of the book, we look at all the legal matters that affect used RVs. I help you understand the possibilities of buying an RV that is involved in crime or accidents. We look at some of the ways you can authenticate and verify the legality of an RV. Finally, we look at the risks and precautions involved in buying used RVs. Generally, this last section just helps sum up all the dangers involved in buying used RVs. If you are looking to purchase a used RV, a new RV, or to learn more about RVs, this book is for you. I am sure you have learned a lot, and you are on the path to find the best ride for you and your family. As a BONUS, I have provided you with a detailed checklist to take along with you as perform your pre-purchase inspection. Instructions on obtaining a printable checklist are included. You will want to click "Buy Now" and add this title to your collection and I promise to save you money, headache and frustrations from buying a lemon.

Lekicha Tama Apr 16 2020 Oh no--it's that time of year again! The hustle and bustle, the scrutinizing and haggling... it's time to buy your lulav and esrog. You thought you learned the pertinent halachos, but the shopping experience is still totally overwhelming. Is the esrog you're holding a mehudar? Your lulav isn't perfect, but is it kosher? At what point do your drooping, darkened aravos become posul?The answers to these and other questions are now at the tips of your fingers. Lekicha Tama, the Lulav and Esrog Buying Guide, holds your hand as you pass through the marketplace confronting these and other questions. With a wealth of information presented in an engaging style, and clear photographs to illustrate its points, this sefer can provide even an advanced student with insights into the pertinent halachos.About the series:The Tekufas Hashanah series provides a refreshing, hands-on approach to certain mitzvos that have not been easily accessible to the layman. The books are distinguished by the clarity of their language, their down-to-earth style, the beauty of their photography, their eye-catching layout, and most of all their purpose: the demystification of mitzvos that people might otherwise be hesitant to approach. The reader, led along by a master teacher, emerges from the experience well informed and empowered.

Jewelry & Gems The Buying Guide Jun 11 2022 to this edition In working with my own clients to acquire gemstones and jewelry since this book was first published in 1984, they have pointed out that most people buy "jewelry" and not "gemstones." Because the book offers so much practical advice and money-saving tips about buying jewelry, they urged me to change the title. So, in this edition The Complete Guide to Buying Gems has been changed to Jewelry & Gems: The Buying Guide. Consumer and professional response to the book has been very gratifying. Almost 14,000 hardcover copies are in circulation. We have received hundreds of letters, phone calls and in-person comments about the helpfulness and interesting information it provides. We thank you for encouraging us to make the book more widely available by bringing out this softcover edition. We have taken the opportunity of this softcover edition to update the price guides for diamonds and colored gemstones and, in light of the increase in both the popularity and price of pearls, to add a price guide for them in the "Guide to Popular Gems and Their Prices." Also, we want to take this opportunity to comment further on gem investment, taking into account major developments since the original manuscript was written in 1980.

Colored Gemstones Aug 01 2021 Purchasing coloured gemstones can be a magical experience, filled with excitement and anticipation. But lack of information, error, or misrepresentation can make buying gemstones confusing, intimidating, overwhelming, and costly. With more varieties than ever before to choose from, including altogether new gems, revolutionary new cuts, and new ways to buy gems -- such as internet auctions and TV shopping -- there has never been a more exciting time to buy or collect coloured gemstones. But there are also new high-tech treatments and sophisticated frauds to look out for. Lack of information, error, or misrepresentation can make the thrill of buying a gem or piece of jewellery confusing, intimidating, overwhelming, and costly. Buyers need a source of expert guidance. To help you avoid the pitfalls and keep the magic, Antoinette Matlins, an internationally respected expert on buying gems, puts her insider knowledge to work for you in this easy-to-read, easy-to-use guide. Practical, comprehensive, and easy to understand, the guide offers in depth all the information you need in order to know what to look for and what to look out for, including: what qualifies as a 'gemstone?'; how to evaluate colour -- and its impact on price; deciding between a natural gem and an enhanced gem; coloured gemstone synthesis and treatment; what to ask when buying the stone; what to get in writing; how to get what you want within your budget; price guides for popular gems, opals, and synthetic stones; And much, much more!
