*Montessori Activity Book Mar 23 2020 The Montessori method of education was developed by Italian physician Maria Montessori. Emphasizing*

independence, it views children as naturally eager for knowledge and capable of initiating learning in a sufficiently supportive and well-prepared learning environment. It discourages some conventional measures of achievement, such as grades and tests. Montessori developed her theories in the early 1900s through scientific experimentation with her students; the method has since been used in many parts of the world, in public and private schools alike. This Montessori workbook works great in a Montessori environment, as well as in a regular (home)school This unique workbook is designed to keep your little one's absorbent mind engaged Perfect for preschool, pre-k and kindergarten (ages 3-7) No previous Montessori experience required! Realistic pictures have been used instead of cartoons, to promote learning about the beauty of the real world Bright full color to appeal to and engage the young learners Large size 8.5x11" 70 pages About Ananda Store: Ananda Store is a mom and dad run publishing company! We are passionate about kids, books, happiness and creating cute and practical books for kids.

Big Preschool Workbook Dec 24 2022 GOGO Hubs products shipped and sold by Amazon are genuine and authentic. Let us help you prepare your child for Kindergarten with our easy-to-follow Pre K learning materials. Keep kids "classroom ready" with these wonderful supplemental learning tools ENGAGING - The Big Preschool Workbook includes 140 fun, engaging exercise pages that make preschool learning fun! The Pre K workbook builds knowledge and skills for a solid foundation to help young learners master readiness basics for the next grade. Kids encounter squares, rectangles, patterns, a tooth brush maze, counting pennies and more! This toddler activity book features fun illustrations to color in with focused activities to entertain children while they grasp concepts and skills that they can enforce in real-life application. PRESCHOOL LEARNING WORKBOOKS - Using Preschool Curriculum based workbooks are a great way to nurture learning. Writing by hand, lights up specific areas of a child's brain, improving their ability to not only remember what they learn but to think of new brilliant ideas. The preschool prep eases little ones into critical learning without feeling overwhelmed and discouraged. HOMESCHOOL FRIENDLY - Preschool Workbooks are a great learning resource for at home

or in the classroom and allows parents to supplement their children's learning in the areas they need it most. When kids finish the book, you can print and fill in the included award completion certificate to reward a job well done.

**RESULTS** - Our toddler learning activities have helped educate kids, creating lifelong learners. The prek learning materials teach the alphabet letters, primary phonics, pre-writing skills, colors and shapes. Kids learn numbers, basic math, and following directions. With easy directions and visual clues, our preschool workbooks are fun and easy to use to help expand skills through reinforcement learning. Our Preschool Math Workbooks, Kindergarten and PreK Workbooks, Readers, and Letter Tracing Workbooks are all crafted through a kid's eyes while integrating parent and teacher standards. **OUR STORY** - Almost 20 years ago, long-time educator Marie worked closely with her fellow educators, and quickly identified a need for at-home learning materials to help parents support and supplement their children's classroom curriculum. GOGO Hub was born as a quickly emerging educational leader in children's workbooks for preschoolers and elementary school children. GOGO Hub, the Go-To for parents remains family-owned, focused on excellence, responsive to customers, and committed to the community. GOGO believes that education is everywhere and is passionate about making products that inspire life's learning moments. We continually update new content, reflective of the forever changing standards, evolving teaching methods, and overall best practices.

*What Your Preschooler Needs to Know Feb 26 2023 Give your child a smart start with What Your Preschooler Needs to Know Designed for parents to enjoy with children, filled with opportunities for reading aloud and fostering curiosity, this beautifully illustrated anthology offers preschoolers the fundamentals they need to prepare for a happy, productive time in school—and for the rest of their lives. Hundreds of thousands of children have benefited from the acclaimed Core Knowledge Series, developed in*

consultation with parents, educators, and the most distinguished developmental psychologists. In addition to valuable advice for parents, such as what it means for a child to be ready for kindergarten, special sidebars throughout the book help parents make reading aloud fun and interactive, suggesting questions to ask, connections to make, and games to play to enrich their preschooler's learning experience. Inside you will discover • Favorite poems and rhymes—all beautifully illustrated, to be read and recited together, from Robert Louis Stevenson's "At the Seaside" to limericks by Edward Lear and tongue twisters by Jack Prelutsky, plus fun "clap along!" and "fingerplay" verses that parents and children can act out together • Beloved stories and fables—stories such as "The Three Little Pigs" and the African folktale "Why Flies Buzz" will open whole new worlds of learning and discovery • Visual arts—beautiful reproductions of classic works that foster early appreciation of art history while igniting discussions about shapes, colors, and different styles and media • Music—dozens of songs to sing and dance to, including such "move around" songs as "Head and Shoulders, Knees and Toes" and "The Wheels on the Bus" • History—a delightful introduction to American history, from the first Thanksgiving to Martin Luther King, Jr., with activities and stories parents and children can enjoy together • Science—from exploring the wonder of animals to the physical properties of light, air, and water—fun activities that will let children observe, experience, and enjoy the natural world
