talugaes wittes May 20 2020 Thirty-four studies are devoted to the Ancient Near Eastern scholar Stefano de Martino. In accordance with his own research area studies on Ancient Anatolia and North-Syria as well as on Hittite and Akkadian texts are in the focus of the festschrift. Newly discovered texts and archaeological finds are presented, and new aspects of well-known literary compositions and excavation sites of the region are taken into consideration. Further studies focus on history and geography of the north-western part of the Ancient Near East.

The Voices of Carlo Levi- Le Voci Di Carlo Levi Mar 18 2020 As a writer, Carlo Levi has had the misfortune to be known as the author of one book, Christ Stopped at Eboli, the account of his years of internal banishment by the Fascist authorities to a remote village in the south of Italy. That book was recognised as a masterpiece of anti-Fascist literature and as a sensitive investigation of the way of life of a people at the margins of European civilisation. It enjoyed enormous success in the post-war period not only in Italy but also in Britain and the USA, and has been continuously in print since its first publication. However, Levi was also a painter of some repute, a novelist, a journalist, a critic of art and society, a political commentator, and above all, a wholly idiosyncratic travel writer whose reports on the countries and regions he visited, including Sicily, Sardinia, Germany, the USSR and India, were also reflections on Italy. This book attempts to assess the totality of Levi's achievement. Come scrittore, Carlo Levi ha avuto la sfortuna di essere celebrato come autore di un libro solo, Cristo si è fermato ad Eboli, la narrativa dei suoi anni di confino nel

Mezzogiorno sotto il regime fascista. Sin dal momento della sua pubblicazione nel primo dopoguerra, questo libro è stato riconosciuto come capolavoro della letteratura anti-fascista e come indagine penetrante della cultura di un popolo ai margini della civiltà europea. Comunque, Levi fu anche pittore di grande talento, romanziere, critico d'arte, critico della società, commentatore politico e viaggiatore-scrittore di libri di viaggi sui generis. I suoi articoli, che poi divennero libri, sui paesi e sulle regioni che visitò - la Sicilia, la Sardegna, la Germania e l'India - si rivelarono anche riflessioni sulla condizione dell'Italia. Questa raccolta di saggi è una rivalutazione della totalità delle opere di Carlo Levi.

Ponti: Italiano terzo millennio Sep 23 2020 Now featuring a brand-new design and integration of short film, the newly-revised **PONTI: ITALIANO TERZO MILLENNIO provides an up-to-date look at modern Italy, with a renewed focus on helping the second year student bridge the gap from the first year. With its innovative integration of cultural content and technology, the Third Edition encourages students to expand on chapter themes through web-based exploration and activities. Taking a strong communicative approach, the book's wealth of contextualized exercises and activities make it well suited to current teaching methodologies, and its emphasis on spoken and written communication ensures that students express themselves with confidence. Students will also have the chance to explore modern Italy with a cinematic eye through the inclusion of five exciting short films by Italian filmmakers. Audio and video files can now be found within the media enabled eBook. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.**

The Paradise of Dante Alighieri Dec 15 2019

Echoing Voices in Italian Literature Jan 28 2021 This collection of essays explores the reception of classics and translation from modern languages as two different, yet synergic, ways of engaging with literary canons and established traditions in 20th-century Italy. These two areas complement each other and equally contribute to shape several kinds of identities: authorial, literary, national and cultural. Foregrounding the transnational aspects of key concepts such as poetics, literary voice, canon and tradition, the book is intended for scholars and students of Italian literature and culture, classical reception and translation studies. With its two shifting focuses, on forms of classical tradition and forms of literary translation, the volume brings to the fore new configurations of 20th-century literature, culture and thought.

Liver Growth and Repair Apr 18 2020 Nelson Fausto The Greek myth of Prometheus with its picture of a vulture feasting on its chained victim has traditionally provided a visual image of liver regeneration. It is a powerful and frightening representation but if one were to substitute the vulture by a surgeon and Prometheus by a patient laying on a properly prepared operating table, the outcome of the procedure would not differ significantly from that described by Greek poets. Yet few of us who work in the field have stopped long enough to ask where this myth originated. Did the poet observe a case of liver regeneration in a human being? Was it brilliant intuition or perhaps, literally, just a 'gut feeling' of a poet looking for good rhymes that led to the prediction that livers grow when part of the tissue is removed? This book does not attempt to solve these historical issues. It does, instead, cover in detail some of the major modern themes of research on liver regeneration, injury and repair. As indicated in Dr. N. Bucher's chapter, the modern phase of experimental studies on liver regeneration started in 1931 with the publication by Higgins and Anderson of a method to perform a two-thirds resection of the liver of a rat. The technique described has 3 remarkable features: 1) it is highly reproducible, resulting in the removal of 68% of the liver, 2) it has minimal if any mortality, and 3) it consists only of blood vessel ligation and does not involve cutting through or wounding hepatic tissue.

Beyond "Life is Beautiful" Feb 26 2021 Russo Bullaro's collection focuses on Benigni's Oscar winning La vita e bella/Life is Beautiful, a film which has set off continuous and often bitter debate about Holocaust representation and historical consciousness. The topics covered in Russo Bullaro's collection offer insights from critics around the world in a forum for the consideration of the wider issues that Benigni's films provoke.

Atti del Convegno Rileggere il Laterano Antico. Il rilievo 3D dell'Ospedale San Giovanni - Work in progress. 29 novembre 2018 - Sala Folchi, Presidio Ospedaliero San Giovanni / Proceedings of the Conference Reassessing the Ancient Lateran. The 3D Survey of the San Giovanni Hospital - Work in Progress. November 29, 2018 - Folchi Room, Addolorata Hospital Unit Jul 22 2020 Il Convegno nasce come espressione della volontà della Soprintendenza Speciale Archeologica Beni Artistici e del Paesaggio di Roma, condivisa con questa Azienda, di ampliare le conoscenze sugli ipogei, che insistono al di sotto dei nostri Presidi Ospedalieri, in relazione e

in analogia a quanto già condotto in precedenza, presso l'area di insediamento della Basilica Costantiniana, intitolata al Santissimo Salvatore, e le aree adiacenti, sulle quali vennero edificate tutte le altre strutture a compimento del Patriarchio, sin dal IV sec. d.C. La sopra citata volontà si è concretizzata con una apposita Convenzione, sottoscritta nel febbraio del 2018, che ha ritenuto di coinvolgere studiosi, appartenenti a prestigiose Università Italiane ed Internazionali, i cui attori principali erano quelli che fino ad allora avevano già dato il loro massimo contributo di alto valore scientifico, sia sull' Area Lateranense sia nell'area di competenza dell'Antico Ospedale. The Conference came about as the expression of the desire of the Soprintendenza Speciale Archeologica Beni Artistici e del Paesaggio for Rome, a desire which our Administration also shared, to expand knowledge of the underground remains that stand below our hospital buildings, in relation to, and in analogy with, the work already done in the past, near the area where the Constantinian Basilica stood, which was dedicated to the Most Holy Saviour, and the adjacent areas, on which were built all the other structures to complete the Patriarchio, ever since the 4th century AD. This aforementioned desire took concrete shape with a special Agreement, signed up to in February 2018, which set out to involve academics from prestigious Universities, in Italy and abroad. The main players in this Agreement were the same ones who, up until that time, had already made their biggest contribution, of high scientific value, both in the Lateran Area and in the area pertaining to the Ancient Hospital itself.

Between past and future the mission of the catholic church in Asia: the contribution of Sophia University 14/15 Marzo 2014 Jun 20 2020 Nella Pontificia Università Gregoriana si svolgono, nell'arco dell'anno universitario, molteplici eventi, soprattutto di natura accademica, ma anche di grande rilevanza religiosa, culturale e sociale. In collegamento con la rivista Gregorianum, questa collana raccoglie i testi degli interventi pronunciati durante gli eventi più significativi per metterli a disposizione di tutti. At the Pontifical Gregorian University, various events are held, throughout the academic year, mainly of a scholarly nature, but also of notable religious, social or cultural relevance. In cooperation with the journal Gregorianum, this series publishes the texts of the papers given during the most significant of these events, thus making them available to all

Das Transzendente und die praktische Philosophie Sep 16 2022 Der vorliegende Band befasst sich zentral mit dem Problem der Anwendung der Transzendentalphilosophie auf die praktische Philosophie. Zu Ehren von Marco Ivaldo haben sich einige der führenden Fichte-Interpreten zusammengesetzt, um das Thema diachronisch zu behandeln. Angefangen bei Kant bis hin zur zeitgenössischen Philosophie werden einige der philosophischen Hauptpositionen (Kant, Fichte, Hegel, Husserl, Deleuze und viele weitere) auf ihre Verträglichkeit mit dem transzendentalphilosophischen Ansatz in praktischer Hinsicht geprüft.***The present volume deals with the problem of the application of transcendental philosophy to practical philosophy. In honour of Marco Ivaldo, some of the leading experts on Fichte have teamed up to treat the subject diachronically. From Kant to contemporary philosophy, some of the main philosophical positions (Kant, Fichte, Hegel, Husserl, Deleuze, and many others) are examined in view of their compatibility with the transcendental-philosophical approach in a practical way.**

***Image, Eye and Art in Calvino Nov 13 2019* Few recent writers have been as interested in the cross-over between texts and visual art as Italo Calvino (1923-85). Involved for most of his life in the publishing industry, he took as much interest in the visual as in the textual aspects of his own and other writers' books. In this volume twenty international Calvino experts, including Barenghi, Battistini, Belpoliti, Hofstadter, Ricci, Scarpa and others, consider the many facets of the interplay between the visual and textual in Calvino's works, from the use of colours in his fiction to the influence of cartoons, from the graphic qualities of the book covers themselves to the significance of photography and landscape in his fiction and non-fiction. The volume is appropriately illustrated with images evoked by Calvino's major texts.**
