Get Through MRCOG Part 2: Short Answer Questions is an essential revision guide for candidates preparing for the MRCOG Part 2 exam. This comprehensive collection of practice Short Answer Questions (SAQs) is designed to help candidates test and assess their own knowledge, aiding thorough preparation for the exam. The book opens with an introduction to the exam and includes advice on how to prepare for it, information on what to expect, and guidance on how to write excellent answers. This is followed by two sections: the first provides a wide range of SAQs divided into obstetric and gynaecological topics, and the second presents six practice exams set out in the format of the actual exam. For each question, the authors highlight the key words in the question, followed by a brief essay plan and then give a worked example answer. The specimen answers indicate how many marks the candidate would obtain for each point made, and are supplemented with valuable extra information and further reading, to enhance understanding and aid further revision. A collection of approximately 100 short essay questions in 10 papers with model answers for the new MRCOG part 2 examination. Also includes a chapter which explains the OSCE and how to prepare for it. The examination for Membership of the Royal College of Obstetricians and Gynaecologists (MRCOG) remains one of the most internationally recognised postgraduate examinations in the specialty. Over the years, the examination has evolved in keeping with changes in medical education; the Part 3 examination now consists of 14 tasks, each covering one of the 14 core modules in the curriculum and assessing specific skills which may include all or some of Information Gathering, Communication with Patients and Families, Communication with Colleagues, Patient Safety, and Applied Clinical Knowledge. This invaluable resource consists of analyses of different aspects of what is being tested, with general advice on how to prepare for the examination and discussion of the reasons why trainees fail the examination. There follow four sample 'papers' of tasks; in each of them, attempts have been made to cover all 14 modules in the core curriculum. There is also an additional paper with random tasks to help with preparation. This excellent review guide contains 500 questions and answers organized by the 12 topics covered on Part 1 of the MRCOG examination. Also provides advice on how to approach the exam, and an appendix featuring Detailed Instructions for the Multiple Choice Question Papers issued by the RCOG. Written by a distinguished team of authors. The examination for Membership of the Royal College of Obstetricians and Gynaecologists (MRCOG) remains one of the most internationally recognised postgraduate examinations in the specialty. Over the years, the examination has evolved in keeping with changes in medical education; the Part 3 examination now consists of 14 tasks, each covering one of the 14 core modules in the curriculum and assessing specific skills which may include all or some of Information Gathering, Communication with Patients and Families, Communication with Colleagues, Patient Safety, and Applied Clinical Knowledge. This invaluable resource consists of analyses of different aspects of what is being tested, with general advice on how to prepare for the examination and discussion of the reasons why trainees fail the examination. There follow four sample 'papers' of tasks; in each of them, attempts have been made to cover all 14 modules in the core curriculum. There is also an additional paper with random tasks to help with preparation. Features 100 short essay questions on commonly examined topics from the syllabus, which are accompanied by answers presented as essay plans. In each answer, the authors have included salient points, in list form, and have indicated a mark for each point. Reflecting recent changes to the exam, MRCOG Part 2: 500 SBAs and EMQs, Second Edition has been completely updated to include questions and answers in the new SBA format. With over 50% new content, MRCOG Part 2: 500 SBAs and EMQs offers the most up-to-date and comprehensive set of practice questions for trainees preparing for the MRCOG Part 2 exam. Chapters are mapped to the syllabus to deliver structured revision in all the key topics tested in the exam. Featuring a wealth of practice questions and fully descriptive answers, this book provides the essential revision text to maximise chances of exam success. Key Points 500 questions, comprising 250 SBAs and 250 EMQs, reflecting the breadth of topics encountered in the actual exam Questions structured around MRCOG syllabus core modules, ensuring complete coverage for the exam Answers feature concise descriptions to consolidate knowledge and understanding Extensive evidence-based referencing to relate theory to clinical practice Visually-enhanced answers to improve understanding of key concepts Practice Single Best Answer Questions: MRCOG Part 2 is an ideal revision resource for the new SBA format MRCOG Part 2 exam. Chapter eight consists of a complete practice SBA paper of 50 questions, to be taken under examination conditions. All chapters provide references for further reading to help MRCOG candidates prepare for the Part 2 exam. There are few up to date EMQ revision books for the MRCOG Part 2 exam. With this book, the follow up to their 'SBAs for the MRCOG Part 2' the authors have written current material, provided in a simple format. Thorough explanations and contemporary references are given for each answer, to help the reader maximize their study time, and to offer guidance to further relevant revision sources. The book is divided into an obstetric section and a gynaecology section, with each containing two complete exam papers of 50 questions in each section. The questions can be used either throughout revision preparation or as mock papers to be fully rehearsed and prepared prior to the exam day. We hope that this up to date EMQ exam preparation book will assist your learning in the great challenge of successfully passing the Part 2. Modelled on the current MRCOG syllabus, this book has been carefully designed to assist the candidate in preparation for the short essay paper of the written MRCOG Part 2 examinations. The book comprises three important elements. 1) An Introductory section outlining all the candidate needs to know when writing short essays - how to tackle the questions, how to structure the answers, how to search for evidence during revision and other advice and background information 2) A section of 10 practice papers comprising 50 questions in obstetrics and 50 in gynaecology, with comprehensive answers indicating specific points where marks are allocated 3) A section of 5 practice papers for candidates to test themselves under mock examination conditions In this way, the text provides the candidate with a firm grounding in examination principles and techniques, relevant to both the short essay paper and other components of the MRCOG Part 2 examination. With core areas of the syllabus firmly in mind, and a generous number of practice papers included this will be an invaluable guide to all those in preparation for the MRCOG Part 2 examination. Written by two experienced RCOG examiners, both of whom have been involved in the development of the new Part 3 MRCOG examination, this book is essential reading for any trainee preparing to sit the exam. The authors clearly describe the breadth and depth of the curriculum modules and the professional behaviours that will be assessed in the five clinical skills domains. The text includes written examples of every module, links to eight videos showing candidates attempting four real Part 3 tasks, examiners' comments, and a detailed discussion of each example. The content will help candidates understand what is required to pass the examination and how to demonstrate their knowledge and skills to best effect. The book will also be useful for trainers preparing their trainees for the new exam. Based on the principles of good medical practice, there are practical tips here for doctors and obstetricians at all levels. This book provides comprehensive coverage of both papers of the MRCOG 2. Features a complete written exam paper, two sections of practice questions covering gynaecology and obstetrics, and 32 essays with structured responses split evenly across gynaecology and obstetrics. Includes a separate section on how to prepare for the oral OSCE examination features 24 commonly-presented clinical scenarios split between obstetrics and gynaecology. Obstetrics is a new e-book presenting a collection of key articles from Obstetrics, Gynaecology and Reproductive Medicine, mapped by module to the MRCOG Part 2 exam. As well as mapping to the MRCOG, the Inkling version of this e-book also enables anyone with a short-term interest in a specific area to buy individual articles at a price-point which will give affordable access to all readers (from medical students to GPs and practitioners in related areas, such as genitourinary medicine). Inkling's app-like quality of user experience on mobiles, tablets and laptops will be an added bonus for learning on the move. As well as being vital preparation for the MRCOG exam, this material is also ideal

for life-long learning, CPD and, indeed, preparation for all post-graduate exams in obstetrics (not just MRCOG), including especially the new EBCOG exam in Europe and local college exams in India, the Middle East and Africa. The parent journal is a rolling, continuously updated review of obstetrics over a three-year cycle covering all the important topics for the MRCOG Part 2 exam. Its Editorial Board comprises some of Europe's most influential specialists and includes, among others, the current Presidents of FIGO and EBCOG, as well as the past President of the Royal College of Obstetrics and Gynaecology. The journal's articles are refreshed, updated, augmented or replaced as appropriate each time the subject is due for revision to provide a concise overview of knowledge and practice core to the curriculum. Each article is written by invited experts and overseen by the relevant subject specialist on the Board. There is a trainee on the Board too, ensuring relevance and accessibility to exam candidates. Inkling version gives a highly attractive, app-like user experience, enabling much easier, more pleasurable use of the content on smartphones, tablets and laptops for learning on the move. Affordable chapter-level purchase on Inkling version opens out the journal's authority and expertise to all interested users (medical students, family clinicians, genitourinary specialists and all other related specialties). Derived from top-notch authoritative content from the OGRM journal. Overseen by a world-class Editorial Board of experts, which includes the Presidents of FIGO, EBCOG and past President of the RCOG. A trainee representative on the Editorial Board ensures relevance and accessibility for exam candidates. Relevant to all post-graduate exams, including the new EBCOG exam and college exams in India, the Middle East and Africa. Highly appropriate content for life-long learning, personal development portfolios and CPD. The Part 2 MRCOG consists of three question formats: multiple choice questions (MCQs), extended matching questions (EMQs) and short answer questions (SAQs). This book provides a verbatim transcript for the MCQ element of each of the 10 papers set between 1997 and 2001, giving candidates the opportunity to test their knowledge and preparedness for the examination against real questions. SBA Questions for the Part 2 MRCOG is a valuable preparation resource aimed at those specialising in obstetrics and gynaecology who are planning to take the Part 2 MRCOG examination. It contains two hundred practice single best answer questions written by MRCOG question writers, with accompanying explanations and references. It also contains an introduction to the new format of the examination and the rationale for the changes. The first section consists of two hundred single best answers allowing the reader to test their knowledge. The second section lists the correct response accompanied by an explanation and suggestions for further reading. SBA Questions for the Part 2 MRCOG is the only official preparation book produced by the RCOG and is therefore essential reading for candidates sitting this examination in its new format. Modelled on the current MRCOG syllabus, this book has been carefully designed to assist the candidate in preparation for the short essay paper of the written MRCOG Part 2 examinations. The book comprises three important elements. 1) An Introductory section outlining all the candidate needs to know when writing short essays - how to tackle the questions, how to structure the answers, how to search for evidence during revision and other advice and background information 2) A section of 10 practice papers comprising 50 questions in obstetrics and 50 in gynaecology, with comprehensive answers indicating specific points where marks are allocated 3) A section of 5 practice papers for candidates to test themselves under mock examination conditions In this way, the text provides the candidate with a firm grounding in examination principles and techniques, relevant to both the short essay paper and other components of the MRCOG Part 2 examination. With core areas of the syllabus firmly in mind, and a generous number of practice papers included this will be an invaluable guide to all those in preparation for the MRCOG Part 2 examination. This book is a comprehensive collection of questions in the "single best answer (SBA)" format for the MRCOG2 theory exam. This new format has been introduced in the exam paper from March 2015 and most candidates are still getting used to the change. This book will provide them ample opportunity to familiarize themselves with the concept and then practice answering the questions based on almost all subjects included in the MRCOG 2 theory syllabus. Preparing for the MRCOG2 exam is a daunting task for all Obstetrics and Gynecology doctors. The college constantly reforms the exam structure in an effort to optimize the evaluation process. The endeavor of the authors is to equip the candidates with a vision of the holistic nature of the exam so that they master the art of answering SBA questions. Passing the MRCOG Part 2 exam is essential to complete further training in O&G, both in the UK and for many doctors across the world. There are two annual sittings in the UK, plus the candidates sitting in Bangladesh, Egypt, Hong Kong, India, Iraq, Jordan, Malaysia, Pakistan, Saudi Arabia, Sudan, UAE, West Indies and China. It is a notoriously difficult exam, with a pass rate of c. 20%. From March 2015 there will be a change to one of the two written papers for MRCOG Part 2. Single best answer questions (SBAs) a new format – worth 40% of the total Part 2 mark. This book consists of 200 questions in the new SBA exam format, and will present a question followed by a detailed answer and feedback. Reflecting the new exam format, MRCOG PART 1: 550 SBAs AND MCQs offers the most up-to-date and comprehensive coverage of practice questions, for trainees preparing for the MRCOG Part 1 exam. Presented in a clear layout, chapters are mapped to the syllabus to deliver structured revision in all the key topics. Featuring a wealth of practice questions and fully descriptive answers, this book provides the essential revision text to maximise chances of exam success. 550 questions, reflecting the breadth of topics encountered in the actual exam Answers feature concise descriptions to consolidate knowledge and understanding Extensive evidence-based referencing to relate theory to clinical practice Includes two complete mock papers to practice and improve exam technique Visually-enhanced answers to improve understanding of key concepts The examination for Membership of the Royal College of Obstetricians and Gynaecologists (MRCOG) remains one of the most internationally recognised postgraduate examinations in the specialty. Over the years, the examination has evolved in keeping with changes in medical education; the Part 2 examination now consists of two papers made up of Single Best Answer (SBA) questions and Extended Matching Questions (EMQ). This invaluable resource consists of 400 SBA questions (200 in Obstetrics and 200 in Gynaecology), followed by 400 EMQs (200 in Obstetrics and 200 in Gynaecology), grouped into papers, to provide enough material to guide preparations and to give some practice experience of the examination formats. All the questions have answers with explanations and sources of evidence. In preparing for the examination, candidates should make repeated references to these sources of evidence. There is also general advice on how to prepare for the examination and discussion of the reasons why trainees fail the examination. Get Through MRCOG Part 1, Second Edition, provides a selection of questions covering the basic and applied sciences relevant to the clinical practice of obstetrics and gynaecology and mapped to the RCOG Knowledge Areas in the MCQ style. Researched by a dedicated team of Obstetric and gynaecology specialists, after months of revising question here are the answers. Keeping in mind the changed format of the MRCOG examination, the author modified and updated the presentation of essays to make it more reader friendly. Beside MRCOG, postgraduate students appearing for Diploma, National board and MD examinations may find it useful. Important points for the general understanding, MCQs and EMQs have been incorporated at the end of each essay and all possible care has been taken to verify the accuracy of course content. This concise revision text brings together the fundamentals of the basic sciences required for Obstetrics and Gynaecology trainees to pass the MRCOG Part 1 exam. A note-style format and over 100 illustrations make this the ideal revision guide to passing the exam. This book provides advice and sample questions for the Part 1 MRCOG examination. Get Through MRCOG Part 2: MCQs covers the breadth and depth of the MRCOG Part 2 examination syllabus and is an essential revision tool for candidates preparing for this examination. The comprehensive and wide collection of practice questions is designed to help the candidate test and assess their knowledge of the subject, aiding them in thorough preparation for the exam. The text contains 750 multiple choice stems, each with around four associated questions, providing the reader with a total of 3000 individual questions with which to test themselves. The material is divided up by subject area, allowing candidates to test their knowledge on a particular topic. The 13 'modules' are followed by two mock papers, each containing a selection of questions on different subject areas, which the reader can attempt under timed conditions. Answers are provided, with useful explanatory information for all questions to help the reader understand why their answer is right or wrong. The author, Paul Ayuk, was clinical lecturer in obstetrics and gynaecology at Oxford University for 6 years and has run an on-line MRCOG course for over 5 years, assisting over 8000 candidates worldwide. The author, Paul Ayuk, was clinical lecturer in obstetrics and gynaecology at Oxford University for 6 years and has run an on-line MRCOG course for over 5 years, assisting over 8000 candidates worldwide. A fully updated and illustrated handbook providing comprehensive coverage of all curriculum areas covered by the MRCOG Part 1 examination. From September 2007 the MRCOG Part 1 Exam has featured EMQs. This text will help trainees to prepare effectively for this portion of the exam. The text covers information on how to answer EMQs as well as sample answers. Achieved Highly Commended in the 2009 BMA Book Awards The MRCOG Part 2 clinical OSCE examination is the last hurdle candidates have to climb to achieve the

prestigious Membership of the Royal College of Obstetrics and Gynaecology. The examination tests a wide range of clinical skills and techniques, and successful completion requires thorough preparation. Get Through MRCOG Part 2: OSCE offers a uniquely systematic, comprehensive and focused approach to preparation for this exam. The first part of the book is divided by the areas that the OSCE stations are designed to test, for example, 'History and management', 'Counselling and breaking bad news' and 'Emergencies'. Each of these chapters begins with a description of what the station is testing and what approaches and preparation are required, supplemented where necessary by tips boxes and figures. This is followed, in every chapter, by thoroughly worked practice questions based upon the current exam, plus a summary box and list of references and resources. Two practice examination 'circuits', with fully worked questions and answers, are provided at the end of the book so candidates can test what they have learnt. With invaluable practical advice on techniques, as well as more traditional worked examples and practice papers, Get Through MRCOG Part 2: OSCE brings a truly unique approach to this examination and will be an essential revision guide for all MRCOG Part 2 candidates. MRCOG Short Essay Questions is the essential aid for all trainees studying for the membership examination of the Royal College of Obstetricians and Gynaecologists. This book contains 150 short essay questions, clearly structured to facilitate both learning and practice. Questions are divided primarily into obstetrics and gynaecology and secondly by main topics such as infertility, operative gynaecology and antenatal care. The answers are written in the form of bullet points; a format that not only clearly identifies the key points but also emulates the structure of the model answers given to the examiners by the RCOG. Khaldoun Sharif is a consultant in obstetrics and gynaecology at the Birmingham Women's Hospital, and has a proven track record as an author of MRCOG revision books. His co-author, Parveen Abedin recently passed the examination and has therefore provided invaluable insights that have ensured the content is both appropriate and up-to-date. The Part 1 MRCOG covers basic science knowledge as it applies to obstetrics and gynaecology. There are two papers, both of which contain a mixture of single best answer questions (SBAs) and multiple choice questions (MCQs). This book provides a verbatim transcript for the MCQ element of each of the 10 papers set between 1997 and 2001, giving candidates the opportunity to test their knowledge and preparedness for the examination against real questions. This time honoured classic has been re-built completely: after six editions the editor has decided that a radical revision is necessary. The new edition has been developed as a result of intensive consultation with trainees in OB/GYN as to what they want, what they need and how they learn. The book is organised into two halves covering obstetrics and gynaecology. Within each, the chapters are structured into sections containing pedagogic features such as boxes, highlights and key points for the first time. It contains everything the clinician needs to practice the art of obstetrics and gynaecology and sufficient information to help sub-specialists develop their specific interests. This text is recommended reading for the Royal College of Obstetrics and Gynaecology membership examination. This seventh edition contains 21 new chapters: Anatomy of the Pelvis and Reproductive Tract Placenta and Fetal Membranes Antenatal Care Anaesthesia and Analgesia Recurrent Miscarriage Ectopic Pregnancy Trophoblastic Disease Genetics and Prenatal Diagnosis Drugs and Pregnancy Obstetric Emergencies Prolonged Pregnancy Renal Disease Termination of Pregnancy Imaging in Gynaecology PMS Assisted Reproduction Hysteroscopy and Laparoscopy Sexual Dysfunction Psychological Aspects of Pregnancy Domestic Violence and Sexual Assault - now on MRCOG curriculum Ethical Dilemmas This seventh edition has been significantly updated with a wider range of internationally renowned contributors who are all experts in their field, bringing this book to the cutting edge of knowledge in obstetrics and gynaecology. "It was my favourite textbook when I was working for my examinations and I am still using it. I can recommend this edition to current trainees wholeheartedly. It is certainly worth buying." Journal of Obstetrics and Gynaecology Gynaecology is a new e-book presenting a collection of key articles from Obstetrics, Gynaecology and Reproductive Medicine, mapped by module to the MRCOG Part 2 exam. As well as mapping to the MRCOG, the Inkling version of this e-book also enables anyone with a short-term interest in a specific area to buy individual articles at a price-point which will give affordable access to all readers (from medical students to GPs and practitioners in related areas, such as genitourinary medicine). Inkling's app-like quality of user experience on mobiles, tablets and laptops will be an added bonus for learning on the move. As well as being vital preparation for the MRCOG exam, this material is also ideal for life-long learning, CPD and, indeed, preparation for all post-graduate exams in obstetrics (not just MRCOG), including especially the new EBCOG exam in Europe and local college exams in India, the Middle East and Africa. The parent journal is a rolling, continuously updated review of gynaecology over a three-year cycle covering all the important topics for the MRCOG Part 2 exam. Its Editorial Board comprises some of Europe's most influential specialists and includes, among others, the current Presidents of FIGO and EBCOG, as well as the past President of the Royal College of Obstetrics and Gynaecology. The journal's articles are refreshed, updated, augmented or replaced as appropriate each time the subject is due for revision to provide a concise overview of knowledge and practice core to the curriculum.
