A Guide to Shaktipat Jul 22 2020 Dialogues on the process of awakening shakti towards inner consciousness while performing Yoga. *Isaavaasya Upanishat* Aug 03 2021 Isaavaasya Upanishat is a small text forming part of Vajasaneya Samhita of Shukla Yajurveda. Swayambhuva Manu is its discoverer and the Yajna form of Vishnu is its presiding deity. Though small in size, it speaks of the core vedic philosophy in clear terms as it explains the nature of God, his omnipresence, his supremacy, how he controls everything and so on. It speaks of performance of karma as a sine-qua-non for staying away from sins. It lays a lot of emphasis on proper understanding and the disaster one could face in practicing philosophy without a proper understanding. The prayer part is very clear in explaining the attributes of God. In all, it forms a good read and a perfect guide for upaasana. Vedic texts are subjected to various interpretations. The main streams of such interpretations are "advaita", "vishishtadvaita " and "dvaita" spearheaded by Sri Sankaracharya, Sri Ramanujacharya and Sri Madhwacharya respectively. The intent of this book is to bring all the three versions of interpretations of this upanishad to the readers at one place to facilitate a comparative reading for the English knowing public. The original texts have been provided here "as they are", to present the authenticity and to facilitate a clarification through other sources, wherever found necessary.

Journey Beyond Love Apr 30 2021 'It is necessary to know about functionality of your

physiological and psychological body parts in order to have any wholesome understanding about your life.' Does this statement have any meaning for you? If being wholesome is being holy then what is the Journey to it? In all the cultures of the world but Hinduism, there is no concept of rebirth. Only an Indian has to work for stopping his cycle of rebirths. Does liberation come to all people but Indians automatically? Is it so that what is almost impossible to achieve for an Indian, is most certainly, available to all non-Indians? What is the life beyond love?

Brihat Parasara Hora Sastra Volume 2 Jul 02 2021 The most ancient scripture giving the very fundamental principles of vedic astrology as expounded by Maharishi Parasara versatile, and yet compact to comprehend. It touches upon the very basic as well as complexed dimensions of astrology. Also deals with every perceptible event, subject and attribute. It is for these special features that it is reckoned as the fountain head of vedic astrology.

The Power of Good People Nov 13 2019 Para was barely five years old when civil war erupted in Sri Lanka. Nearly three decades later it ended in appalling horror and bloodshed. Tens of thousands of innocent civilians died. Survival required courage, ingenuity — and the kindness of strangers. This is Para's story of survival against all odds. In May 2009, Sri Lanka's long and dreadful civil war was finally brought to an horrific end. Ruthlessly driven to a small strip of land on the tip of the island's north-east coast, tens of thousands of innocent civilians died, smashed by artillery, killed by snipers, denied medical treatment, and starved to death beneath the baking sun. This ferocious battle consolidated and highlighted the terrors of the preceding twenty-six years of war, characterised by vicious murders and desperate acts from both sides, where civilians were bombarded, kidnapped, raped, and tortured with impunity. In such a vicious war, was there any room for humanity? Para Paheer's story could be one of tens of thousands, except that he lived to tell the world of the horrors; but more importantly, to record and pay tribute to those courageous people without whom he would probably not be alive. I know that I would not have survived without help from many people. Many put themselves in danger and at least one person died for me. It's time for me to remember them, and to thank them ... all the good people who helped me through those terrifying times when life was hard, and survival often only a matter of chance. While in Christmas Island Detention Centre, Para became penfriends with Alison Corke, a member of the Apollo Bay branch of Rural Australians for Refugees, in Victoria. On his release from detention in 2011, Para moved in with the Corke family. "From our first letters, exchanged while Para was in detention and trying to improve his English, I knew he was an exceptional young man, with an astonishing tale to tell. I am proud to be helping him share his story and to find and thank those people who helped him survive, often against massive odds ... Time and again, Para and I agreed that it is the little things that matter most — those small, often unremembered acts of kindness that can change someone's world. We all have the power to do something; only we can choose whether to use that power for the good."

How to Steal a City Dec 15 2019 'In March 2015, I was tasked by Pravin Gordhan, the minister responsible for local government, to root out corruption in the Nelson Mandela Bay municipality in the Eastern Cape. Over the following eighteen months, I led the investigations and orchestrated the crackdown as the "hatchet man" for the metro's new Mayor, Danny Jordaan. This is my account of kickbacks, rigged contracts and a political party at war with itself.' How to Steal a City is the gripping insider account of this intervention, which lays bare how Nelson Mandela Bay metro was bled dry by criminal syndicates, and how factional politics within the ruling party abetted that corruption. As a former senior state official and local government 'fixer', Crispian Olver was no stranger to dodgy politicians and broken organisations. Yet what he found in Nelson Mandela Bay went far beyond rigged contracts, blatant conflicts of interest and garden-variety kickbacks. The city's administration had evolved into a sophisticated web of front companies, criminal syndicates and compromised local politicians and officials. The metro was effectively controlled by a criminal network closely allied to a dominant local ANC faction. What Olver found was complete state capture - a microcosm of what has taken place in national government. Olver and his team initiated a clean-up of the administration, clearing out corrupt officials and rebuilding public trust. Then came the ANC's doomed campaign for the August 2016 local government elections. Having lost its way in factional battles and corruption, the divided party went down to a humiliating defeat in its traditional heartland. Olver paid a high price for his work in Nelson Mandela Bay. Intense political pressure and even threats to his personal safety took a toll on his mental and physical health. When his political support was withdrawn, he had to flee the city as the forces stacked against him took their revenge. This is his story.

The Death Impossible May 12 2022 Jeeva

understands he is not ordinary. He is indeed born with an intense congenital drive to kill a bizarre wily black lord. The drive in fact is running him extremely mad that without killing him or possibly killed in his arms, he could be no normal. But, in order to kill the enemy 'He must be dead still come out alive, he must marry a girl, mingle with her physically, still emerge out virgin.' The prophecy demands even more. On one side were the crazy droves believing him as their saviour and on the other side was the troop of toxic demons wanting to ridicule him, to kill him. Whether Jeeva was able to accomplish the task or failed in the attempt...?
