Texas Driver Oct 05 2021 In some instances, the Texas Department of Public Safety may require new to state drivers to take the DPS written test in order to receive a Texas driver's license. If your driver's license expires, the DPS will also require you to take the written test in order to receive a new driver's license. Students in either the parent taught or adult driving course must complete the first six hours of online training. They must then pass the Texas written driving test before applying for a Texas learner's permit. For adults, the course consists of six hours, so the student simply takes the written test in the online course.
