Rock-a My Soul * Sakura * Scher Piano/Keyboard Methods/Series The interest in piano and the desire to play, has increased tremendously in the past few years. Especially is this noticeable among adults who have either had some elementary piano instruction in their youth or have been denied this study for various reasons. This increased interest is partly due to the widespread influence of radio. Hearing music almost daily has become an integral part of our lives and it is this constant influence which has awakened a keen and natural desire to become an active participant. It is to the furtherance and stimulation of this natural desire that this course was planned. The adult approach has been kept constantly in mind, however not to the exclusion of certain basic principles which are necessary in order to make rapid and satisfactory progress. The logical and stepwise manner of progression in this course should prove of inestimable aid to both the student and teacher. A very popular middle C approach that develops in a methodical manner. Not only a treat to the ear but the illustrations are a delight to the eye! This book teaches sight reading in a systematic way by creating exercises based on the same concepts that the student is studying in the Lesson Book. Exercises are short and the music is generally easier than correlating pages in the Lesson Book. "Beautifully presented and intelligently paced, the Lesson Books combine unusually attractive music and lyrics. The books feature note reading, rhythm reading, sight-reading and technical workouts. Each piece on the CD was recorded at a performance tempo and a slower practice tempo. In the Theory Book, each new musical concept is reinforced through fun-filled writing, listening and playing exercises. With games and puzzles added to compositional and creative activities, students retain concepts more easily and learn more thoroughly. The appealing repertoire with charming lyrics in the Performance Book & CD further reinforces and enhances the learning of new musical concepts introduced in the Lesson Book. Includes attractive music created by internationally acclaimed composers in a variety of styles, plus tips on how to perform more musically"--Shop for museum piano website. In this remarkable memoir, Anna Goldsworthy recalls her first steps towards a life in music, from childhood piano lessons with a local jazz muso to international success as a concert pianist. As she discovers passion and ambition, and confronts doubt and disappointment, she learns about much more than tone and technique. This is a story of the getting of wisdom, tender and bittersweet. With wit and affection, Goldsworthy captures the hopes and uncertainties of youth, the fear and exhilaration of performing, and the complex bonds between teacher and student. An unforgettable cast of characters joins her: her family; her friends and rivals; and her teacher, Mrs Sivan, who inspires and challenges her in equal measure, and who transforms what seems an impossible dream into something real and sustaining. The appealing repertoire with charming lyrics further reinforces and enhances the learning of new musical concepts introduced in the Lesson Book. Includes attractive music created by internationally acclaimed composers in a variety of styles, plus tips on how to perform more musically. "In this book, as with those that follow, the subjects dealt with are covered in a clear and complete manner. The musical exercises lie under the hands, and "music writing games" add to musical knowledge. A final checkup reviews the work and ground covered in each book ..."--Page 5. (Faber Piano Adventures). Written for ages 5 and 6, My First Piano Adventure captures the child's playful spirit. Fun-filled songs, rhythm games and technique activities develop beginning keyboard skills. Three distinguishing features of the Lesson Book A make it unique and effective for the young 5-6 year old beginner. 1. A strong focus on technique embedded in the book through playful technique games, chants, and carefully-composed pieces that gently lead the child into pianistic motions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the

piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5-6 year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces and activities in the books. 3. The fanciful art features five multi-cultural children who are also learning to play. These friends at the piano introduce basic rhythms, white key names, and a variety of white and black-key songs that span classical, folk, and blues. Young students will listen, sing, create, and play more musically with Nancy and Randall Faber's *My First Piano Adventure, Lesson Book A*. The Lesson Book introduces directional pre-reading, elementary music theory and technique with engaging songs, games, and creative discovery at the keyboard. Young students will enjoy the multi-cultural "friends at the piano" who introduce white-key names, basic rhythms, and a variety of songs which span classical, folk, and blues. Ear-training and eye-training are also part of the curriculum. The Fabers' instructional theory "ACE" - Analysis, Creativity, and Expression, guides the pedagogy of *My First Piano Adventure*. Analysis leads to understanding, creativity leads to self-discovery, and expression develops personal artistry. The CD for this book offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically. [View Helpful Introductory Videos Here](#)

The comb binding creates a lay-flat book that is perfect for study and performance. The CD includes dynamic recordings of all 45 songs in the book. Piano Lessons is Noah Adams's delightful and moving chronicle of his fifty-second year--a year already filled with long, fast workdays and too little spare time--as he answers at last a lifelong call: to learn to play the piano. The twelve monthly chapters span from January--when after decades of growing affection for keyboard artists and artisans he finally plunges in and buys a piano--through December, when as a surprise Christmas present for his wife he dresses in a tuxedo and, in flickering candlelight, snow falling outside the windows, he attempts their favorite piece of music, a difficult third-year composition he's been struggling with in secret to get to this very moment. Among the up-tempo triumphs and unexpected setbacks, Noah Adams interweaves the rich history and folklore that surround the piano. And along the way, set between the ragtime rhythms and boogie-woogie beats, there are encounters with--and insights from--masters of the keyboard, from Glenn Gould and Leon Fleisher ("I was a bit embarrassed," he writes; "telling Leon Fleisher about my ambitions for piano lessons is like telling Julia Child about plans to make toast in the morning") to Dr. John and Tori Amos. As a storyteller, Noah Adams has perfect pitch. In the foreground here, like a familiar melody, are the challenges of learning a complex new skill as an adult, when enthusiasm meets the necessary repetition of tedious scales at the end of a twelve-hour workday. Lingering in the background, like a subtle bass line, are the quiet concerns of how we spend our time and how our priorities shift as we proceed through life. For Piano Lessons is really an adventure story filled with obstacles to overcome and grand leaps forward, eccentric geniuses and quiet moments of pre-dawn practice, as Noah Adams travels across country and keyboard, pursuing his dream and keeping the rhythm. This book begins with an extensive review of the chords and keys previously studied, using fresh and interesting material that will provide enjoyment as well as reinforcement. Particularly noteworthy is the systematic presentation of chords in all positions in both hands. NEW AND IMPROVED! Recently re-engraved and updated, John Thompson's Adult Piano Course was compiled with the mature student in mind. Adults have the same musical road to travel as the younger student, but the study material for a mature student will differ slightly in content. Since these beloved books were written and arranged especially for adults, they contain a wonderful mix of classical arrangements, well-known folk-tunes and outstanding originals that many will find a pleasure to learn and play. Most importantly, the student is always encouraged to play as artistically and with as much musical understanding as possible. The accompanying audio is accessed through Hal Leonard's popular MyLibrary system using the provided code. The audio can be streamed or downloaded and includes PLAYBACK+, a multi-functional audio

player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right. Alfred's Kid's Piano Course is the easiest piano method ever for kids ages 5 and up. Using plain language that's easy for kids to understand, three irresistible piano experts guide students along---a clever classical dog, one cool jazz cat, and a friendly alligator who loves the blues---they focus attention by pointing out what's important on each page and make learning music fun! Kids will learn to play notes and melodies, read music, and perform lots of fun songs. The complete edition combines levels 1 and 2 with the activity pages of the Notespeller, and includes accompanying MP3 CD so you always know how the music should sound. The disc includes beautiful recordings of all the music in the book and can be downloaded to your iPod(R) or other mp3 player. The DVD includes every lesson and example explained and played by expert teacher Gayle Kowalchyk. Ideal for home schooling. Continuing the incredible popularity of Alfred's Basic Adult Piano Course, this new book adapts the same friendly and informative style for adults who wish to teach themselves. With the study guide pages that have been added to introduce the music, it's almost like having a piano teacher beside you as you learn the skills needed to perform popular and familiar music. There are also five bonus pieces: At Last * Have Yourself a Merry Little Christmas * Laura * Over the Rainbow * Singin' in the Rain. Included is a recording containing the piano part and an engaging arrangement for each of the 65 musical examples. 192 pages. (Easy Piano Personality).
