**Awake in the Dark** Apr 17 2022 For nearly half

a century, Roger Ebert's wide knowledge, keen judgment, prodigious energy, and sharp sense of humor made him America's most renowned and beloved film critic. From Ebert's Pulitzer Prize to his star on the Hollywood Walk of Fame, from his astonishing output of daily reviews to his pioneering work on television with Gene Siskel, his was a career in cinema criticism without peer. Arriving fifty years after Ebert published his first film review in 1967, this second edition of *Awake in the Dark* collects Ebert's essential writings into a single, irresistible volume.

Featuring new Top Ten Lists and reviews of the years' finest films through 2012, this edition allows both fans and film buffs to bask in the best of an extraordinary lifetime's work.

Including reviews from *The Godfather* to *GoodFellas* and interviews with everyone from Martin Scorsese to Meryl Streep, as well as showcasing some of Ebert's most admired essays—among them a moving appreciation of John Cassavetes and a loving tribute to the

virtues of black-and-white films—Ebert's *Awake in the Dark* is a treasure trove not just for fans of this era-defining critic, but for anyone desiring a compulsively readable chronicle of the silver screen. Stretching from the dramatic rise of rebel Hollywood and the heyday of the auteur to the triumph of blockbuster films such as *Star Wars* and *Raiders of the Lost Ark*, to the indie revolution that is still with us today, *Awake in the Dark* reveals a writer whose exceptional intelligence and daily bursts of insight and enthusiasm helped shape the way we think about the movies. But more than this, *Awake in the Dark* is a celebration of Ebert's inimitable voice—a voice still cherished and missed.

**Culo by Mazzucco** Sep 29 2020 The World Is No Longer Flat Culo is an art, fashion, and pop-culture movement that defies all national, cultural, and linguistic boundaries. No matter if you were raised to call it derriere, tush, rear end, or booty, culo is the new epicenter of female sexuality, desire, and empowerment. Over the past decade, some of the world's most celebrated women have subtly shifted our long-

held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global love affair with culo is as much about the blending of African, Latin, European, and Asian beauty as it is about celebrating the female form's most coveted asset. Culo by Mazzucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, a diverse group of women—some already legendary, some about to become so—embody the spirit of culo and the start of a new era of beauty.

*Divine Stories* Mar 04 2021 Divine Stories is the inaugural volume in a landmark translation series devoted to making the wealth of classical Indian Buddhism accessible to modern readers. The stories here, among the first texts to be inscribed by Buddhists, highlight the moral economy of karma, illustrating how gestures of faith, especially offerings, can bring the reward of future happiness and ultimate liberation.

Originally contained in the Divyavadana, an enormous compendium of Sanskrit Buddhist narratives from the early Common Era, the stories in this collection express the moral and ethical impulses of Indian Buddhist thought and are a testament to the historical and social power of narrative. Long believed by followers to be the actual words of the Buddha himself, these divine stories are without a doubt some of the most influential stories in the history of Buddhism.
