Rodinsky's Room Aug 23 2020 Rodinsky's world was that of the East European Jewry, cabbalistic speculation, an obsession with language as code and terrible loss. He touched the imagination of artist Rachel Lichtenstein, whose grandparents had left Poland in the 1930s. This text weaves together Lichtenstein's quest for Rodinsky - which took her to Poland, to Israel and around Jewish London - with Iain Sinclair's meditations on her journey into her own past and on the Whitechapel he has reinvented in his own writing. Rodinsky's Room is a testament to a world that has all but vanished, a homage to a unique culture and way of life.

Naomi's Room Mar 18 2020 'A chilling story' -- Independent Charles and Laura live a sheltered, gilded life in the the privileged world of Cambridge academia: young and in love, their marriage is blessed by a wonderful child - Naomi. On Christmas Eve

morning, Charles sets off with Naomi on a shopping trip to London. By the end of the day, all Charles and his wife have left are cups of tea and police sympathy... Their beautiful, angelic only child, has disappeared. Days later her murdered body is discovered... but is she dead?

Rogers on Elections ... Oct 05 2021

Giovanni's Room Feb 21 2023 'Until I die there will be those moments, moments seeming to rise up out of the ground like Macbeth's witches, when his face will come before me, that face in all its changes, when the exact timbre of his voice and tricks of his speech will nearly burst my ears, when his smell will overpower my nostrils...' Giovanni's Room is set in the Paris of the 1950s, where a young American expatriate finds himself caught between his repressed desires and conventional morality. David has just proposed marriage to his American girlfriend, but while she is away on a trip he becomes involved in a doomed affair with a bartender named Giovanni. With sharp, probing insight, James Baldwin's classic narrative delves into the mystery of love and tells an impassioned, deeply moving story that reveals the unspoken complexities of the human heart.

Winter House May 20 2020 An American interior designer explains how to transform any home into a beautiful, comfortable winter space using simple decorating techniques and principles, with tips on furnishings, window treatments, fabrics, and accessories.

The Liar's Room Dec 07 2021 A new spine-tingling thriller from the author of The New Neighbors that takes place over the course of a therapy session, in which neither patient nor therapist are who they claim to be. Two liars. One room. No way out. Susanna Fenton has a secret. Fourteen years ago she left her identity behind, reinventing herself as a therapist and starting a new life. It was the only way to keep her daughter safe. But when a young man, Adam Geraghty, walks into her office, claiming he needs Susanna's help but asking unsettling questions, she begins to fear that her secret has been discovered. Who is Adam, really? What does he intend to do to Susanna? And what has he done to her daughter?

Sammy and Bumpers Dec 15 2019 For My Children And Grandchildren This book is dedicated to my wonderful children and grandchildren, and of course to any new and special additions that may still come our way. I hope through these stories, my grandchildren will be able to share in the magic of their parent's childhood, in the same way that their parent's are now sharing in theirs. And in the most special way, it is dedicated to Sammy and Bumpers. Two incredible little squirrels that made the stories in this book come to life. It was the magical adventures that Scooter and Buzzy Bear had with Sammy and Bumpers that made these stories possible. I was lucky enough to have witnessed all that follows.

Rosa's Room Mar 10 2022 Rosa searches for things that will fill her room in her new home, but it feels empty until she discovers exactly what is missing.

A Room of One's Own & Three Guineas Oct 17 2022 *A Room of One's Own*, first published in 1929, is a witty, urbane and persuasive argument against the intellectual subjection of women, particularly women writers. The sequel, *Three Guineas*, is a passionate polemic which draws a startling comparison between the tyrannous hypocrisy of the Victorian patriarchal system and the evils of fascism. This volume combines two books which were among the greatest contributions to feminist literature this century. Together they form a brilliant attack on sexual inequality and a passionate polemic which draws a startling comparison between the tyrannous hypocrisy of the Victorian patriarchal system and the evils of fascism. Virginia Woolf makes the connection between war and the economy and a woman's role (or lack there of) in both. Adeline Virginia Woolf (25 January 1882 – 28 March 1941) was an English writer, and one of the foremost modernists of the twentieth century. During the interwar period, Woolf was a significant figure in London literary society and a central figure in the influential Bloomsbury Group of intellectuals.

Sally's Room Jul 22 2020 Sally's room is so messy it decides to show up at her school to demand that she do something about it.

Jacob's Room Nov 06 2021 *Jacob's Room* is Virginia Woolf's first truly experimental novel. It is a portrait of a young man, who is both representative and victim of the social values which led Edwardian society into war. Jacob's life is traced from the time he is a small boy playing on the beach, through his years in Cambridge, then in artistic London, and finally making a trip to Greece, but this is no orthodox Bildungsroman. Jacob is presented in glimpses, in fragments, as Woolf breaks down traditional ways of representing character and experience. The novel's composition coincided with the consolidation of Woolf's interest in feminism, and she criticizes the privileged thoughtless smugness of patriarchy, 'the other side', 'the men in clubs and Cabinets'. Her stylistic innovations are conscious attempts to realize and develop women's writing and the novel dramatizes her interest in

the ways both language and social environments shape differently the lives of men and women. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Toby's Room Dec 19 2022 From Booker Prize winner Pat Barker, a masterful novel that portrays the staggering human cost of the Great War. Admirers of her Regeneration Trilogy as well as fans of *Downton Abbey* and *War Horse* will be enthralled. With *Toby's Room*, a sequel to her widely praised previous novel *Life Class*, the incomparable Pat Barker confirms her place in the pantheon of Britain's finest novelists. This indelible portrait of a family torn apart by war focuses on Toby Brooke, a medical student, and his younger sister Elinor. Enmeshed in a web of complicated family relationships, Elinor and Toby are close: some might say too close. But when World War I begins, Toby is posted to the front as a medical officer while Elinor stays in London to continue her fine art studies at the Slade, under the tutelage of Professor Henry Tonks. There, in a startling development based in actual fact, Elinor finds that her drafting skills are deployed to aid in the literal reconstruction of those maimed in combat. One day in 1917, Elinor has a sudden premonition that Toby will not return from France. Three weeks later the family receives a telegram informing them that Toby is "Missing, Believed Killed" in Ypres. However, there is no body, and Elinor refuses to accept the official explanation. Then she finds a letter hidden in the lining of Toby's uniform; Toby knew he wasn't coming back, and he implies that fellow soldier Kit Neville will know why. *Toby's Room* is an eloquent literary narrative of hardship and resilience, love and betrayal, and anguish and redemption. In unflinching yet elegant prose, Pat Barker captures the enormity of the war's impact—not only on soldiers at the front but on the loved ones they leave behind.

A Wish Come True Oct 25 2020 Bereft and penniless after the death of their father, the local Vicar and Private Chaplain to the Earl of Chadwood, the beautiful Olivia Lambrick, her younger brother Tony and her five-year-old sister Wendy are desperate for the new Earl to arrive at Chad Hall. Having inherited the title after his two cousins drowned in a sailing accident, it has taken the Earl a year to travel home from India. And meanwhile, with no one to pay the estate's workers and pensioners, the entire village is almost starving. Olivia hopes that the Earl will honour the allowance her mother received as the late Earl's cousin, but to her chagrin, he is a handsome but hard and unsympathetic man. Refusing Olivia's pleas and those of his half-brother, Gerald, who faces the debtors' prison because of his high living in London, the Earl has a very unpleasant solution: he will pay Gerald's debts only if he marries

Olivia! But Fate intervenes unexpectedly when the Earl is attacked by a vicious mob of youths from the village and, almost fatally injured by a knife thrust, is then carried to Olivia's home. While Gerald uses a Power of Attorney to save the village, pay off his debts and look after the pensioners, Olivia saves the life of the man she hates and prays with all her heart that somehow love will save the day.

The President's Room Nov 18 2022 A taut, appealing, and often quite funny exploration of existential angst."** —Kirkus Reviews** In a nameless suburb in an equally nameless country, every house has a room reserved for the president. No one knows when or why this came to be. It's simply how things are, and no one seems to question it except for one young boy. The room is kept clean and tidy, nobody talks about it and nobody is allowed to use it. It is for the president and no one else. But what if he doesn't come? And what if he does? As events unfold, the reader is kept in the dark about what's really going on. So much so, in fact, that we begin to wonder if even the narrator can be trusted...Ricardo Romero has been compared to Franz Kafka and Italo Calvino, and we see why in this eerie, meditative novel narrated by a shy young boy who seems to be very good at lying about the truth. Following in the footsteps of Julio Cortázar and a certain literary tradition of sinister rooms (such as Dr Jekyll's laboratory), *The President's Room* is a mysterious tale based on the suspicion that a house is never just one single home.

Jacob's Room is Full of Books Mar 30 2021 "When we spend so much of our time immersed in books, who's to say where reading ends and living begins? The two are impossibly and gloriously wedded, as Hill shows in *Jacob's room is full of books*. Considering everything from Edith Wharton's novels through to Alan Bennett's diaries, Virginia Woolf and the writings of twelfth century monk Aelred of Rievaulx, Susan Hill charts a year of her life through the books she has read, reread or returned to the shelf. From beneath a shady tree in a hot French summer, or the warmth of a kitchen during an English winter, Hill reflects on what her reading throws up, from writing and writers to politics and religion, as well as the joy of dandies or the pleasure of watching a line of geese cross a meadow. Full of wry observations and warm humour, as well as strong opinions freely aired, this is a rare and wonderful insight into the rich world of reading from one of the nation's most accomplished authors."--
