“Kleypas is a romance gem, a queen among a vast royal court of historical romance authors.” —Entertainment Weekly A stunning new reprint of a classic Lisa Kleypas love story in which a marriage in name only becomes something more... The toast of the town... All London is at Julia Wentworth’s feet—and anything she desires is hers for the asking. But the glamorous leading lady guards a shocking secret: a mystery husband whom she does not know, dares not mention . . . and cannot love. For years Damon Savage has been searching for the stranger his parents wed him to without his consent, hoping to legally free himself from matrimony’s invisible chains. And he is astonished to discover his “bride” is none other than the exquisite lady he’d hoped to make his mistress! But though his wife by law, Julia will never truly be Damon’s—until he conquers her fears, his formidable rivals . . . and her proud, passionate, and independent heart. 'An essential guide to mindfulness, filled with tools and practices that can enhance our well-being.'

Arianna Huffington I am here now will inspire you to explore your world with greater curiosity and find moments of mindfulness in everyday life while unleashing your creativity along the way. Be here now with exercises to challenge your powers of observation, investigation and cultivation and bring new awareness to your senses, thoughts and emotions. Practise meditation with the I am here now audio track, guided by internationally renowned mindfulness teacher Tara Brach. Use the field notes pages to record your findings and capture your insights. 'Mindfulness is a simple and very powerful practice of training our attention. It's simple in that it's really just about paying attention to what's happening here and now (i.e. sensations, thoughts, and emotions) in a non-judgemental way. It's powerful because it can interrupt the habit of getting lost in thoughts, mostly about the future or past, which often generates more stress on top of the real pressures of everyday life.' The Mindfulness Project #1 New York Times bestselling author Johanna Lindsey delivers the “potent, sexy chemistry” (Booklist) and witty repartee for which she is adored in this dazzling regency romance about a desperate debutante whose family hires an innovative matchmaker to ensure her marriage. London society has its very own Cupid. Renowned horse breeder and occasional matchmaker Devin Baldwin pairs eligible young ladies with suitable gentlemen based on his theory of animal magnetism. Unafraid of ruffling feathers, this darkly handsome Cupid doles out tips for bettering one’s chances of meeting a mate that are as pointed as the love legend’s sharpest arrows! Lovely Amanda Locke, the daughter of a duke, is everything a nobleman could desire, yet she enters her third Season still searching for a match. Gossipmongers’ tongues are wagging, and her mystified family is considering drastic measures to find her a husband. But the insufferable advice of this Cupid fellow is the last thing Amanda wants. When an earl passionate about horses becomes the target of her husband hunt, Amanda knows it’s time to overcome her fear of riding. With her sister-in-law Ophelia hastening the romance along by arranging riding lessons, Amanda is soon taking instruction from infuriating Devin Baldwin. Astonishingly, in her daily encounters with Devin—who treats her as an ordinary young woman, not a prize to be won at the marriage mart—Amanda experiences passion for the first time. Now, her search for a match takes her in an unexpected direction as she finds herself falling in love with Cupid himself. After a teen girl is kidnapped and sold into slavery, she must find the strength to escape and be reunited with the boy she loves in this debut novel. *Until I Find You* is the story of the actor Jack Burns – his life, loves, celebrity

and astonishing search for the truth about his parents. When he is four years old, Jack travels with his mother Alice, a tattoo artist, to several North Sea ports in search of his father, William Burns. From Copenhagen to Amsterdam, William, a brilliant church organist and profligate womanizer, is always a step ahead – has always just departed in a wave of scandal, with a new tattoo somewhere on his body from a local master or “scratcher.” Alice and Jack abandon their quest, and Jack is educated at schools in Canada and New England – including, tellingly, a girls’ school in Toronto. His real education consists of his relationships with older women – from Emma Oastler, who initiates him into erotic life, to the girls of St. Hilda’s, with whom he first appears on stage, to the abusive Mrs. Machado, whom he first meets when sent to learn wrestling at a local gym. Too much happens in this expansive, eventful novel to possibly summarize it all. Emma and Jack move to Los Angeles, where Emma becomes a successful novelist and Jack a promising actor. A host of eccentric minor characters memorably come and go, including Jack’s hilariously confused teacher the Wurtz; Michelle Maher, the girlfriend he will never forget; and a precocious child Jack finds in the back of an Audi in a restaurant parking lot. We learn about tattoo addiction and movie cross-dressing, “sleeping in the needles” and the cure for cauliflower ears. And John Irving renders his protagonist’s unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches. This is an absorbing and moving book about obsession and loss, truth and storytelling, the signs we carry on us and inside us, the traces we can’t get rid of. Jack has always lived in the shadow of his absent father. But as he grows older – and when his mother dies – he starts to doubt the portrait of his father’s character she painted for him when he was a child. This is the cue for a second journey around Europe in search of his father, from Edinburgh to Switzerland, towards a conclusion of great emotional force. A melancholy tale of deception, *Until I Find You* is also a swaggering comic novel, a giant tapestry of life’s hopes. It is a masterpiece to compare with John Irving’s great novels, and restates the author’s claim to be considered the most glorious, comic, moving novelist at work today. In September 1985, nineteen-year-old John Lindqvist moved into a dilapidated old building in Stockholm, planning to make his living as a magician. Something strange was going on in the locked shower room in the building’s basement—and the price of entry was just a little blood. *I Always Find You* is a horror story—as bizarre and macabre as any of Lindqvist’s earlier novels—but it’s also a melancholy meditation on

being young and lonely, on making friends and growing up. It's about magic, and the intensity of human connection—and the evil we carry inside. John Ajvide Lindqvist lives in Sweden, and has worked as a magician and stand-up comedian. His first novel, the international bestseller *Let the Right One In*, was published in more than thirty countries. Marlaire Delargy is based in the UK. She has translated novels by Swedish writers including Kristina Ohlsson, Viveca Sten and Johan Theorin—with whom she won the CWA International Dagger 2010 for *The Darkest Room*. 'The strength of the novel lies in the author's calm, unhurried reporting of increasingly supernatural events, and his decision to have a fictional version of himself as narrator, which lends an unsettling autobiographical element and grounds the story in reality.' Guardian 'Lindqvist manages a near-perfect blend of moving and macabre.' BookMooch 'As imaginative and brilliant as any of Stephen King's famous stories...Eerie and compelling.' Canberra Weekly on *I Am Behind You* 'Mixes the ordinary with the macabre to provide a story that will leave you pondering...Perfectly chilling.' Aurealis 'A genuine skin-crawler of a book.' Otago Daily Times on *I Am Behind You*. '[A] tale of a strange evil force.' Age 'A bizarre read, seriously inventive and wildly different.' Weekend West

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. *START WITH WHY* asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. *START WITH WHY* shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY. In the

bestselling sequel to *Find You in the Dark*, A. Meredith Walters continues the emotional story of Maggie, Clay, and the power of unconditional love. How do you keep going when you feel like your life is over? Maggie never thought she'd see Clay again. So, she attempts to put her life back together after her heart has been shattered to pieces. Moving on and moving forward, just as Clay wanted her to. Clay never stopped thinking of Maggie. Even after ripping their lives apart and leaving her behind to get the help he so desperately needed. He is healing...slowly. But his heart still belongs to the girl who tried to save him. When a sudden tragedy brings Maggie and Clay face-to-face again, nothing is the same. Yet some things never change. Can the darkness that threatened to consume them be transformed into something else and finally give them what they always wanted? And can two people who fought so hard to be together, finally find their happiness? Or will their demons and fear drive them apart for good? The thing about love is that even when it destroys you, it has a way of mending what is broken. And in the shadows, you can still see the light. The New York Times bestselling author of *Elevator Pitch* and master of psychological suspense returns with a riveting thriller in which the possible heirs of a dying tech millionaire are mysteriously being eliminated, one by one. "Find You First starts with a bang and ends with an even bigger one. . . . It's the best book of his career." — Stephen King

Tech millionaire Miles Cookson has more money than he can ever spend, and everything he could dream of—except time. He has recently been diagnosed with a terminal illness, and there is a fifty percent chance that it can be passed on to the next generation. For Miles, this means taking a long hard look at his past . . . Two decades ago, a young, struggling Miles was a sperm donor. Somewhere out there, he has kids—nine of them. And they might be about to inherit both the good and the bad from him—maybe his fortune, or maybe something much worse. As Miles begins to search for the children he's never known, aspiring film documentarian Chloe Swanson embarks on a quest to find her biological father, armed with the knowledge that twenty-two years ago, her mother used a New York sperm bank to become pregnant. When Miles and Chloe eventually connect, their excitement at finding each other is overshadowed by a series of mysterious and terrifying events. One by one, Miles's other potential heirs are vanishing—every trace of them wiped, like they never existed at all. Who is the vicious killer—another heir methodically erasing rivals? Or is something even more sinister going on? It's a deadly race against time . . . Start With Why has led millions of readers to rethink everything they do – in their

personal lives, their careers and their organizations. Now Find Your Why picks up where Start With Why left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As Start With Why has spread around the world, countless readers have asked me the same question: How can I apply Start With Why to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, Find Your Why can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon

In this moving, personal work, Levy tells of the painful circumstances she endured with her young daughter's illness, how they grew together, and ultimately how much Levy learned from her daughter's example. Now a New York Times audio bestseller! Detective Lt. Joe Kenda, star of Homicide Hunter, shares his deepest, darkest, and never before revealed case files from his 19 years as a homicide detective. Are you horrified yet fascinated by abhorrent murders? Do you crave to know the gory details of these crimes, and do you seek comfort in the solving of the most gruesome? In I WILL FIND YOU, the star of Homicide Hunter: Lt. Joe Kenda shares his deepest, darkest, and never-before-revealed case files from his two decades as a homicide detective and reminds us that crimes like these are very real and can happen even in our own backyards. Gruesome, macabre, and complex cases. Joe Kenda investigated 387 murder cases during his 23 years with the Colorado Springs Police Department and solved almost all of them. And he is ready to detail the cases that are too gruesome to air on television, cases that still haunt him, and the few cases where the killer got away. These cases are horrifyingly real, and the detail is so mesmerizing you won't be able to look away. The tales in I WILL FIND YOU will shock you

like the best horror stories—divulging insights into the actions, motivations, and proclivities of nature's most dangerous species. Don't mind the blood. In this “brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it” (Anna Todd, *New York Times* bestselling author) from the #1 *New York Times* bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (*USA TODAY*). Originally published as *Big Girls Don't Cry*, this charming romance shows that sometimes Mr. Right couldn't be more wrong, and Mr. Wrong couldn't be more right... Thanks to a devastating revelation about her husband, Reenie Holbrook's once-perfect marriage is over. For eleven years she had the life she wanted—and now it's gone. Reenie decides that the first step in recovering from her ordeal is to find work; after all, she has three young children to support. She's thrilled when she lands a job at Dundee High teaching history—until Isaac Russell, the man who triggered the unraveling of her marriage, accepts a temporary position teaching science. Then she's tempted to quit. Reenie doesn't care if the whole town admires Isaac and she won't admit that, secretly, she admires him, too—nor that she's starting to feel more than just admiration for him... Originally published in 2005 under the title *Big Girls Don't Cry* "Poignant . . . Powerful . . . Beautifully captures the threshold experience of the new immigrant, where the past is not yet a memory." —*The New York Times* Book Review Acclaimed writer Julia Alvarez's beloved first novel gives

voice to four sisters as they grow up in two cultures. The García sisters—Carla, Sandra, Yolanda, and Sofía—and their family must flee their home in the Dominican Republic after their father’s role in an attempt to overthrow brutal dictator Rafael Trujillo is discovered. They arrive in New York City in 1960 to a life far removed from their existence in the Caribbean. In the wondrous but not always welcoming U.S.A., their parents try to hold on to their old ways as the girls try find new lives: by straightening their hair and wearing American fashions, and by forgetting their Spanish. For them, it is at once liberating and excruciating to be caught between the old world and the new. Here they tell their stories about being at home—and not at home—in America. Julia Alvarez’s new novel, *Afterlife*, is available now.

Pursuing an absolutely ordinary life of normal friends and ambitions before falling in love with Clayton, Maggie finds the strength of their shared bond tested by his dark past and inner demons. By the best-selling author of *Bad Rep. Original. I never thought I'd find her. After eight years in the Marines, I'm still looking for the mysterious woman I've obsessed over since her first letter. When she shows up in my small town, I'm thrilled. But when she turns out to be my brother's best friend--and the girl he's always loved--I'm caught between the two people who matter to me the most. I'm a Marine, which means honor and duty run deep. Joanna is off-limits. That would be a whole lot easier if she hadn't already agreed to help run my brother's fishing guide business for the summer, forcing me to work side-by-side with the woman I've fantasized about for years. I try to keep her at a distance, push her away, man up. But she draws me in without even trying, and I can't get enough of how she makes me feel. I'm stealing moments with her, and I know it's wrong. She may not be my brother's girlfriend, but I know a landmine when I see one. How can a good man choose his heart over his honor? In this “fast-paced, morbidly addictive novel of chilling infatuation” (Iain Reid, bestselling author of *I’m Thinking of Ending Things*)—perfect for fans of Caroline Kepnes’s *Hidden Bodies* and Jeff Lindsay’s *Dexter* series—a family man with a habit of digging up the past catches the attention of a serial killer who is determined to keep his secrets uncovered. For years, unbeknownst to his wife and teenage daughter, Martin Reese has been illegally buying police files on serial killers and obsessively studying them, using them as guides to find the missing bodies of victims. He doesn’t take any souvenirs, just photos that he stores in an old laptop, and then he turns in the results anonymously. Martin sees his work as a public service, a righting of wrongs. Detective Sandra Whittal sees the situation differently. On a meteoric rise in police*

ranks due to her case? closing efficiency, Whittal is suspicious of the mysterious source she calls the Finder, especially since he keeps leading the police right to the bodies. How can he know where all these bodies are located if he's not the one putting them there? On his latest dig, Martin searches for the first kill of Jason Shurn, the early 1990s murderer who may have been responsible for the disappearance of his wife's sister. But when he arrives at the site, he finds more than just bones. There's a freshly killed body—a young and missing Seattle woman—lying there. Someone else knew where Jason Shurn left the corpses of his victims...and that someone isn't happy that Martin has been going around digging up his work. And when a crooked cop with a tenuous tie to Martin vanishes, Whittal begins to zero in on the Finder. "A wickedly smart thriller that manages to be both chilling and wry" (Amy Stuart, bestselling author of *Still Mine*), *Find You in the Dark* will haunt you long after you turn the final page.

Johnny Maguire is a struggling lawyer who falls into a passionate affair with the widow of one of his clients. She disappears... supposedly taking a suicide dive into the ocean. But Maquire doesn't buy it and starts searching for her...a quest that pits him against the mob and spirals into a twisted story of sex and murder. This was originally published in 1950 as the second title in the Fawcett's legendary Gold Medal line of paperbacks. "In its own twisted way, it's a love story...with lots of raw emotion, with plenty of melodrama. And a really great final scene and line, very much in keeping with the character of Johnny Maguire." Bill Crider

A book of poetry about love, loss, and healing. What would you do if you were suddenly reminded of something you witnessed as a young child, but had only just realised the terrible significance of what you saw? When Cerys Morgan, a beautiful young student, vanished from a crowded beach in Cornwall while camping with friends during the heatwave summer of 1976 it triggered the largest police operation of its kind at the time. Hundreds of locals joined the search and it made the headlines for weeks, but no trace of her was ever found. Thirty-four years later Emily Harrison is suddenly reminded of something she witnessed as a young child, and only then realises the terrible significance of what she saw. Horrified she tells the police everything she can remember. The trouble is, even her own parents didn't believe her at the time, so who will believe her now? Haunted by her memories Emily becomes obsessed and, as the heartbreaking story of Cerys unfolds, she soon realises only she knows the answer. Even when she receives sinister threats - and her contented life rapidly disintegrates around her - she will stop at nothing to find the truth and get closure for Cerys'

elderly parents. What really did happen on her sixth birthday? Grief brought high school senior Finley Sinclair to Ireland. Love will lead her home. Eighteen-year-old Finley Sinclair is witty, tough, talented, and driven. With an upcoming interview at the Manhattan music conservatory, she just needs to finish composing her audition piece. But her creativity disappeared with the death of her older brother, Will. She decides to take a break and study abroad, following Will's travel journal to Ireland. Her brother felt closest to God there, and she hopes to find peace about his death. Meanwhile, Beckett Rush—teen heartthrob and Hollywood bad boy—is flying to Ireland to finish filming his latest vampire movie. On the flight, he bumps into Finley—the one girl who seems immune to his charm. Undeterred, Beckett convinces Finley to strike an unconventional bargain. As Finley deals with the loss of her brother, the pressures of school, and her impending audition, she wonders if an unlikely romance is blossoming between her and Beckett. Then she experiences something that radically changes her perspective on life. Has everything she's been looking for been with her all along? Don't miss Finding You—the movie based on There You'll Find Me—released in 2021 Contemporary Young Adult romance Stand-alone novel Book length: 78,000 words Includes discussion questions for book clubs "Every page of Hudson and Laynie's story is bite-your-lip sexy!" - Kristen Proby, New York Times Bestselling Author Book Two in the Bestselling Fixed Series. Alayna Withers has only had one kind of relationship: the kind that makes her obsessive and stalker-crazy. Now that Hudson Pierce has let her into his heart, she's determined to break down the remaining walls between them so they can build a foundation that's based on more than just amazing sex. Except Hudson's not the only one with secrets. With their pasts pulling them into a web of unfounded mistrust, Alayna turns to the one person who knows Hudson the best--Celia, the woman he almost married. Hoping for insight from someone who understands all sides of the story, Alayna forms a bond with Celia that goes too far--revealing things about Hudson that could end their love for good. This is the first relationship where Alayna hasn't spiraled out of control. And she might lose Hudson anyway... Learn how to use R to turn raw data into insight, knowledge, and understanding. This book introduces you to R, RStudio, and the tidyverse, a collection of R packages designed to work together to make data science fast, fluent, and fun. Suitable for readers with no previous programming experience, R for Data Science is designed to get you doing data science as quickly as possible. Authors Hadley Wickham and Garrett Grolemund guide you through the steps of

importing, wrangling, exploring, and modeling your data and communicating the results. You'll get a complete, big-picture understanding of the data science cycle, along with basic tools you need to manage the details. Each section of the book is paired with exercises to help you practice what you've learned along the way. You'll learn how to: **Wrangle**—transform your datasets into a form convenient for analysis **Program**—learn powerful R tools for solving data problems with greater clarity and ease **Explore**—examine your data, generate hypotheses, and quickly test them **Model**—provide a low-dimensional summary that captures true "signals" in your dataset **Communicate**—learn R Markdown for integrating prose, code, and results

The journalist's "brutally affecting [and] powerful" memoir of her quest to uncover the life of the man who raped her twenty-one years earlier (Guardian, UK). Joanna Connors was thirty years old and on assignment for the Cleveland Plain Dealer to review a college theater production when she was held at knifepoint and raped by a stranger who had grown up five miles away from her. Once her assailant was caught and sentenced, Joanna never spoke of the trauma again . . . until her daughter was about to go to college. Resolving to tell her children about her rape, Connors began to realize that the man who assaulted her was one of the most formative people in her life. She embarked on a journey to find out who he was, who his friends were, and what his life was like. What she discovers stretches beyond one violent man's story and back into her own, interweaving a narrative about strength and survival with one about rape culture and violence in America. *I Will Find You* is a "deeply humane and harrowing" memoir, as well as a brave and timely consideration of race, class, education, and the families that shape who we become (Boston Globe).

You Can Attract the One This book shows you Kathryn Alice's magical formula that has resulted in thousands of people finding their "person". **Learn: How to bring love right to your door using the Law of Attraction . . . easily** The secret to turning "crazy love" into a soulmate love that will last **Why you may not even know your biggest block to love, how to find it and get rid of it** **The way you repel people (and love) and how to fix this instantly** **Why this work has resulted in thousands of weddings & is the most effective way of attracting love available** **5 simple proven methods to rev up your dating life even if you haven't dated in years, have had huge dating drama or constant dating disappointment. Be sought after by the ones you're interested in** **An easy, inspired read, *Love Will Find You* offers practical steps, simple exercises and love stories from all walks of life to ensure you are not single much longer. This book, updated with many**

new sample essays, is focused to help college students who are seeking admission to graduate schools of business administration. Extensive essay-writing advice covers the dos and donts in writing a successful essay plus and instructs in the process of organizing ideas, writing a rough draft, then re-writing a final finished essay for presentation. It is followed with approximately 75 sample essays, all of them written by business school applicants accepted for enrollment in leading schools. The first all-in-one book of its kind, *YouMap(R) Find Yourself. Blaze Your Path. Show the World!* provides you with a real-world tested step-by-step process to achieve career clarity and execute a winning job search. Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

New historical fiction from a Newbery Honor-winning author about how middle schooler Ariel Goldberg's life changes when her big sister elopes following the 1967 Loving v. Virginia decision, and she's forced to grapple with both her family's prejudice and the antisemitism she experiences, as she defines her own beliefs. Cover may vary. Twelve-year-old Ariel Goldberg's life feels like the moment after the final guest leaves the party. Her family's Jewish bakery runs into financial trouble, and her older sister has eloped with a young man from India following the Supreme Court decision that strikes down laws banning interracial marriage. As change becomes Ariel's only constant, she's left to hone something that will be with her always--her own voice.

Chia Tao (779-843), an erstwhile Zen monk who became a poet during China's Tang dynasty, recorded the lives of the sages, masters, immortals, and hermits who helped establish the great spiritual

tradition of Zen Buddhism in China. Presented in both the original Chinese and Mike O'Connor's beautifully crafted English translation, *When I Find You Again, It Will Be in Mountains* brings to life this preeminent poet and his glorious religious tradition, offering the fullest translation of Chia Tao's poems to date. For fans of USA Today bestselling authors Christina Lauren and Sally Thorne comes a hilarious romantic comedy about finding your family, finding yourself, and maybe finding love along the way. Being adopted never made Jane Smith feel unloved, just unlike the rest of her family. As her twenty-fifth birthday approaches, she is struck by an overwhelming longing to finally find her place in the world. So in a very un-Jane-like move, she books a last-minute ticket to Greece to find her birth father and the real Jane. All she knows about him is it that he was a tour guide named Dimitri. Armed with this knowledge and several surprise boxes of condoms from her mom (not embarrassing at all), Jane takes off. Within minutes of landing she makes two important discoveries. First, everyone in Greece is named Dimitri, and second, fate might be playing a sick joke on her when a sexy tour guide called Dimitri comes to fetch her from the airport. He offers to help Jane with her search---if she'll go on an adventure with him. Stable Jane would never risk a steamy vacation romance. But real Jane might finally be ready to listen to her heart. Will Jane find her biological father, or will she end up finding something else entirely? "Top Pick! Almost a Bride put a smile on my face more than once. The dialogue was witty, the words were well-written and the heroine was one-of-a-kind." -- Harlequin Junkie A "brutal, beautifully rendered" (The New York Times Book Review) collection of essays that offers poignant reflections on living between society's most charged, politicized, and intractable polar spaces—between black and white, rich and poor, thin and fat. Savala Nolan knows what it means to live in the in-between. Descended from a Black and Mexican father and a white mother, Nolan's mixed-race identity is obvious, for better and worse. At her mother's encouragement, she began her first diet at the age of three and has been both fat and painfully thin throughout her life. She has experienced both the discomfort of generational poverty and the ease of wealth and privilege. It is these liminal spaces—of race, class, and body type—that the essays in *Don't Let It Get You Down* excavate, presenting a clear and nuanced understanding of our society's most intractable points of tension. The twelve essays that comprise this collection are rich with "gorgeous prose" (Nadia Owusu, author of *Aftershocks*) and are as humorous and as full of Nolan's appetites as they are of anxiety. The result is lyrical and

magnetic. In “On Dating White Guys While Me,” Nolan realizes her early romantic pursuits of rich, preppy white guys weren’t about preference but about self-erasure. In the titular essay “Don’t Let it Get You Down,” we traverse the cyclical richness and sorrow of being Black in America as Black children face police brutality, “large Black females” encounter unique stigma, and Black men carry the weight of other people’s fear. In “Bad Education,” we see how women learn to internalize rage and accept violence to participate in our own culture. And in “To Wit and Also,” we meet Filliss, Grace, and Peggy, the enslaved women owned by Nolan’s white ancestors, reckoning with the knowledge that America’s original sin lives intimately within our present stories. Over and over again, Nolan reminds us that our true identities are often most authentically lived not in the black and white, but in the grey of the in-between. Perfect for fans of *Heavy* by Kiese Laymon and *Bad Feminist* by Roxane Gay, *Don’t Let It Get You Down* delivers a “deeply personal insight” (Layla F. Saad, *New York Times* bestselling author of *Me and White Supremacy*) on race, class, bodies, and gender in America today.

'According to his mother, Jack Burns was an actor before he was an actor, but Jack's most vivid memories of childhood were those moments when he felt compelled to hold his mother's hand. He wasn't acting then.' Jack Burns' mother, Alice, is a tattoo artist in search of the boy's father, a virtuoso organist named William who has fled America to Europe. To fund her journey, she plies her trade in the seaports of the Baltic coast. But her four-year-old son's errant father can't be found, and soon even Jack's memories of that perplexing time are called into question. It is only when he becomes a Hollywood actor in later life that what he has experienced in the past comes into telling play in his present.....

For fans of *THE SILENT PATIENT* comes a chilling and unrelenting new psychological thriller, from the author of bestselling *DON'T WAKE UP*. Emily Jacobs wakes up in the night after a minor operation, woozy with anaesthetic. She sees the doctor frantically trying to resuscitate the woman in the bed next to her. In the morning, she is told that she must have had a nightmare. That the bed has been empty all along . . . When Emily returns to her work as a nurse, she discovers a bracelet that she believes belonged to the missing woman. She becomes convinced the people at the hospital are hiding a terrible secret. What if she's right? What else could they be capable of? Praise for Liz Lawler 'Outstanding . . . a rollercoaster of a read' Angela Marsons 'Addictive . . . intensely creepy' Liz Loves Books 'Pitch-black and devastatingly original' Independent.ie 'A compelling read with believable, memorable characters and an exciting

setting' Booklist A parent promises to search many ways if their child ever becomes lost. "Readers of Liane Moriarty, Paula Hawkins, and Ruth Ware will love." —Library Journal (starred review) "Jewell's novel explores the space between going missing and being lost...how the plots intersect and finally collide is one of the great thrills of reading Jewell's book. She ratchets up the tension masterfully, and her writing is lively." —The New York Times

In the windswept British seaside town of Ridinghouse Bay, single mom Alice Lake finds a man sitting on a beach outside her house. He has no name, no jacket, and no idea how he got there. Against her better judgment, she invites him inside. Meanwhile, in a suburb of London, newlywed Lily Monroe grows anxious when her husband fails to return home from work one night. Soon, she receives even worse news: according to the police, the man she married never even existed. Twenty-three years earlier, Gray and Kirsty Ross are teenagers on a summer holiday with their parents. The annual trip to Ridinghouse Bay is uneventful, until an enigmatic young man starts paying extra attention to Kirsty. Something about him makes Gray uncomfortable—and it's not just because he's a protective older brother. Who is the man on the beach? Where is Lily's missing husband? And what ever happened to the man who made such a lasting and disturbing impression on Gray? "A mystery with substance" (Kirkus Reviews), *I Found You* is a delicious collision course of a novel, filled with the believable characters, stunning writing, and "surprising revelations all the way up to the ending" (Booklist) that make the New York Times bestselling author of *Then She Was Gone* Lisa Jewell so beloved by audiences on both sides of the Atlantic.

. . . I wanted you more than you'll ever know, so I sent love to follow wherever you go. . . . Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. *Wherever You Are* is a book to share with your loved ones, no matter how near or far, young or old, they are.
