Treachery Times Two Feb 02 2021 Secret military weapons, saboteurs, a volcanic eruption—and a probe of Chief Detective Koa Kane's criminal past On Hawaii Island, a volcanic earthquake disrupts an abandoned cemetery—unearthing the body of a woman mutilated by her killer to conceal her identity. The search for her identity leads Hilo Hawaii's Chief Detective Koa Kane to a mysterious defense contractor with a politically connected board of directors. Defying his chief of police, Koa pursues the killer, only to become entangled in an FBI espionage investigation of Deimos, a powerful secret military weapon. Is the FBI telling all it knows—or does it, too, have a duplicitous agenda? At the same time, Koa—a cop who thirty years earlier killed his father's nemesis and covered up the murder—faces exposure by the dead man's grandson. Koa is forced to investigate his own homicide, and step by step, his cover-up unravels until another man is falsely accused. Can Koa stand by and let an innocent man pay for his crime? A crime novel perfect for fans of Michael Connelly and James Lee Burke While all the novels in the Koa Kane Hawaiian Mystery Series stand on their own and can be read in any order, the publication sequence is: *Death of a Messenger* *Off the Grid* *Fire and Vengeance* *Treachery Times Two*

Sharpen Your Quill Nov 11 2021 A friendly guide to creative writing. "...This book does not aim to teach you everything about the English Language. It doesn't want to bore you with an extremely detailed history, confuse you with Jargonistic Linguibabble or convince you of a right and wrong usage of our language. What it does aim to do is improve the flow, feel and general comprehensibility of your writing in order to reach the widest audience possible..."

Quills - A Bluestocking Bride/The Last Rake In London/The Rake's Mistress Jan 01 2021 The Last Rake In London Under a blaze of chandeliers, in London's most fashionable club, Jack Kestrel is waiting. He hasn't come to enjoy the rich at play, he's there to uphold his family name. But first he has to get past the ice-cool owner: the beautiful Sally Bowes. And Jack wants her to warm his bed - at any price! Edwardian society flocks to Sally's club, but dangerous Jack Kestrel is the most sinfully sensual rogue she's ever met. Although Sally's inexperienced with men, the wicked glint in Jack's eyes promises he'll take care of satisfying her every need... The Rake's Mistress Lord Lucas Kestrel's anger turns to desire when he meets Miss Rebecca Raleigh. He believes that she's one of the scandalous Archangel courtesans, but he quickly discovers that not only is she innocent, she is the woman he's been seeking. Lucas has an agenda. He has to get close to Rebecca, court her, even seduce her, to try to discover if she's smuggling secrets that are threatening England's security! But Lucas, the rake without a heart, hasn't bargained on falling in love with the one woman he can't have...

I'll Never Tell Apr 23 2020 From Catherine McKenzie, the instant bestselling author of *The Good Liar*, comes a riveting domestic suspense in the vein of Liane Moriarty that sees five siblings forced to confront a tragedy they thought was buried long ago. What happened to Amanda Holmes? After the sudden death of their parents, the MacAllister children return to the run-down summer camp where they spent their childhood. The four sisters and their elder brother haven't all been together at Camp Macaw in over twenty years—ever since a tragic and mysterious accident. Over the course of the Labour Day weekend, the siblings must determine what to do with the property, now worth millions. But a stunning condition of their father's will compels them to face their past—and come to a decision that threatens to tear them apart forever. A sharp and engrossing novel of suspense, *I'll Never Tell* reveals what happens when the secrets and lies that hold a family together are finally exposed.

A General Police System May 25 2020 While contemporary inquiries into theoretical linkages between political economy and security are rare, the exploration of these connections formed the cornerstone of political, social and economic philosophy during the upheavals of post-feudal Europe. "A General Police System", a term borrowed from the late eighteenth century thinker Patrick Colquhoun, examines the overlapping genealogies of commerce, security, surveillance and the problem of poverty in the works of foundational English and Continental thinkers of the 17th to early 19th centuries. The authors thus revive the

epic project of police and critically re-examine its drive to classify, regulate and control populations, providing a renewed materialist contribution toward a contemporary critique of security.

Encyclopedia of the Supreme Court, Second Edition Jul 27 2020 Praise for the previous edition:

"...concise, well-written entries...Schultz's accessible work will be of use to both undergraduates and the general public; recommended for all academic and public libraries."—Library Journal "...achieves the goal of presenting a serious overview of the Supreme Court."—Booklist "At its reasonable price this title should be found in every American library, public as well as academic. It should also be purchased by every high school library, no matter how small the school body may be."—American Reference Books Annual From the structure of the Supreme Court to its proceedings, this comprehensive encyclopedia presents the cornerstone of the American justice system. Featuring more than 600 A-to-Z entries—written by leading academics and lawyers—Encyclopedia of the Supreme Court, Second Edition offers a thorough review of critical cases, issues, biographies, and topics important to understanding the Supreme Court. Entries include: Abortion Capital punishment Citizens United v. Federal Election Commission Double jeopardy employment discrimination Federalism Masterpiece Cakeshop v. Colorado Civil Rights Commission Obergefell v. Hodges police use of force public health and the U.S. Constitution Thurgood Marshall Title IX and schools United States v. Nixon Earl Warren Wiretapping

Quill and Cross in the Borderlands Dec 24 2022 *Quill and Cross in the Borderlands* examines nearly four hundred years of history, folklore, literature, and art concerning the seventeenth-century Spanish nun and writer Sor María de Jesús de Ágreda, identified as the legendary “Lady in Blue” who miraculously appeared to tribes in colonial-era New Mexico and taught them the rudiments of the Catholic faith. Sor María, an author of mystical Marian works, became renowned not only for her alleged spiritual travel from her cloister in Spain to the New World, but also for her writing, studied and implemented by Franciscans on both sides of the ocean. Working from original historical accounts, archival research, and a wealth of literature on the legend and the historical figure alike, Anna M. Nogar meticulously examines how and why the legend and the person became intertwined in Catholic consciousness and social praxis. In addition to the influence of the narrative of the Lady in Blue in colonial Mexico, Nogar addresses Sor María’s importance as an author of spiritual texts that influenced many spheres of New Spanish and Spanish society. *Quill and Cross in the Borderlands* focuses on the reading and interpretation of her works, especially in New Spain, where they were widely printed and disseminated. Over time, in the developing folklore of the Indo-Hispano populations of the present-day U.S. Southwest and the borderlands, the historical Sor María and her writings virtually disappeared from view, and the Lady in Blue became a prominent folk figure, appearing in folk stories and popular histories. These folk accounts drew the Lady in Blue into the present day, where she appears in artwork, literature, theater, and public ritual. Nogar’s examination of these contemporary renderings leads to a reconsideration of the ambiguities that lie at the heart of the narrative. *Quill and Cross in the Borderlands* documents the material legacy of a legend that has survived and thrived for hundreds of years, and at the same time rediscovers the historical basis of a hidden writer. This book will interest scholars and researchers of colonial Latin American literature, early modern women writers, folklore and ethnopoetics, and Mexican American cultural studies.

Murder by Quill Oct 10 2021 A writer's retreat in northern Scotland becomes a master class in murder in this clever mystery novel. The winners of a prestigious writing contest have been gathered for a writer's retreat in the home of wealthy philanthropist Hugh Barrabault. Located in a remote coastal village of northern Scotland, the elegant castle and its immaculate grounds are intended to inspire serenity and reflection—the ideal conditions for literary productivity. But no one is feeling very serene when their host is found murdered. Hugh Barrabault had the power to make any of his guests famous overnight. Who could possibly have wanted him dead? The murder weapon—a writing quill of unusual design—is their only clue. As the investigation begins and secrets are revealed, the former strangers are forced to make alliances. Everyone agrees that someone must take change . . . but what if that someone is the murderer?

Each property in this guidebook is inspected for quality assurance and meets the high standards set by the Association and its members.

Interpretation of the Music of the 17th and 18th Centuries Apr 16 2022 One of the most influential figures in the twentieth-century revival of early music, Arnold Dolmetsch (1858–1940) was the first to apply academic attention to the issue of authentic historical performance. His groundbreaking study, *The Interpretation of the Music of the 17th and 18th Centuries*, first appeared in 1915 and remains a landmark of musicology. An outstanding musician, teacher, and maker of Baroque-style instruments, Dolmetsch sought the correct interpretation of Baroque music in order to heighten its expressive intent and emotional impact. In

this study, he quotes extensively from both familiar and lesser-known treatises of the seventeenth and eighteenth centuries, adding enlightening comments to each quotation and providing illuminating conclusions. Topics include tempo, rhythm, ornamentation, figured bass realization, wrist positioning, and fingering, and musical instruments of the period. A rare appendix of musical examples, originally published separately, appears in this new edition of the first book to address in a comprehensive and scholarly manner the problems of performing Baroque music. More than a text on performance practices, this classic offers glimpses of what Baroque music meant—both as an art and a science—to musicians of the era.
