Lorenzo Ghiberti, by Richard Krautheimer in Collaboration with Trude Krautheimer-Hess Dec 07 2021

*The Distance Between Us* Apr 18 2020 In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent

torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

Uno scrigno di storie e di illustrazioni meravigliose che incanterà grandi e piccini e li immergerà nell'incantato mondo di re, principi, principesse, animali parlanti, maghi, gnomi e molto altro ancora!

**A Dream Called Home** Jul 22 2020 From bestselling author of the remarkable memoir, *The Distance Between Us* comes an inspiring account of one woman's quest to find her place in America as a first-generation Latina university

student and aspiring writer determined to build a new life for her family one fearless word at a time. "Here is a life story so unbelievable, it could only be true" (Sandra Cisneros, bestselling author of *The House on Mango Street*). As an immigrant in an unfamiliar country, with an indifferent mother and abusive father, Reyna had few resources at her disposal. Taking refuge in words, Reyna's love of reading and writing propels her to rise above until she achieves the impossible and is accepted to the University of California, Santa Cruz. Although her acceptance is a triumph, the actual experience of American college life is intimidating and unfamiliar for someone like Reyna, who is now estranged from her family and support system. Again, she finds solace in words, holding fast to her vision of becoming a writer, only to discover she knows nothing about what it takes to make a career out of a dream. Through it all, Reyna is determined to make the impossible possible, going from undocumented immigrant of little means to "a fierce, smart, shimmering light of a writer" (Cheryl Strayed, author of *Wild*); a National Book Critics Circle Award Finalist whose "power is growing with every book" (Luis Alberto Urrea, Pulitzer Prize finalist); and a proud mother of two beautiful children who will never have to know the pain of poverty and neglect. Told in Reyna's exquisite, heartfelt prose, *A Dream Called Home* demonstrates how, by daring to pursue her dreams, Reyna was able to build the one thing she had always longed for: a home that would endure.

**The Grand Strategy of the Byzantine Empire** Dec 15 2019 In this book, the distinguished writer Edward Luttwak presents the grand strategy of the eastern Roman empire we know as Byzantine, which lasted more than twice as long as the more familiar western Roman empire, eight hundred years by the shortest definition. This extraordinary endurance is all the more remarkable because the Byzantine empire was favored neither by geography nor by military preponderance. Yet it was the western empire that dissolved during the fifth century. The Byzantine empire so greatly outlasted its western counterpart because its rulers were able to adapt strategically to diminished

circumstances, by devising new ways of coping with successive enemies. It relied less on military strength and more on persuasion—to recruit allies, dissuade threatening neighbors, and manipulate potential enemies into attacking one another instead. Even when the Byzantines fought—which they often did with great skill—they were less inclined to destroy their enemies than to contain them, for they were aware that today's enemies could be tomorrow's allies. Born in the fifth century when the formidable threat of Attila's Huns were deflected with a minimum of force, Byzantine strategy continued to be refined over the centuries, incidentally leaving for us several fascinating guidebooks to statecraft and war. The *Grand Strategy of the Byzantine Empire* is a broad, interpretive account of Byzantine strategy, intelligence, and diplomacy over the course of eight centuries that will appeal to scholars, classicists, military history buffs, and professional soldiers.

Orto Jan 08 2022 Un'enciclopedia per progettare il vostro orto e farlo fruttare al meglio! Sempre più di tendenza, per passione ma anche per avere a portata di mano cibi sani e freschi, coltivare l'orto è interessante sotto vari aspetti: avere prodotti genuini è una garanzia per un'alimentazione corretta oltre che più gustosa, è una pratica ecologica e appagante. Bisogna però avere delle conoscenze di base per ottenere un buon risultato: questo volume raccoglie informazioni, consigli e trucchi sia per chi non si è mai occupato dell'orto, sia per chi lo coltiva da tempo e desidera curarlo al meglio.

Il maxi libro dell'orto Nov 18 2022 Grande manuale pratico, semplice e senza fronzoli per chi vuole andare al sodo e mettere a frutto il lavoro nell'orto senza rischiare di perdere tempo e denaro. L'orticoltura è uno degli hobby più diffusi in Italia, complice anche il continuo aumento dei prezzi di verdura e ortaggi e la diffidenza nei confronti di prodotti coltivati con largo ricorso alla chimica e a metodi innaturali. Tutto quel che occorre per progettare e impiantare un efficiente orto domestico o semiprofessionale, ricavandone gustose soddisfazioni a ogni stagione.

Lorenzo Ghiberti Apr 11 2022 Volume 2 of 2.

Lorenzo Ghiberti, sculptor and towering figure of the Renaissance, was the creator of the celebrated Bronze Doors of the Baptistery at Florence, a work that occupied him for twenty years and became known (at Michelangelo's suggestion, according to tradition) as the Doors of Paradise. Here Richard Krautheimer takes what Charles S. Seymour, Jr., describes as "a fascinating journey into the mind, career, and inventiveness of one of the indisputably outstanding sculptors of all the Western tradition." This one-volume edition includes an extensive new preface and bibliography by the author. Richard Krautheimer, Professor Emeritus of the Institute of Fine Arts at New York University, currently lives in Rome. He is the author of numerous works, including the *Pelican Early Christian and Byzantine Architecture and Rome: Profile of a City, 312-1308* (Princeton). Princeton Monographs in Art and Archaeology, 31. Originally published in 1983. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
