Showtime Readers is a brand new series of books at four levels, which introduce students to classic children's stories in English, using a unique approach with special emphasis on dramatisation. Students first enjoy the story as a reading text in several two-page episodes with beautiful illustrations. Each episode is accompanied by language activities to help comprehension and consolidate learning. The same story is then brought to life as a complete musical play which students can perform at the end of the school year. Each reader includes a biography of the author, a brief summary of the plot, character descriptions and a picture dictionary. The accompanying audio CDs provide a fully-dramatised recording of both the reading text and the play, together with all songs, incidental music and sound effects. The Teacher's book includes a key to the reading activities, plus the playscript with full stage directions, sheet music and lyrics for all the songs, as well as detailed suggestions about choreography, set design and construction, costumes and more. For classes without sufficient time to stage a full production of the play, there are charming cutout characters to be used in a puppet theatre presentation.

La Express Feb 11 2022 Book is a Prelude to The Climax Collection. Begins with story La Express and then comments on early books by relating authors. Ends with short story The Fatal Mistake. If one were to ask how other chapters of this book relate to the main story title La Express. The tone from start to finish is the only clue. Sin is threw out the world and the nations. One can only express them self threw the freedom of speech. Impostures rule over the nations, becoming like illegal drugs that flood the market like infiltrators. Take the sub way beneath the surface. Can you count upon your leaders. Like gang members a nation is divided. Killing each other over the illegal drugs worth millions. Like the house and the senate which group of infiltrators will rule the nation and the

treasury and the people. Free the innocent. Cash in at the market place and save your family. The Lamb is standing upon mount Zion. Only discipline and a rod of iron can save the nations. If you like The Climax Collection you should have a copy of this book also. A summary of Flea Nickles and other relating authors. Clues to hidden meaning and revelations are revealed. These authors write books filled with puzzles and enigmas. Never misleading but always on track with the word of God and the testaments. Never giving into falsehood or demeaning shepherds nor those who threw corruption rule over the voice of the nations. La Express is part five of the six million dollar buy out for purchase rights. Comes in good faith with the power of the holy spirit. What is inflation and the cost of real estate doing to your world? To purchase a single copy of the entire collection of The Climax. Which includes five books is a cost of eleven hundred dollars. Enjoy the 2300 hour! Eat the hidden manna.

Good Girl Complex Apr 01 2021 *USA Today and Toronto Star bestseller* Full of romance, hijinks, and longing, Good Girl Complex is Elle Kennedy at her very best. She does everything right. So what could go wrong? Mackenzie “Mac” Cabot is a people pleaser. Her demanding parents. Her prep school friends. Her long-time boyfriend. It’s exhausting, really, always following the rules. All she wants to do is focus on growing her internet business, but first she must get a college degree at her parents’ insistence. That means moving to the beachside town of Avalon Bay, a community made up of locals and the wealthy students of Garnet College. Twenty-year-old Mac has had plenty of practice suppressing her wilder impulses, but when she meets local bad boy Cooper Hartley, that ability is suddenly tested. Cooper is rough around the edges. Raw. Candid. A threat to her ordered existence. Their friendship soon becomes the realest thing in her life. Despite his disdain for the trust-fund kids he sees coming and going from his town, Cooper soon realizes Mac isn’t just another rich clone and falls for her. Hard. But as Mac finally starts feeling accepted by Cooper and his friends, the secret he’s been keeping from her threatens the only place she’s ever felt at home.

The Story of the Pony Express Jun 03 2021 An account of the most remarkable mail service ever in existence, and its place in history. The Pony Express was the first rapid transit and the first fast mail line across the North American continent from the Missouri River to the Pacific Coast. It was a system by means of which messages were carried swiftly on horseback across the plains and deserts, and over the mountains of the far West. It brought the Atlantic coast and the rapidly developing state of California ten days nearer to each other. The Pony Express had only a brief existence, from April 1860 to October 1861, when it was supplanted by the trans-continental telegraph. Yet it

was of the greatest importance in binding the East and West together at a time when overland travel was slow and cumbersome, and when a great national crisis made the rapid communication of news between these sections an imperative necessity. The Pony Express marked the highest development in overland travel prior to the coming of the Pacific railroad, which it preceded by nine years. In fact, it proved the feasibility of a transcontinental road and demonstrated that such a line could be built and operated continuously the year around - a feat that had always been regarded as impossible. The operation of the Pony Express was a supreme achievement of physical endurance on the part of man and his ever faithful companion, the horse. The history of this organization should be a lasting monument to the physical sacrifice of man and beast in an effort to accomplish something worthwhile. Its history should be an enduring tribute to American courage and American organizing genius. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been

scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
