Born around the turn of the century, Opal Whiteley spent her childhood on the American Western frontier. Through these excerpts from her diary, readers are given a taste of the struggle and despair as well as the faith and joy felt in each moment of her life. An IRA Teacher's Choice Book. 6/97. Lizzie is an Aspie Girl - she has Asperger's Syndrome, which means that her brain works differently to her friends, and even to boys with Asperger Syndrome. In this book, Lizzie explains what it's like to be an Aspie Girl, including how she has a special talent for blending in with her friends, how she gets really tired after being at school all day, how she worries about making mistakes, and how she finds it hard to understand how she is feeling. By simply, clearly and positively explaining the social differences associated with Asperger's Syndrome, or Autism Spectrum Disorder,

in young girls, this book will help Aspie Girls aged 5 years and over to understand their diagnosis, recognise their unique strengths and celebrate their differences, and find ways of coping with difficulties. This positive and celebratory book also contains helpful discussion points for parents and professionals to explore further with the girls in their care. DigiCat Publishing presents to you this special edition of "A Young Girl's Wooing" by Edward Payson Roe. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. In the 2020s the female birthrate starts to decline. By 2059 only one newborn in twenty is female. This drop in the number of females in the population causes serious social upheavals: changes in sexual mores, the lives of both men and women, occupations, marriage traditions, commerce, and crime. By 2040, the year Julia is born, there is only one female birth for every five males. The situation continues to worsen in the second half of the twenty-first century, until by the time Julia is in her teens, the ratio has dropped to one in twenty-five. Scientists around the world scramble to discover what is causing this decline in female birth and to find a remedy. The world is turned upside down by the social changes brought about by the epidemic. This story tells how the surplus men try to adjust to the situation, and how women handle their newfound power, which comes with a high price: severe restrictions on their freedom and safety. After a failed marriage, Julia prospers as a courtesan, a high-status occupation in the new society. Catherine, Julias daughter, is abducted as a teenager by religious fundamentalists and her life follows radically different path from that of her mother. One of the most moving and eloquent accounts of the Holocaust, read by tens of millions of people around the world since its publication in 1947. The Diary of a Young Girl is the record of two years in the life of a remarkable Jewish girl whose triumphant humanity in the face of unfathomable deprivation and fear has made the book one of the most enduring documents of our time. The Everyman's hardcover edition reprints the Definitive Edition authorized by the Frank estate, plus a new introduction, a

bibliography, and a chronology of Anne Frank's life and times. "In these tales the reader can observe Anne's writing prowess grow from that of a young girl's into the observations of a perceptive, edgy, witty and compassionate woman"--Jacket flaps. THE STORY: Growing up is hard to do--particularly if you are a pre-adolescent girl in Manhattan living with a photo-journalist father reeling from a messy divorce. Constance is a thirteen-year-old torn by life and stretched between parents, struggli It's time to fight back in this second novel in a thrilling, subversive near future series from New York Times bestselling author Suzanne Young about a girls-only private high school that is far more than it appears to be. Make me a girl with a razor heart... It's been weeks since Mena and the other girls of Innovations Academy escaped their elite boarding school. Although traumatized by the violence and experimentations that occurred there, Mena quickly discovers that the outside world can be just as unwelcoming and cruel. With no one else to turn to, the girls only have each other—and the revenge-fueled desire to shut down the corporation that imprisoned them. The girls enroll in Ridgeview Prep, a private school with suspect connections to Innovations, to identify the son of an investor and take down the corporation from the inside. But with pressure from Leandra, who revealed herself to be a double-agent, and Winston Weeks, an academy investor gone rogue, Mena wonders if she and her friends are simply trading one form of control for another. Not to mention the woman who is quite literally invading Mena's thoughts—a woman with extreme ideas that both frighten and intrigue Mena. And as the girls fight for freedom from their past—and freedom for the girls still at Innovations—they must also face new questions about their existence...and what it means to be girls with razor hearts. Sophy keeps hearing that she is made in the image of God, but the only God she has ever heard of is called 'Father.' It doesn't make any sense since, as a girl, she could never be a dad. She decides to find out why God isn't a girl... and what she discovers changes everything! For use in schools and libraries only. An updated edition of a best-selling reference for younger adolescents shares practical, expert advice on topics ranging from hair care and healthy eating to menstruation and acne. Carlip illuminates the worries, hopes, dreams and experiences of girls ages 13 to 19, through their

stories, poems, letters and notes. Their voices come from a variety of backgrounds and perspectives--cowgirls, lesbians, teen mothers, sorority sisters and girls in gangs--and reveal the depth, vulnerability, wisdom and power of the writers. In the early 1970s, a number of West German left-wing activists took up arms, believing that revolution would lead to social change. This publication questions the separation of political violence from feminist politics and offers a new understanding of left-wing female terrorists' actions as feminist practices that challenged existing gender ideologies. The author draws on archival sources, unpublished letters, and interviews with former activists to paint an interdisciplinary picture of West Germany's most notorious political group, the Red Army Faction (der Rote Armee Fraktion (RAF)). A theoretical dissection of capitalism's ultimate form of merchandise: the living spectacle of the Young-Girl. The Young-Girl is not always young; more and more frequently, she is not even female. She is the figure of total integration in a disintegrating social totality. —from *Theory of the Young-Girl* First published in France in 1999, *Preliminary Materials for a Theory of the Young-Girl* dissects the impossibility of love under Empire. The Young-Girl is consumer society's total product and model citizen: whatever “type” of Young-Girl she may embody, whether by whim or concerted performance, she can only seduce by consuming. Filled with the language of French women's magazines, rooted in Proust's figure of Albertine and the amusing misery of (teenage) romance in Witold Gombrowicz's *Ferdydurke*, and informed by Pierre Klossowski's notion of “living currency” and libidinal economy, *Preliminary Materials for a Theory of the Young-Girl* diagnoses—and makes visible—a phenomenon that is so ubiquitous as to have become transparent. In the years since the book's first publication in French, the worlds of fashion, shopping, seduction plans, makeover projects, and eating disorders have moved beyond the comparatively tame domain of paper magazines into the perpetual accessibility of Internet culture. Here the Young-Girl can seek her own reflection in corporate universals and social media exchanges of “personalities” within the impersonal realm of the marketplace. Tracing consumer society's colonization of youth and sexuality through the Young-Girl's “freedom” (in magazine terms) to do whatever she wants with her

body, Tiquun exposes the rapaciously competitive and psychically ruinous landscape of modern love. #1 NEW YORK TIMES BESTSELLER • Includes two new essays! NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY MICHIKO KAKUTANI, THE NEW YORK TIMES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED, THE GLOBE AND MAIL, AND LIBRARY JOURNAL For readers of Nora Ephron, Tina Fey, and David Sedaris, this hilarious, wise, and fiercely candid collection of personal essays establishes Lena Dunham—the acclaimed creator, producer, and star of HBO’s *Girls*—as one of the most original young talents writing today. In *Not That Kind of Girl*, Dunham illuminates the experiences that are part of making one’s way in the world: falling in love, feeling alone, being ten pounds overweight despite eating only health food, having to prove yourself in a room full of men twice your age, finding true love, and most of all, having the guts to believe that your story is one that deserves to be told. “Take My Virginity (No Really, Take It)” is the account of Dunham’s first time, and how her expectations of sex didn’t quite live up to the actual event (“No floodgate had been opened, no vault of true womanhood unlocked”); “Girls & Jerks” explores her former attraction to less-than-nice guys—guys who had perfected the “dynamic of disrespect” she found so intriguing; “Is This Even Real?” is a meditation on her lifelong obsession with death and dying—what she calls her “genetically predestined morbidity.” And in “I Didn’t F*** Them, but They Yelled at Me,” she imagines the tell-all she will write when she is eighty and past caring, able to reflect honestly on the sexism and condescension she has encountered in Hollywood, where women are “treated like the paper thingies that protect glasses in hotel bathrooms—necessary but infinitely disposable.” Exuberant, moving, and keenly observed, *Not That Kind of Girl* is a series of dispatches from the frontlines of the struggle that is growing up. “I’m already predicting my future shame at thinking I had anything to offer you,” Dunham writes. “But if I can take what I’ve learned and make one menial job easier for you, or prevent you from having the kind of sex where you feel you must keep your sneakers on in case you want to run away during the act, then every misstep of mine will have been worthwhile.” Praise for *Not That Kind of Girl* “The gifted Ms. Dunham not only writes with observant precision, but also

brings a measure of perspective, nostalgia and an older person's sort of wisdom to her portrait of her (not all that much) younger self and her world. . . . As acute and heartfelt as it is funny."—Michiko Kakutani, *The New York Times* "It's not Lena Dunham's candor that makes me gasp. Rather, it's her writing—which is full of surprises where you least expect them. A fine, subversive book."—David Sedaris "This book should be required reading for anyone who thinks they understand the experience of being a young woman in our culture. I thought I knew the author rather well, and I found many (not altogether welcome) surprises."—Carroll Dunham "Witty, illuminating, maddening, bracingly bleak . . . [Dunham] is a genuine artist, and a disturber of the order."—*The Atlantic* All I can say is that I never thought it would come to this. I never thought I would run away. For some reason I thought you, of all people, would see and know. Sheree has always been a tough girl, able to take care of herself. Then she finds herself in a situation where she can't. She needs help. She needs answers. But she can't get either from the people she she turns to -- her parents, her friends, and especially, her boyfriend, who calls her Baby Girl and treats her like she's disposable. So who can Sheree turn to? Maybe the answer lies deep within herself, and it's truly time for her to grow up. In a voice that rings strong and true, debut novelist Lenora Adams tells a story that is rich, complex, and achingly real. In all of your gorgeous shades and hues, black girls, this book is for you!

Stereotypes and images tell us how to dress and think, but what truly defines you? Have you ever looked in the mirror and felt that your weight, hair, or skin tone were inadequate and didn't measure up to others? Navigating through self-acceptance can be difficult not to mention dealing with relationships and family dynamics. But through this book, you will discover that you are not alone. *For Black Girls* is about coming of age and taking control of your life and making choices that will set you on the path to self-discovery. *For Black Girls* will help you do the following: Discover the difference between your identity and stereotypes Develop life and career goals Appreciate your unique beauty and worth Use concrete tools to break destructive habits in relationships Make meaningful relationship goals Find strategies for time management Learn to be healthy and accept your body Identify what your spending habits say about you and how to

change them It includes questions for individual/group reflection and discussions. As you take charge of your life, watch as you emerge and flourish into the beautiful young woman you were meant to be!

Reproduction of the original: *A Young Girl's Wooing* by E.P. Roe

Sage is living the fast life with her homegirls Nesh, KiKi and Shay, dating Dope Boys and having fun when life hits her hard and she's left fractured with no clear way as to how to pick up the pieces. Things have changed forever and there is no going back, only forward. Sage doesn't know anything other than the life she's lived, and she's ill-equipped to undertake a new journey with the cards she's been dealt. She finds that the more she tries to do things different, the more she ends up two steps behind only to end up in the same place. *BabyGirl* is a nostalgic trip down memory lane about Sage aka Ali, who is not your average girl from the hood. She's smart, wise beyond her years, and knows there's more to life than what she's seen growing up. But, Sage also likes the finer things in life, and doesn't mind hustling to get it. She just doesn't want to end up dead or in jail like so many others from South Central, Los Angeles. Yet, that's exactly where she will end up if she doesn't use her street and book smarts to alter her lifestyle and avoid an almost certain fate. This diary describes the memories of the author as a ten year old girl growing up in New York City from August 1849 through June 1850. She relates wonderful stories of people and places of old New York as seen through the eyes of a child. The classic text of the diary Anne Frank kept during the two years she and her family hid from the Nazis in an Amsterdam attic is a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Chrissie Brown is no stranger to challenges. Born and raised in San Francisco, her father was murdered at the hands of his best friends and her mother suffered a subsequent breakdown and addiction to drugs. Now finally back with her mother after years apart, Chrissie is a spoiled and beautiful seventeen-year-old who is gifted at manipulating people to get what she wants in life. As high school graduation looms, Chrissie keeps herself busy by imagining herself escaping her older sister's bossy clutches, fantasizing about being with her crush, and making it big in Hollywood. When her already stagnant love life suddenly turns sour, Chrissie answers the door when opportunity knocks and heads out on her own to start over. But

as her façade of pretending to be someone she is not causes her life to take a turn for the worse, Chrissie is forced down a wayward and dark path where she must look within to find a way out. In this urban tale, a teenager embarks on a shadowy coming-of-age journey that leads her away from a spoiled existence and into the unknown where she must battle to survive the unforeseen. Now the principles of Elizabeth George's bestselling *A Woman After God's Own Heart* (more than 730,000 copies sold) are shared in sweet poetry for little girls. Teaming up once again with popular artist Judy Luenebrink (*God's Wisdom for Little Girls*) Elizabeth George shares the gift of pursuing a heart filled with: love gentleness faithfulness kindness and goodness joy and peace With charming paintings and easy-to-learn rhymes, this is the perfect way to give a little girl the gift of knowing God and His love for her. *Fighting the Traffic in Young Girls* is an early 20th-century book on the campaign against prostitution. It was written and edited by a Chicago minister and features articles from a Chicago District attorney, several ministers, social workers, and others active in the campaign against "the white slave trade." The purpose of the campaign was to oppose the recruitment of young girls into prostitution. Lakshmi is a thirteen-year-old girl who lives with her family in a small hut on a mountain in Nepal. Though she is desperately poor, her life is full of simple pleasures, like playing hopscotch with her best friend from school, and having her mother brush her hair by the light of an oil lamp. But when the harsh Himalayan monsoons wash away all that remains of the family's crops, Lakshmi's stepfather says she must leave home and take a job to support her family. He introduces her to a glamorous stranger who tells her she will find her a job as a maid in the city. Glad to be able to help, Lakshmi journeys to India and arrives at "Happiness House" full of hope. But she soon learns the unthinkable truth: she has been sold into prostitution. An old woman named Mumtaz rules the brothel with cruelty and cunning. She tells Lakshmi that she is trapped there until she can pay off her family's debt—then cheats Lakshmi of her meager earnings so that she can never leave. Lakshmi's life becomes a nightmare from which she cannot escape. Still, she lives by her mother's words— Simply to endure is to triumph—and gradually, she forms friendships with the other girls that enable her to survive in this

terrifying new world. Then the day comes when she must make a decision—will she risk everything for a chance to reclaim her life? Written in spare and evocative vignettes, this powerful novel renders a world that is as unimaginable as it is real, and a girl who not only survives but triumphs. Every girl is a beautiful creation, uniquely equipped by God to do His work in the world. But as girls are growing, changing, and making choices about the kinds of lives they will lead, they are bombarded with conflicting messages about what it means to be a woman. The media says one thing, boys say another, and friends seem obsessed with whatever is newest and coolest. As a result, girls too often hand their decisions over to those least qualified to make them. Into the breach steps Elizabeth George, bestselling author and beloved Bible teacher. With wisdom, gentleness, and tremendous grace, she guides tween girls ages 8 to 12 through the most challenging decisions they face, teaching them to let God—not the world—define who they are. Discussing such topics as attitude, friendships, crushes, parents, school, and avoiding bad situations, Elizabeth helps girls see that the very best choice of all is a choice to live within God's will. Perfect for individuals, small groups, and mentoring. After her mother's tragic death, Shayla is left to navigate her teenage years with little help from her neglectful, playboy father. Used and abused by the adults around her, Shayla makes some risky choices, taking a job as a waitress in one of Harlem's top strip clubs before she's even of legal age. She makes ends meet by running scams on unsuspecting patrons, but her luck soon runs out when she is raped and left for dead one night after work. Confused and scared, Shayla concocts a lie that leads to an arrest. A man is convicted and sent to prison for the crime, though he insists he's innocent. Shayla goes about putting her life back together, and with the help of a great mentor, she makes some big changes. Now a graduate of Howard University, she's ready to begin a new career and put her old life far behind her—until an unexpected twist turns everything upside down. New DNA evidence leads the court to reopen the rape case, and Shayla will be forced to confront the lies that she told. Will she ever be truly free from the ugly demons of her past? Worried about mean girls? Help your daughter respond and react to bullying where it starts---in elementary school As experts in developmental psychology

and each a mother of three, Dr. Michelle Anthony and Dr. Reyna Lindert began noticing an alarming pattern of social struggle among girls as young as five, including their own daughters. In today's world, it is likely that your daughter has been faced with bullying and friendship issues, too---and perhaps you're at a loss for how to guide her through these situations effectively. **Little Girls Can Be Mean** is the first book to tackle the unique social struggles of elementary-aged girls, giving you the tools you need to help your daughter become stronger, happier, and better able to enjoy her friendships at school and beyond. Dr. Anthony and Dr. Lindert offer an easy-to-follow, 4-step plan to help you become a problem-solving partner with your child, including tips and insights that girls can use on their own to confront social difficulties in an empowered way. Whether your daughter is just starting grade school or is already on her way to junior high, you'll learn how to: **OBSERVE** the social situation with new eyes **CONNECT** with your child in a new way **GUIDE** your child with simple, compassionate strategies **SUPPORT** your daughter to act more independently to face the social issue By focusing squarely on the issues and needs of girls in the years before adolescence, **Little Girls Can Be Mean** is the essential, go-to guide for any parent or educator of girls in grades K-6. The third book in Laura Ingalls Wilder's treasured **Little House** series—now available as an ebook! This digital version features Garth Williams's classic illustrations, which appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. The adventures continue for Laura Ingalls and her family as they leave their little house in the Big Woods of Wisconsin and set out for the big skies of the Kansas Territory. They travel for many days in their covered wagon until they find the best spot to build their house. Soon they are planting and plowing, hunting wild ducks and turkeys, and gathering grass for their cows. Just when they begin to feel settled, they are caught in the middle of a dangerous conflict. The nine **Little House** books are inspired by Laura's own childhood and have been cherished by generations of readers as both a unique glimpse into America's frontier history and as heartwarming, unforgettable stories. Women write about their experiences of loving music that doesn't love them back – a feminist 'guilty pleasures'.e - a kind of feminist guilty pleasures. In the majority of mainstream writing

and discussions on music, women appear purely in relation to men as muses, groupies or fangirls, with our own experiences, ideas and arguments dismissed or ignored. But this hasn't stopped generations of women from loving, being moved by and critically appreciating music, even – and sometimes especially – when we feel we shouldn't.

Under My Thumb: Songs that Hate Women and the Women Who Love Them is a study of misogyny in music through the eyes of women. It brings together stories from journalists, critics, musicians and fans about artists or songs we love (or used to love) despite their questionable or troubling gender politics, and looks at how these issues interact with race, class and sexuality. As much celebration as critique, this collection explores the joys, tensions, contradictions and complexities of women loving music – however that music may feel about them. Featuring: murder ballads, country, metal, hip hop, emo, indie, Phil Spector, David Bowie, Guns N' Roses, 2Pac, the Rolling Stones, Bob Dylan, AC/DC, Elvis Costello, Jarvis Cocker, Kanye West, Swans, Eminem, Jay-Z, Taylor Swift, Combichrist and many more. **A Journey to the Unknown of a Young Girl Named Kahache** is sensational. It will make you laugh, make you cry, and make you live again. An uncut edition of Anne Frank's diary includes entries originally omitted by her father and provides insight into Anne's relationship with her mother. **Baking cookbook** is a perfect present for young chef who loves to bake, cook and experiment in a kitchen. **Baking Book Features:** 120 pages special designed for writing down your recipes ! Sized at 8.5" X 11". Contains measurement tables. Full color MATTE cover for an elegant, professional look and feel. Flexible soft cover paperback. Great gift for Birthday, Christmas, family and friends! First released in 2002, this provocative, critically acclaimed novel is now a major motion picture starring Bel Powley, Kristen Wiig, and Alexander Skarsgård. "I don't remember being born. I was a very ugly child. My appearance has not improved so I guess it was a lucky break when he was attracted by my youthfulness." So begins the wrenching diary of Minnie Goetze, a fifteen-year-old girl longing for love and acceptance and struggling with her own precocious sexuality. After losing her virginity to her mother's boyfriend, Minnie pursues a string of sexual encounters (with both boys and girls) while experimenting with drugs and developing her talents as an artist.

Unsupervised and unguided by her aloof and narcissistic mother, Minnie plunges into a defenseless, yet fearless adolescence. While set in the libertine atmosphere of 1970s San Francisco, Minnie's journey to understand herself and her world is universal: this is the story of a young woman troubled by the discontinuity between what she thinks and feels and what she observes in those around her. Acclaimed cartoonist and author Phoebe Gloeckner serves up a deft blend of visual and verbal narrative in her complex presentation of a pivotal year in a girl's life, recounted in diary pages and illustrations, with full narrative sequences in comics form. *The Diary of a Teenage Girl* offers a searing comment on adult society as seen through the eyes of a young woman on the verge of joining it. This edition has been updated by the author with an introduction reflecting on the book's critical reception and value as diary or novel, historical document or work of art. Also included in this revised edition are supplementary photographs and illustrations from the author's childhood, including some of her own diary entries. "Phoebe Gloeckner... is creating some of the edgiest work about young women's lives in any medium."—*The New York Times* "One of the most brutally honest, shocking, tender and beautiful portrayals of growing up female in America."—*Salon* "It's the most honest depiction of sexuality in a long, long time; as a meditation on adolescence, it picks up a literary ball that's been only fitfully carried after Salinger."—*Nerve.com* First published in 1986. Routledge is an imprint of Taylor & Francis, an informa company. *The Diary of a Young Girl* is a book of the diary kept by Anne Frank while she was in hiding for two years with her family during the Nazi occupation of the Netherlands. Published in 1947, the diary received widespread critical and popular attention. The book is included in several lists of the top books of the 20th century. Anita Harris creates a realistic portrait of the "new girl" that has appeared in the twenty-first century--she may still play with Barbie, but she is also likely to play soccer or basketball, be assertive and may even be sexually aware, if not active. Building on this new definition, Harris explores the many key areas central to the lives of girls from a global perspective, such as girlspace, schools, work, aggression, sexuality and power.
