Journal of the House of Representatives of the ... Regular Session of the General Assembly of the State of Iowa Jul 12 2022

*Shakespeare's Blank Verse* Apr 28 2021 Shakespeare's *Blank Verse: An Alternative History* is a study both of Shakespeare's versification and of its place in the history of early modern blank verse (unrhymed iambic pentameter). It ranges from the continental precursors of English blank verse in the early sixteenth century through the drama and poetry of Shakespeare's contemporaries to the editing of blank verse in the eighteenth century and beyond. Alternative in its argumentation as well as its arguments, Shakespeare's *Blank Verse* tries out fresh ways of thinking about meter—by shunning doctrinaire methods of apprehending a writer's versification, and by reconnecting meter to the fundamental literary, dramatic, historical, and social questions that animate Shakespeare's drama.
