A Handbook of the Troubadours Aug 19 2022 This book is a reference volume and a digest of more than a century of scholarly work on troubadour poetry. Written by leading scholars, it summarizes the current consensus on the various facets of troubadour studies. Standing at the beginning of the history of modern European verse, the troubadours were the prime poets and composers of the twelfth and thirteenth centuries in the South of France. No study of medieval literature is complete without an examination of the courtly love which is celebrated in the elaborately rhymed stanzas of troubadour verse, creations whose words and melodies were imitated by poets and musicians all over medieval Europe. The words of about 2,500 troubadour songs have survived, along with 250 melodies, and all have come under intense scholarly scrutiny. This Handbook brings together the fruits of this scrutiny, giving teachers and students an overview of the fundamental issues in troubadour scholarship. All quotations are given in the original Old Occitan and in English. The editors provide a list of troubadour editions and an index, and each chapter includes a list of additional readings.

Messaien's [sic] Explorations of Love and Death Feb 01 2021
Olivier Messiaens lifelong quest centered on the colors and rhythms of a music that would serve as a vehicle for his thoughts about time, his love of God, and his enthusiasm for birdsong. An additional topic about which he felt deeply is that of passionate, fated human love and its relationship to death on the one hand, the love of God on the other. During the years 1936-1948, he composed five cycles of vocal music to his own texts as well as the Turangalîla Symphony, the monumental centerpiece of his Tristan Trilogy. The focus of this study is the in-depth analysis and interpretation of these six works on love, with particular regard for their unusual wealth of poetic, sonic, and visual colors and imagery. The wonder of rainbows, the magic of exotic sounds, the fantastic attractiveness of surrealist representations, and the majestic inexorability of fate in myths of various times and cultures define Messiaens lyrics as much as his idiosyncratic, highly symbolic musical language, which never fails to build bridges between this and another world.

Joy d'amor Jun 24 2020

La joie d'amour Dec 11 2021 Jalousie, lassitude, culpabilité, sentiment de trahison ou de domination... Nombreux sont les obstacles à franchir, les malentendus à lever, les souffrances à dépasser pour accéder à la joie d'amour. Démontrant qu'elle n'est en rien une utopie, Robert Misrahi propose une véritable "philosophie de l'amour". Il décrit de manière accessible et concrète comment le penser et le vivre pour atteindre la splendeur promise. S'appuyant sur son expérience mais aussi sur des exemples tirés de la littérature, Robert Misrahi explique comment surmonter les échecs amoureux et trace la route de la "conversion au bonheur". Un ouvrage positif et

profondément humain.

Joie D'amour Jan 24 2023

Joie d'amour Jan 20 2020

Messiaen Feb 19 2020 The definitive English-language study of the works of Olivier Messiaen, one of the most important of living composers, is here revised and updated. Robert Sherlaw Johnson surveys Messiaen's music and musical language, exploring the development of Messiaen's technique, his individual approach to harmony and rhythm, the theological and symbolic aspects of his music, and his use of birdsong. A brief biographical sketch is included, as well as a chronological list of works.

Plaisir D'amour Oct 21 2022

Joie de Vivre Feb 13 2022 An engaging exploration of the style that permeates all things French—perfect for anyone looking to achieve that classic French flair For Harriet Welty Rochefort, an American who has lived in France for many years with her very French husband, it's clear that the French truly are singular in the way they live, act, and think—from the lightness of their pastries to the refinement of their Hermes scarves. They simply exude a certain je ne sais quoi that is a veritable art form. The French revel in the moment, appreciate the time spent in preparing a perfect feast, pay attention to the slightest detail--whether flowers on the table or a knockout accessory on a simple outfit--and work hard when not enjoying their (considerable) leisure time without an ounce of guilt. Their joie de vivre can come where you least expect it: for the French it's better to have a chagrin d'amour than no amour at all, and for the Frenchman a day without discord is a day without a kick. They have fun (yes, fun !) when they fuss and feud, squabble and shrug. When it comes to joie de vivre,

Harriet is convinced the French are unbeatable. With good humor and genuine affection for the prickly, paradoxical, and pleasure-seeking Gauls, she takes the reader on her own personal journey through the often byzantine French mindset, sharing tips and tricks such as how to diet like a Frenchwoman and project confidence like a true Parisienne. In her signature warm, witty, and entertaining voice, Harriet shows how joie de vivre permeates the French way of life, precisely because it doesn't include a "pursuit of happiness." Fortunately, she discovered, you don't have to "pursue" happiness in France. It pursues you.

The Belly of Paris Oct 17 2019 Includes bibliography, chronology, explanatory notes.

Secrets D'Amour Aug 07 2021

Théorie de la communication et éthique relationnelle (Collection forme et sens) Jul 18 2022 Théorie de la communication et éthique relationnelle montre, à travers des études de cas, que les discours sur la communication sont marqués d'une structure relationnelle qui prend son origine dans la perception de l'espace, dans le langage, dans l'esprit, mais aussi dans les formes graphiques et mises en page textuelles en circulation dans la société. Cet ouvrage met cette matrice relationnelle à l'épreuve, notamment, de la pensée systémique, de la complexité en science, du dialogisme en littérature, du traitement journalistique des conflits, de l'éthique managériale, des méthodes d'apprentissage de la communication, de campagnes de publicité, d'oeuvres d'artistes, de scénographies, de

communications par internet.

Les Demandes D'amour Mar 14 2022

Eleanor of Aquitaine May 16 2022 Eleanor's patrilineal descent, from a lineage already prestigious enough to have produced an empress in the eleventh century, gave her the lordship of Aquitaine. But marriage re-emphasized her sex which, in the medieval scheme of gender-power relations relegated her to the position of Lady in relation to her Lordly husbands. In this collection, essays provide a context for Eleanor's life and further an evolving understanding of Eleanor's multifaceted career. A valuable collection on the greatest heiress of the medieval period.

Troubadours Et Cours D'amour Jun 17 2022

The Mistress of Normandy Apr 15 2022 #1 New York Times bestselling author Susan Wiggs transports readers to the lush French countryside of Normandy in this classic tale of love, family honor and true knights in shining armor... Rand Fitzmarc has fought his way to prominence under the banner of King Henry V. At long last, his loyalty to the English crown will be rewarded with a title and land...in Normandy, France's richest prize. Now the freshly knighted nobleman will have to battle once more for the right to possess his French barony, and for the hand of the woman who holds it. Lianna of Bois-Long is determined to keep her lands free from the usurping English king and the husband he's chosen for her...and her heart safe from any man. Yet when she meets a golden stranger in a sunny forest glade, Lianna is seduced by the heat of his tender gaze and his strong embrace. But when her forest lover is revealed as the English baron who has come to claim her ancestral home, will Lianna be able to forgive his deception? Or will pride keep her from the man who has managed to steal her heart? Originally published in 2014.

Passion D'Amour Sep 20 2022 These two novels of 1920s Paris are memoirs of an era when society was devoted to the pleasure of seduction. Plaisir d'Amour follows a group of lovers discovering a world of privilege without boundaries. Joie d'Amour recounts the exploits of those for whom "civilized" behavior means testing the forbidden.

Fifteenth-Century Studies Vol. 28 May 24 2020 The focus of the volume, in addition to standard features such as the bibliographical update on 15th-c. theater, is on late-medieval authors as literary critics. Founded in 1977 as the publication organ for the Fifteenth-Century Symposium, Fifteenth-Century Studies has appeared annually since then. It publishes essays on all aspects of life in the fifteenth century, including literature, drama, history, philosophy, art, music, religion, science, and ritual and custom. The editors strive to do justice to the most contested medieval century, a period that has long been the stepchild of research. The fifteenth century defies consensus on fundamental issues: some scholars dispute, in fact, whether it belonged to the middle ages at all, arguing that it was a period of transition, a passage to modern times. At issue, therefore, is the very tenor of an age that stood under the influence of Gutenberg, Columbus, the Devotio Moderna, and Humanism. Along with the standard updating of bibliography on 15th-c. theater, this volume is devoted to research on late-medieval authors as literary critics. Thus, for the historian as well as the writer of fiction, the tenuous limits between truth and fantasy (and the role of

doubt) are investigated. If there are several eyewitness accounts of an event, which one can be trusted? Medieval memorialists sometimes became advisors to princes and used a rhetoric of careful persuasion. Values such as chivalry, courtly love, and kingly self-representation come up for discussion here. Several essays ponder the structure of poetic forms and popular genres, and others consider more factual topics such as incunabula on medications, religious literature in the vernacular for everyday use, a student's notebook on magic, and late medieval merchants, money, and trade. Contributors: Edelgard DuBruck, Karen Casebier, Emma J. Cayley, Albrecht Classen, Michael G. Cornelius, Jean Dufornet, Catherine Emerson, Leonardas V. Gerulaitis, Kenneth Hodges, Sharon M. Loewald, Luca Pierdominici, Michel J. Raby, Elizabeth I. Wade. Edelgard E. DuBruck is professor emerita in the Modern Languages Department at Marygrove College in Detroit; Barbara I. Gusick is professor emerita of English at Troy University-Dothan, Dothan, Alabama.
