Give Me Liberty!: From 1865. "What is freedom?" : Reconstruction, 1865-1877 ; America's gilded age, 1870-1890 ; Freedom's boundaries, at home and abroad, 1890-1900 ; The progressive era, 1900-1916 ; Safe for democracy : the United States and World War I, 1916-1920 ; From business culture to Great Depression : the twenties, 1920-1932 ; The New Deal, 1932-1940 ; Fighting for the four freedoms : World War II, 1941-1945 ; The United States and the Cold War : 1945-1953 ; An affluent society, 1953-1960 ; The sixties, 1960-1968 ; The triumph of conservatism, 1969-1988 ; Globalization and its discontents, 1989-2000 ; September 11 and the next American century Jul 20 2020 Give Me Liberty! is the leading textbook in the market because it works in the classroom. A single-author book, Give Me Liberty! offers students a consistent approach, a single narrative voice, and a coherent perspective throughout the text. Threaded through the chronological narrative is the theme of freedom in American history and the significant conflicts over its changing meanings,

its limits, and its accessibility to various social and economic groups throughout American history. With the Seagull Edition, students get the full text in a value-edition format: two-color, a selection of the illustrations and maps in the regular edition, and a basic version of the pedagogy. The price is half that of the regular edition, and less than the Brief Edition. --

Give Me Liberty!, Volume 1 Mar 08 2022 The leading United States History survey text, now available in a brief, full-color edition.

Give Me Liberty!: An American History Seagull 6E Combined Vol Dec 17 2022 A powerful text by an acclaimed historian, Give Me Liberty! delivers an authoritative, concise, and integrated American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: "Who is an American?" With new coverage of issues of inclusion and exclusion—reinforced by new primary source features in the text and a new secondary source tutorial online—Give Me Liberty! strengthens students' most important historical thinking skills. The Seagull Edition offers the complete text of the Full Edition in full color and a portable trim size with fewer illustrations and maps and an exceptionally low price.

The Story of American Freedom Apr 28 2021 Freedom: a promised land, a battleground, America's cultural bond and fault line. In this penetrating history, Eric Foner describes the concept of freedom, not as a fixed set of inherited ideas, but as something that has evolved through time, being altered or entirely reinvented by the various groups of people who have claimed a right to it. Foner shows how freedom's meaning has been shaped not only in political debates and treatises, but on

plantations and picket lines, in parlors and bedrooms. Its cast of characters ranges from Thomas Jefferson, through Margaret Sanger, to Franklin D. Roosevelt; from former slaves seeking to breathe real meaning into emancipation, to the union organizers and women's rights advocates of our time. B&W Illustrations.

The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

The Second Founding: How the Civil War and Reconstruction Remade the Constitution Aug 21 2020 From the Pulitzer Prize–winning scholar, a timely history of the constitutional changes that built equality into the nation's

foundation and how those guarantees have been shaken over time. The Declaration of Independence announced equality as an American ideal, but it took the Civil War and the subsequent adoption of three constitutional amendments to establish that ideal as American law. The Reconstruction amendments abolished slavery, guaranteed all persons due process and equal protection of the law, and equipped black men with the right to vote. They established the principle of birthright citizenship and guaranteed the privileges and immunities of all citizens. The federal government, not the states, was charged with enforcement, reversing the priority of the original Constitution and the Bill of Rights. In grafting the principle of equality onto the Constitution, these revolutionary changes marked the second founding of the United States. Eric Foner's compact, insightful history traces the arc of these pivotal amendments from their dramatic origins in pre-Civil War mass meetings of African-American "colored citizens" and in Republican party politics to their virtual nullification in the late nineteenth century. A series of momentous decisions by the Supreme Court narrowed the rights guaranteed in the amendments, while the states actively undermined them. The Jim Crow system was the result. Again today there are serious political challenges to birthright citizenship, voting rights, due process, and equal protection of the law. Like all great works of history, this one informs our understanding of the present as well as the past: knowledge and vigilance are always necessary to secure our basic rights.

[Give Me Liberty!](#) Apr 09 2022 Presents a survey text of American history from European exploration to the present day, with an emphasis on the interconnections between social,

cultural, political, and economic history.

Give Me Liberty! an American History : Volume 2 Dec 25 2020

Gateway to Freedom: The Hidden History of the Underground

Railroad Jan 26 2021 The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize–winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed

record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

A House Divided Oct 03 2021 In conjunction with a ten-year exhibit at the Chicago Historical Society, beginning January 1990.
