With the advent of CRISPR gene-editing technology, designer babies have become a reality. Françoise Baylis insists that scientists alone cannot decide the terms of this new era in human evolution. Members of the public, with diverse interests and perspectives, must have a role in determining our future as a species. Christopher Fulton's journey began with the death of Evelyn Lincoln, late secretary to President John F. Kennedy. Through Lincoln, crucial evidence ended up in Christopher's hands—evidence that was going to be used to facilitate a new future for America. But the U.S. government's position was clear: that evidence had to be confiscated and classified, and the truth hidden away from the public. Christopher was sent to federal prison for years under a sealed warrant and indictment. The Inheritance, Christopher's personal narrative, shares insider information from his encounters with the Russian Government, President Ronald Reagan, Donald Trump, the Clinton White House, the U.S. Justice Department, the Secret Service, and the Kennedy family themselves. It reveals the true intentions of Evelyn Lincoln and her secret promise to Robert Kennedy—and Christopher's secret promise to John F. Kennedy Jr. The Inheritance explodes with history-changing information and answers the questions Americans are still asking, while pulling them through a gauntlet of some of the worst prisons this country has to offer. This book thrillingly exposes the reality of American power, and sheds light on the dark corners of current corruption within the executive branch and the justice and prison systems. Ten-year-old orphan Maria lives in her ancestors' crumbling mansion, with warm-hearted Cook and the eccentric Professor as her only friends. Exploring the grounds one day, Maria discovers a wild, half-forgotten island in the middle of a neglected lake - and an extraordinary secret. For the island is home to a community of tiny people - the Lilliputians that Gulliver first met on his famous travels. But as Maria grows closer to her new friends, her own life is in grave danger. Her wicked governess and the cruel vicar are plotting to steal her rightful inheritance - and they will stop at nothing. How can Maria keep the Lilliputians safe, while protecting herself? A timeless classic from the author of *The Sword in the Stone*, with an introduction by Anne Fine. On the eve of the Quest for the Holy Grail, every adult in King Arthur's castle falls into an enchanted sleep. The future of Camelot rests on the shoulders of fourteen-year-old squire Gerard, who has dreamed of becoming a Knight of the Round Table his whole life. With the help of Newt, the stable boy, and Ailis, a young maidservant, he must face terrible dangers, including a monstrous bridge troll, a wise and scheming dragon -- and finally, a dark, powerful force that will stop at nothing to destroy King Arthur, the knights, and the entire realm of Camelot. *The Last Camelot: US Navy's "Secret City"* By: J.C. Martin In the 1940's, the U.S. Military acquired over a million acres of California desert for the development of the Naval Ordnance Test Station in China Lake, known colloquially at the time as "The Base." By the fifties and sixties, a thriving community emerged with all the comforts of the typical American suburbs. In this book, J. C. Martin enthusiastically recounts his formative years at China Lake through numerous anecdotes, each one revealing glimpses of daily life inside this unique military base. From these stories, we learn why so

many residents who grew up there referred to their home as "Camelot." About the Author J.C. Martin, a semi-retired business owner in the Department of Defense contracting industry since 1972, currently lives in Las Vegas. Martin has always said he considers his proudest accomplishment, along with his forty-eight years in the business world, raising and coaching his four wonderful and personable children as a single father in the same local community where he grew up. This is a presentation of Camelot, including the design decisions, key algorithms used, implementation details, performance characteristics, and relevant material on the Mach operating system and programming tools. "Head First Java" engages readers on many levels, bringing the latest learning theories and research together to create not just a book to read, but a multi-sensory learning experience. "Laura Sebastian is the next Madeline Miller. . . . a fierce, fresh, lyrical tale that will enthrall until the last page."--Kate Quinn, New York Times bestselling author of The Huntress A Popsugar Best Summer Read of 2021 A Bibliolifestyle Most Anticipated Summer 2021 Sci-fi and Fantasy Book "Magical, haunting, unique--I haven't been so excited about an Arthur book since I read The Once and Future King ."--Tamora Pierce, #1 New York Times bestselling author The Lady of Shalott reclaims her story in this bold feminist reimagining of the Arthurian myth from the New York Times bestselling author of Ash Princess. Everyone knows the legend. Of Arthur, destined to be a king. Of the beautiful Guinevere, who will betray him with his most loyal knight, Lancelot. Of the bitter sorceress, Morgana, who will turn against them all. But Elaine alone carries the burden of knowing what is to come--for Elaine of Shalott is cursed to see the future. On the mystical isle of Avalon, Elaine runs free and learns of the ancient prophecies surrounding her and her friends--countless possibilities, almost all of them tragic. When their future comes to claim them, Elaine, Guinevere, Lancelot, and Morgana accompany Arthur to take his throne in stifling Camelot, where magic is outlawed, the rules of society chain them, and enemies are everywhere. Yet the most dangerous threats may come from within their own circle. As visions are fulfilled and an inevitable fate closes in, Elaine must decide how far she will go to change destiny--and what she is willing to sacrifice along the way. In this inspirational Christian romantic suspense, set at a Vermont ski resort, Attorney Maddie Stone helps Jordan Star save his late grandfather's resort from mysterious heir. Heir Conditioning at Open Country shares an autobiography that is a true, Camelot-like tale—a dramatic story of inheritance featuring a Mordred, a Morgan le Fay, and later, thankfully, a Sir Galahad who saved the day in the final hour. Russell Hunter and two of his cousins were left the contents of a twenty-nine-room mansion that had been closed up for twenty years. It had belonged to his cousin Margy's very wealthy family. Hunter had known the estate as a child when the family was still wealthy and was both grieved and appalled to find out what had become of the home he once knew and loved. When he and his cousins opened the house, they discovered that the contents ran the gamut from pure trash to ancestral dresses, china, silver, glass, and furniture dating from the eighteenth century. As they worked their way through the contents, trying to determine how best to handle them, one of the heirs, in the style of Morgan le Fay, became very greedy about the value of the house's contents; she attempted to dominate the sale process so that she profited more than the others. The trio of cousins was saved by the Sir Galahad figure who managed the house sale—from which all of the heirs benefited equally. Hollywood Knights examines Hollywood Arthuriana as political nostalgia offered to American viewers during times of cultural crisis: the red scare of the 1950s, the breakdown of traditional authority in the 1960s and 1970s, the turn to the right in the 1980s and the redemption of masculine and national authority in the 1990s. Its analysis of these films explores their proposal of an ideal past - an Americanized Camelot and a democratized chivalry - as the solution to the problems of a troubled present, a solution that will ensure prosperity in the homeland and a globally beneficial American authority abroad. Thousands of books and articles have been written about the murder of JFK, many of which are large in volume and short on facts. Quite often, these works try to reinvent the wheel, attempting to cover every single area of the assassination, as well as many tangential and unessential points, as well. The reader is often left exhausted and confused. The sheer volume of pages, conflicting facts, and theories leaves one unsatisfied and, quite frankly, not sure exactly what did happen on 11/22/63. This book seeks to separate the wheat from the chaff. It is 55-plus years later: it is time for real, honest answers in an easy-to-read and understand format. Proof of a conspiracy; no theories; to-the-point; a perspective on the assassination for the millennial age and beyond. Based on years—decades—of primary source research and having read countless books on the subject. This collectable boxed set edition includes all three books in N. K. Jemisin's incredible NYT bestselling and three-time Hugo award-winning Broken Earth Trilogy. This complete collection would be a great gift for any occasion and includes The Fifth Season, The Obelisk Gate, and The Stone Sky. This is the way the world ends for the last time... A season of endings has begun. It starts with the great red rift across the heart of the world's sole continent, spewing ash that blots out the sun. It starts with death, with a murdered son and a missing daughter. It starts with betrayal, and long dormant wounds rising up to fester. This is the Stillness, a land long familiar with catastrophe, where the power of the earth is wielded as a weapon. And where there is no mercy. The Broken Earth trilogy The Fifth Season The Obelisk Gate The Stone Sky An enthralling literary tour-de-force that pays tribute to Detroit's legendary neighborhood, a mecca for jazz, sports, and politics, Black Bottom Saints is a powerful blend of fact and imagination reminiscent of E.L. Doctorow's classic

novel Ragtime and Marlon James' Man Booker Award-winning masterpiece, A Brief History of Seven Killings. From the Great Depression through the post-World War II years, Joseph "Ziggy" Johnson, has been the pulse of Detroit's famous Black Bottom. A celebrated gossip columnist for the city's African-American newspaper, the Michigan Chronicle, he is also the emcee of one of the hottest night clubs, where he's rubbed elbows with the legendary black artists of the era, including Ethel Waters, Billy Eckstein, and Count Basie. Ziggy is also the founder and dean of the Ziggy Johnson School of Theater. But now the doyen of Black Bottom is ready to hang up his many dapper hats. As he lays dying in the black-owned-and-operated Kirkwood Hospital, Ziggy reflects on his life, the community that was the center of his world, and the remarkable people who helped shape it. Inspired by the Catholic Saints Day Books, Ziggy curates his own list of Black Bottom's venerable "52 Saints." Among them are a vulnerable Dinah Washington, a defiant Joe Louis, and a raucous Bricktop. Randall balances the stories of these larger-than-life "Saints" with local heroes who became household names, enthralling men and women whose unstoppable ambition, love of style, and faith in community made this black Midwestern neighborhood the rival of New York City's Harlem. Accompanying these "tributes" are thoughtfully paired cocktails—special drinks that capture the essence of each of Ziggy's saints—libations as strong and satisfying as Alice Randall's wholly original view of a place and time unlike any other. Volume 5 of 9

These books are the first to fully map out the history of alien interaction with the Earth, past, present, and into the near future. Extending the work of noted researchers such as Erich Von Daniken and Zecharia Sitchin, the book series goal is to show its readers the extensive repercussions this interaction has had on life on this planet, especially its formative role in the global conspiracy known as the New World Order. "I want me inheritance and ye want to avoid the hangman. Are ye gonna be me wife or no?" How can a girl resist such a romantic proposal? Sally the Whore has no choice, but to flee to the Highlands with Conall MacKenzie. The dratted bear of a man has discovered that she murdered a man attempting to rape her and now he knows about her hidden sorceress powers. Despite her deep love for him, she knows the emotional scars created when she was sold into slavery as a child make it impossible to be a wife. Conall must marry a sorceress or forfeit his lands to his cousin. When he discovers the whore he's obsessed with is a sorceress, he changes his mind. She will not become his mistress. She will be his wife, even if he has to use heavy handed tactics to get her out of the brothel and into his bed. Their love at stake, Conall must find a way to heal the damage done to Sally so that she can truly be his. Their lives endangered, Sally must find the ones responsible for the deaths of Conall's parents before the murderer strikes again

WATCH THE WORLD PREMIERE OF THE KENNEDYS - AFTER CAMELOT MINISERIES ON REELZCHANNEL, SUNDAY APRIL 2. From the New York Times bestselling author of Jackie, Ethel, Joan - Women of Camelot, comes an engrossing and revealing portrait of the next generation of Kennedys. For more than half a century, Americans have been captivated by the Kennedys - their joy and heartbreak, tragedy and triumph, the dark side and the remarkable achievements. In this ambitious and sweeping account, J. Randy Taraborrelli continues the family chronicle begun with his bestselling Jackie, Ethel, Joan: Women of Camelot and provides a behind-the-scenes look at the years "after Camelot." He describes the challenges Bobby's children faced as they grew into adulthood; Eunice and Sargent Shriver's remarkable philanthropic work; the sudden death of JFK JR; and the stoicism and grace of his sister Caroline. He also brings into clear focus the complex and intriguing story of Ted Kennedy and shows how he influenced the sensibilities of the next generation and challenged them to uphold the Kennedy name. Based on extensive research, including hundreds of exclusive interviews, After Camelot captures the wealth, glamour, and fortitude for which the Kennedys are so well known. With this book, Taraborrelli takes readers on an epic journey as he unfolds the ongoing saga of the nation's most famous -- and controversial -- family. Gwen Price works at the Camelot Hotel, Monmouthshire. She is a thoroughly modern miss – very independent; she loves her iPhone and her fashion wear, she flirts outrageously, and she will cheat, lie and steal to get whatever she wants. Why not? Then one day she wakes up in the fifth century in the Court of King Arthur where there are absolutely no creature comforts, society is rigidly hierarchical and challenging social conventions risks getting her branded as a witch. Meanwhile, Lady Gwendolyn of Camelot is warm, generous, innocent, vulnerable and totally dependent on the fifth-century supportive community that she has grown up in. She wakes up in a 21st-century world where possessions define people, personal relations are distant, and everyone is an island. This is a story of how these two learn to cope and adjust; both girls out of their time, and how in turn they affect the very different societies they find themselves in. Welcome to Camelot! When Alton's ageing, blind uncle asks him to attend bridge games with him, he agrees. After all, it's better than a crappy summer job in the local shopping mall, and Alton's mother thinks it might secure their way to a good inheritance sometime in the future. But, like all apparently casual choices in any of Louis Sachar's wonderful books, this choice soon turns out to be a lot more complex than Alton could ever have imagined. As his relationship with his uncle develops, and he meets the very attractive Toni, deeply buried secrets are uncovered and a romance that spans decades is finally brought to conclusion. Alton's mother is in for a surprise! Experience the international fantasy sensation that is the Inheritance Cycle with this complete collection of the New York Times bestselling series! For the first time, here are all four books in one ebook collection. One boy, one dragon, and a world of adventure

come together in this four-book boxed set collection that makes a perfect gift for fantasy fans. Eragon Fifteen-year-old Eragon believes that he is merely a poor farm boy—until his destiny as a Dragon Rider is revealed. Eragon is soon swept into a dangerous tapestry of magic, glory, and power. Now his choices could save—or destroy—the Empire. Eldest Eragon must travel to Ellesmera, land of the elves, for further training in the skills of the Dragon Rider: magic and swordsmanship. But chaos and betrayal plague him at every turn, and nothing is what it seems. Before long, Eragon doesn't know whom he can trust. Brisingr There is more adventure at hand for the Rider and his dragon, as Eragon finds himself bound by a tangle of promises he may not be able to keep. When unrest claims the rebels and danger strikes from every corner, Eragon must make choices that may lead to unimagined sacrifice. Inheritance Long months of training and battle have brought victories and hope, but they have also brought heartbreaking loss. Eragon and Saphira have come further than anyone dared to hope. But can they topple the evil king and restore justice to Alagaësia? And if so, at what cost? The boxed set features interlocking art that reveals an image across the spines of all four books! And don't miss the most recent book set in Eragon's world, *The Fork, the Witch, and the Worm: Tales from Alagaësia!* "Christopher Paolini is a true rarity." --The Washington Post

Fifty years after John F. Kennedy's assassination, presidential historian Robert Dallek, whom The New York Times calls "Kennedy's leading biographer," delivers a riveting new portrait of this president and his inner circle of advisors—their rivalries, personality clashes, and political battles. In *Camelot's Court*, Dallek analyzes the brain trust whose contributions to the successes and failures of Kennedy's administration—including the Bay of Pigs, civil rights, the Cuban Missile Crisis, and Vietnam—were indelible. Kennedy purposefully put together a dynamic team of advisors noted for their brilliance and acumen, including Attorney General Robert Kennedy, Secretary of Defense Robert McNamara, Secretary of State Dean Rusk, National Security Advisor McGeorge Bundy, and trusted aides Ted Sorensen and Arthur Schlesinger. Yet the very traits these men shared also created sharp divisions. Far from being unified, this was an uneasy band of rivals whose ambitions and clashing beliefs ignited fiery internal debates. Robert Dallek illuminates a president deeply determined to surround himself with the best and the brightest, who often found himself disappointed with their recommendations. The result, *Camelot's Court: Inside the Kennedy White House*, is a striking portrait of a leader whose wise resistance to pressure and adherence to principle offers a cautionary tale for our own time. The role of laughter and humour in the postmedieval citation, interpretation or recreation of the middle ages has hitherto received little attention, a gap in scholarship which this book aims to fill. Examining a wide range of comic texts and practices across several centuries, from Don Quixote and early Chaucerian modernisation through to Victorian theatre, the Monty Python films, television and the experience of visiting sites of "heritage tourism" such as the Jorvik Viking Museum at York, it identifies what has been perceived as uniquely funny about the Middle Ages in different times and places, and how this has influenced ideas not just about the medieval but also about modernity. Tracing the development and permutations of its various registers, including satire, parody, irony, camp, wit, jokes, and farce, the author offers fresh and amusing insight into comic medievalism as a vehicle for critical commentary on the present as well as the past, and shows that for as long as there has been medievalism, people have laughed at and with the middle ages. Louise D'Arcens is Associate Professor in English Literatures at the University of Wollongong. In her systematic reassessment of the remaking of the Arthurian past in nineteenth-century British fiction and non-fiction, Inga Bryden examines the Victorian Arthurian revival as a cultural phenomenon, offering insights into the relationship between social, cultural, religious, and ethnographic debates of the period and a wide range of texts. Throughout, she adopts an intertextual and historical perspective, informed by poststructuralist thinking, to reveal nineteenth-century attitudes towards the past. Starting with a review of the historical evidence available to Victorian writers and an examination of how historians of the time represented Arthur, the author connects Victorian accounts of Arthur's quest to contemporary scientific and historical searches for origins and knowledge, and to his appropriation by competing religious movements. She shows how writers explored the dynamics of heroism by recruiting Arthur and his knights to define codes of chivalric service, and to personify the psychological complexities of love. Finally, the legend of his death and transportation to Avalon is deconstructed and placed in the context of cultural attitudes towards commemorating the dead and theological debates about the afterlife. Inga Bryden engages not only with well-known Arthurian texts by Tennyson, Swinburne, Morris and Rossetti, but with lesser-known works by Bulwer-Lytton, Robert Stephen Hawker, Sebastian Evans, Diana Maria Mulock, Christiana Douglas and Joseph Shorthouse. A young girl lives out her big ballerina dreams in this graceful start to a new series from New York City Ballet principal dancer and international prima ballerina Tiler Peck and Broadway and television actor Kyle Harris. Ten-year-old Katarina is a New York City girl through and through, but the buzz of the city drives her to feel that she is meant for more than her ordinary day to day routine. Her big dream? To become a prima ballerina. With the help of a few new friends, Katarina finally puts on her first pair of ballet shoes and she's more than determined to make it work. But her feet don't quite move the way she would like them to, the twirls and spins make her dizzy, and her classmates aren't exactly welcoming. When the head of the dance studio announces that there will be a competition to earn a spot in an upcoming international dance

camp, Katarina knows this could be her big chance to make her dancer dreams come true. Does this tiny dancer have what it takes to stand out in the ballet world of blending in? This Lecture Notes volume is based on the "International Workshop on High Performance Transaction Systems" held in the Asilomar Conference Center, September 28-30, 1987. Many of the problems identified during the workshop are liable to determine the future development of transaction systems and distributed high performance systems in general for many years to come. So the organizers of HPTS '87 felt encouraged to collect the papers presented at the workshop in order to make them accessible to a wider audience of interested developers and researchers. Since some of the contributions represented work in progress, the authors agreed to prepare revised and updated versions of their papers for this publication. This accounts for the long delay between the event itself and the publication, but on the other hand it provides the reader with a state-of-the-art account of transaction processing topics. The book is organized according to the major sections of the workshop. In the network section the reader finds an analysis of two of the major "paradigms" in networking, ISO/OSI and SNA, from the perspective of transaction processing. In the next section four different transaction processing and database systems are described: Model 204 - a database management system marketed by Computer Corporation of America, Tandem's NonStop SQL, Citicorp's transaction processing system and ALCS, which basically is a version of TPF running under MVS/XA. The section on architectural issues contains four very different contributions which are fairly representative of the type of problems in transaction systems investigated in the research community. Finally, performance evaluations and system comparisons are presented. Volume 4 of 9

These books are the first to fully map out the history of alien interaction with the Earth, past, present, and into the near future. Extending the work of noted researchers such as Erich Von Daniken and Zecharia Sitchin, the book series goal is to show its readers the extensive repercussions this interaction has had on life on this planet, especially its formative role in the global conspiracy known as the New World Order. From #1 New York Times bestselling author Kiersten White comes a new fantasy series reimagining the Arthurian legend, set in the magical world of Camelot . . . There was nothing in the world as magical and terrifying as a girl. Princess Guinevere has come to Camelot to wed a stranger: the charismatic King Arthur. With magic clawing at the kingdom's borders, the great wizard Merlin conjured a solution--send in Guinevere to be Arthur's wife . . . and his protector from those who want to see the young king's idyllic city fail. The catch? Guinevere's real name--and her true identity--is a secret. She is a changeling, a girl who has given up everything to protect Camelot. To keep Arthur safe, Guinevere must navigate a court in which the old--including Arthur's own family--demand things continue as they have been, and the new--those drawn by the dream of Camelot--fight for a better way to live. And always, in the green hearts of forests and the black depths of lakes, magic lies in wait to reclaim the land. Deadly jousts, duplicitous knights, and forbidden romances are nothing compared to the greatest threat of all: the girl with the long black hair, riding on horseback through the dark woods toward Arthur. Because when your whole existence is a lie, how can you trust even yourself? *THE FIRST BOOK IN THE CAMELOT RISING TRILOGY* "The Story of King Arthur and His Knights" - First part of the book tells how young Arthur pulled a sword out of an anvil, how he learned of his royal lineage, and how he thus became king. Second part tells the stories of Merlin, Sir Pellias, Sir Gawaine and other noble knights. "The Story of the Champions of the Round Table" consists of many Arthurian legends, including those concerning of the young Sir Lancelot, Sir Tristan, and Sir Percival. "The Story of Sir Launcelot and His Companions" consists of a large series of episodes in the legend of the chief knight of the Round Table, Sir Lancelot, and many of his friends, including the Lady Elaine, Sir Ewaine, and Sir Gareth. This text comprises the edited collection of papers presented at the NATO Advanced Study Institute which took place at Altmyunus, A powerful queen and an Arthurian knight risk their lives and love for their kingdoms in this romantic fantasy from an award-winning author. Romance and Arthurian legend combine in this epic series featuring the women of Camelot. In order to provide protection and stability for her fractious kingdom, Laurel Carnbrea, queen of Cambryn, must marry Sir Agravain, knight of the Round Table and nephew of King Arthur, a man she has never met and about whom she knows nothing. But Laurel is determined to keep her people united, even if it means marrying a man widely believed to be heartless. Famously acerbic and impatient, Agravain finds much to admire in his new wife's courage, sense, and beauty. And to his surprise, finds himself opening his sealed heart to her bravery and warmth. But Lynet and Agravain are given no time to come together. Agravain's homeland of Gododdin is in peril. His father, the mad King Lot, is dying, and the foul sorceress Morgaine prepares to invade. Summoning her family's magical power, Laurel readies herself for battle alongside her new husband. But as she prepares to stand against the darkest evil, Lynet's secrets may doom her, and the man she's beginning to love . . . Praise for the Queens of Camelot series "A real happy ending takes love, effort, and sacrifice. Pick up a copy of Camelot's Blood if you want an epic romance!" —Silver Petticoat Reviews on Laurel: Camelot's Blood "This novel delivers passion, danger, and excitement laced with fantasy." —RT Book Reviews on Risa: In Camelot's Shadow "A spellbinding journey." —BookLoons Reviews on Elen: For Camelot's Honor A children's book packed with action and adventure, magic and fantasy, perfect for middle-grade children (boys and girls) and teens of 9-12, and 11-14. The Golden Sword is a present-day King Arthur book with a twist; a mystery story

from beginning to end. Arthur Penhaligon thinks he's just an ordinary kid but his destiny is calling and it involves a sword ... of the legendary variety. Skateboarding might just have to take second place. Who is the mysterious Crow Man? Why is he following Arthur and his friends? And who is the new teacher who's arrived at school? Arthur and his friends find themselves sucked into an epic world of magic, mystery and danger. A world where people travel through time, animals take control, and rivals are willing to resort to murder. Myth and legend, fantasy and adventure have never seemed so real, or so dangerous. Excalibur is waiting. THE GOLDEN SWORD is the first in this epic fantasy series. It's Arthurian, but not as you know it. Finalist in the 2014 Wishing Shelf Independent Book Awards; 2015 IndieBRAG Medallion honouree; Nominated for the 2015 Holyer an Gof Awards. 'This novel has the type of cross age-appeal as say, Harry Potter or Percy Jackson. Kids will love it, but so will the adults!' Indie Book Reviews. A thrilling mystery and fantasy book with action & adventure. Ideal for boys and girls and teenagers aged 10 to 14. The second and third in THE CAMELOT INHERITANCE series have now been released: THE TIME SMUGGLERS and MERLIN'S VOW continue the story of Arthur's quest - and the story of four teenagers, some ancient knights ... and a dragon (a very tiny one), pitted against time-defying enemies. Camelot is calling. A SNAPSHOT INTO ROSIE'S LIFE

When I was about 10 -14 years old, I loved reading action & adventure stories and mysteries filled with magic. I used to haunt our local library, borrowing anything with a vaguely magical theme. It had to be well-written with a gripping story, action-filled and a page-turner. (My all-time favourite author? C.S. Lewis.) So the seeds were sown. One day I'd write books for children too! The next question: So is this book for boys or girls? The answer: For both! Boys and girls between the ages of 10-14, teens and preteens, have read and loved it; although lots of adults are enjoying it too! If you love a fast-paced fantasy, then THE CAMELOT INHERITANCE series could be right for you. I'd be absolutely delighted (and honoured) if you like it enough to leave a review. Visit Rosie Morgan's blog: <http://rosie-morgan-cornwall.blogspot.co.uk> Follow Rosie on Facebook: Rosie Morgan Cornwall

Rosie Morgan writes mystery & fantasy books (with a dash of time travel), for 10, 11, 12, 13 & 14 year olds. "The Story of King Arthur and His Knights" - First part of the book tells how young Arthur pulled a sword out of an anvil, how he learned of his royal lineage, and how he thus became king. Second part tells the stories of Merlin, Sir Pellias, Sir Gawaine and other noble knights. "The Story of the Champions of the Round Table" consists of many Arthurian legends, including those concerning of the young Sir Lancelot, Sir Tristan, and Sir Percival. "The Story of Sir Launcelot and His Companions" consists of a large series of episodes in the legend of the chief knight of the Round Table, Sir Lancelot, and many of his friends, including the Lady Elaine, Sir Ewaine, and Sir Gareth. "The Story of the Grail and the Passing of King Arthur" tells of Sir Geraint and his wife Enid, how they met at a knight tournament and how they went through numerous adventures to prove their love. Also there is the story of Sir Galahad and how he achieved the Holy Grail, and the tale of the death of King Arthur. The long awaited sequel to the Inheritance trilogy -- a novella by award winning author N. K. Jemisin where a godling must struggle to grow in the shadow of her parents. SOME TRUTHS MUST BE LEARNED THE HARD WAY... As the first new godling born in thousands of years -- and the heir presumptive to Siah the Trickster -- Shill's got big shoes to fill. She's well on her way when she defies her parents and sneaks off to the mortal realm, which is no place for an impressionable young god. In short order she steals a demon's grandchild, gets herself embroiled in a secret underground magical dance competition, and offends her oldest and most powerful sibling. But for Eino, the young Darren man whom Shill has befriended, the god-child's silly games are serious business. Trapped in an arranged marriage and prohibited from pursuing his dreams, he has had enough. He will choose his own fate, even if he must betray a friend in the process -- and Shill might just have to grow up faster than she thinks. This novella, THE AWAKENED KINGDOM takes place after the events of The Kingdom of Gods and will also be included in both the print and ebook omnibus of THE INHERITANCE TRILOGY in 12/14. The Inheritance Trilogy The Hundred Thousand Kingdoms The Broken Kingdoms The Kingdom of Gods The Inheritance Trilogy (omnibus edition) Shades in Shadow: An Inheritance Triptych (e-only short fiction) The Awakened Kingdom (e-only novella) For more from N. K. Jemisin, check out: Dreamblood Duology The Killing Moon The Shadowed Sun The Broken Earth series The Fifth Season The Obelisk Gate

Arthur Penhaligon is a skateboarder (usually). He also happens to be a Guardian, knighted by Excalibur. It's been a year since Arthur and his friends first met a shape-shifting cat and defeated a murderous rival intent on stealing Arthur's birth-right. But now, far below the Cornish hills, the deep magic is stirring again - summoning Arthur's enemies to the contest for Cornwall's crown. It's time to get back to the challenges of time-travel and the undeniable reality of myths and legends. On a Cornish path a tiny, green-stone dragon stretches a claw. In a churchyard a carved angel tests his wings. And at sea an emerald-encrusted pocket watch chimes once ... and slips through time. Geoffrey is the last descendant of a mage shrouded in legend. He has been tasked by a jinn that is both his mentor and companion to explore the world of the human born races to find the fragments of his ancestor's staff. From the crypts of the Greek Empire to a modern-day Camelot defended by vampire hunters, he races against time to reassemble this ancient artifact. Without it, the world will fall prey to the return of a malevolent spirit. Fables, folklore, and mythology become reality as those who wield the power of magic alter the course of history. Death. Sacrifice. Tragedy.

The story of two girls who journeyed to the ancient land of Camelot. Expecting to find peace and prosperity; magic and adventure, they stumbled upon an old family rivalry between two brothers. Francis will stop at nothing to show his brother that he is the only one worthy of the long foretold Inheritance. And what will happen when startling news is sprung upon them? This is a tale of what occurs when you trust the wrong people and fight the wrong battles.
