*Cossacks - Volume 1 - The Winged Hussar* Apr 01 2021 The fierce Cossacks have long lived as a free people, but in the 17th century, the king of Poland-Lithuania wants to end that freedom. A young deserter from the hussars is caught in the nascent conflict. The first volume of a great historical saga. 1634, Ukraine. Karlis, a young Winged Hussar of Poland-Lithuania, sickened by the carnage of war, deserts. To wash their honour, the men of his old unit hunt him mercilessly, while two people secretly observe the pursuit. They are Cossacks, from a people of freedom-loving warriors ... and it is with them that Karlis will eventually find refuge. But if he left his regiment, it's also because of the last orders he was given, which he refused to follow: the king of Poland-Lithuania wants the Cossacks disarmed ...

*The Young Hussar, Or Love and Mercy* Oct 07 2021 Excerpt from The Young Hussar, or Love and Mercy: An Operatic Piece, in Two Acts Nin. Suppose any of our quality customers had called, would it not have been, Miss Carline, go to the closet and fetch me down the newest articles - Ay but then Miss Carline has lost the key, and the door must be broke open. **A Changed Man** Jan 18 2020 A Changed Man is the tale of a handsome young hussar captain, who resigns his commission to become a preacher, taking a living in a small poor parish. His new young wife, having always been attracted to the glory and pageantry of the military is horrified, decides to leave her husband for another soldier, only things don't end quite as she would have imagined...

*The Young Hussar* Jan 22 2023

The Hussar [1845 Edition] Jan 30 2021 Originally published in 1837 in two volumes, this is the 1845 edition which combines both into one handy volume. It is the account of Norbert Landsheit, late sergeant in the York Hussars and 20th Light Dragoons, who saw service in the Peninsular War. He related his military life to the Rev. George R. Gleig, whom he met whilst an inmate at Chelsea Hospital in London, where the Gleig was rector at the time. Landsheit had an amazingly long career, and his memoir provides a fascinating insight into the experiences of a German soldier within the British Army.

**The Young Hussar - Volume 1 - A French Cavalryman of the Napoleonic Wars at Marengo, Austerlitz, Jena, Eylau & Friedland** Dec 21 2022 The Life of the Real 'Brigadier Gerard' THE YOUNG HUSSAR Volume 1 The life and times of one of Napoleon's most dashing horsemen Marbot has left those interested in the Napoleonic Wars an incomparable and highly readable account of the life and campaigns of a French cavalryman which spans his career from enlistment as a young Hussar to senior officer at Waterloo. Conan-Doyle based his famous Brigadier Gerard on Marbot and that fictional cavalryman's character shines through on these pages. Marbot's expansive recollections begin here as a young Hussar with a 'painted' moustache and sweeps the reader through the very pages of history, encounters with Napoleon and graphically related battlefield experiences - engagingly told by a soldier with a 'good stock of courage' - if he says so himself.

*Jeannot's Answer to Jeannette.-Young Edward the Gallant Hussar. [Songs.]* Oct 15 2019

The Melancholy Hussar of the German Legion and Other Stories Aug 25 2020 The Melancholy Hussar of the German Legion and Other Stories is Hardy at his best and clearly demonstrates the importance of Hardy's contribution to the short story genre. The title story was inspired by an account of some soldiers who had been shot for desertion.

**The Hussar** Jul 04 2021 An autobiographical novel about Norbert Landsheit, an old soldier at the Chelsea Pensioners Hospital who relates the fascinating experience of his military life. Born within the German states, this young cavalryman first goes to war as one of Hompesch's Hussars engaged in the disastrous campaign in the Low Countries against the armies of Revolutionary France. Transferred into the British Army this horse-soldier then sees years of campaigning during the long wars against the First Empire, including hard service in the Peninsular War. As a light dragoon and once again as a hussar, Landsheit takes us on an engaging journey through early nineteenth century warfare filled with detail of camp life and adventures on and off the battlefield.

*The Young Hussar, Or Lady Iris's Adventure* Oct 19 2022 Excerpt from The Young Hussar, or Lady Iris's Adventure: A Story of Love and War It is scarcely necessary to state that the dramatic personae (with three exceptions) were all alive when last heard from. Their real names, however, I have thought proper to change in this story for obvious reasons. Theviii preface. *The Young Hussar* Feb 23 2023 This detailed diary offers an insight into the day-to-day mechanics of military life during the Regency period. Thomas Wildman was a wealthy young captain with the Hussars Brigade, whose outfit was sent to join Wellington's Peninsular campaign late in 1813.

**To War with a 4th Hussar** Sep 25 2020 Peter Crichton seized the outbreak of the Second World War to escape his journalistic job in London. Ever adventurous and somewhat impetuous he quickly transferred regiments to the 4th Queen's Own Hussars who were destined for North Africa. In no time he found himself fighting a desperate and ill-fated rear-guard action in the mountains of Northern Greece. One of only 180, out of 600, of his Regiment to be evacuated, he was soon involved in the brutal battles of Alam Halfa and El Alamein. While the 4th Hussars recovered and re-trained, the Author found time to play polo and fall in love. By a twist of fate, he was ordered to deploy to Yugoslavia where he was attached to Tito's partisans as they fought their way North, island by island, hurrying the Germans' withdrawal. After four and a half years' absence, he reached London on VE Day, 1945, surprised but grateful to be alive, unlike so many of his contemporaries. Although he wrote up his experiences with admirable clarity and modesty, his papers remained unpublished until Robert, his son, decided to bring them to a wider audience. The result is an action-packed and graphic memoir of unusual breadth.

**The Young Hussar** Dec 29 2020

*Once a Hussar* Sep 06 2021 *Once a Hussar* is a vivid account of the wartime experiences of Ray Ellis, a gunner who in later life recorded this well-written, candid, and perceptive memoir of the conflict he knew as a young man seventy years ago. As an impressionable teenager, filled with national pride, he was eager to join the army and fight for his country. He enlisted in the South Notts Hussars at the beginning of the Second World War and started a journey that would take him through fierce fighting in the Western Desert, the deprivation suffered in an Italian prisoner-of-war camp and a daring escape to join the partisan forces in the Apennines. His story is an honest and moving memoir that relays graphic eyewitness accounts of the horrors of warfare, but it also reveals the surprising triumphs of the human spirit in times of great hardship. Ellis's self-deprecating humor skillfully counters the harsh realities related in a personal recollection of a war that claimed so many young lives. Featuring twenty-six rare photographs from Ellis's life and experiences, *Once a Hussar* is a compelling and deftly told account of one soldier's life in the Second World War. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**Two Hussars** Jun 15 2022 "He is a regular dare-devil, you know: a gambler, a duellist, a seducer, but a jewel of an hussar - a real jewel." A handsome young hussar rides through a small town, seduces a young widow and leaves nothing but havoc in his wake. But the young hussar is so pleasing and charming that no one really minds the trouble. When another young hussar, his son, comes to town twenty years later, however, the reaction is another. The hussar acts in the same mindless way as his father, but unlike him he is calculating and unlikeable. With 'Two Hussars' Tolstoy pits two generations against each other; his own and the one preceding, underlining the nostalgia with which Tolstoy viewed the good old days. Leo Tolstoy (1828-1910) was a Russian author, a master of realistic fiction and one of the world's greatest novelists. Tolstoy's major works include "War and Peace" (1865-69) and "Anna Karenina" (1875-77), two of the greatest novels of all time and pinnacles of realist fiction. Beyond novels, he wrote many short stories and later in life also essays and plays.

The Hussar Feb 17 2020 This is a story of a brokenhearted young love. Axel Piers is heartbroken and runs off to join the French Foreign Legion Cavalry. He is embroiled in World War I in Belgium.
